THORNBURY TOWNSHIP
Public Works Department Report – Week Ending December 30, 2016

1. Routine maintenance performed throughout the Township, including clearing inlets of leaves and debris from roadways.

2. Currently installing resurfaced Township historic signs -- installed 4 to date and 6 remain to be installed.

3. All heaters at Township Complex have been cleaned and serviced. Will begin exploratory plumbing at Chester County Building.

4. Neff Construction commenced inlet repairs as weather permits within Cobblestones Community.

5. Accepted delivery of line striping equipment.

6. Salt Events:

   12/16/2016 pre-salted all roadways -- 7:30 a.m. - 11:00 a.m.
   Utilized 2 Township trucks and 2 Knight Brothersô trucks.

   12/17/2016 salted all roadways due to freezing rain -- 1:30 p.m. - 4:00 p.m.
   Utilized 2 Township trucks and 4 Knight Brothersô trucks.

7. Seeking approval from Board of Supervisors to obtain pricing on replacing F-350 pick-up truck with plow and salt spreader and trade in existing F-350 truck with plow and salt spreader.
