MANAGER'S REPORT

1-18-17

1. We successfully completed the cleaning of the EQ tank at the Treatment Plant on Thursday January 5th 2017.
2. The Bar Screen box is scheduled to be installed on Thursday January 19, 2017.
3. I have placed the ratification of the Section 4(f) Determination approval on the agenda. The agreement was already executed, but we feel it should be ratified at a public meeting.
4. We received notification from Cork Shunk that he had merged his company, CS Graphics, with an engineering firm, CS Davidson. Nothing will change for us with respect to the contract we hold with CS Graphics.
5. We received notification from PA Game commission that the efforts to relocate the Beaver who has established residence in Barrett's Meadow is under way.
6. We are continuing to work with the developers of Mill Creek and Greenbriar II on taking dedication of the public improvements in those developments.
7. We attended a meeting with the Delaware County recycling coordinator to review DEP's new process for claiming the recycling reimbursement.
8. We will be attending the MS4 Seminar held at Springfield Country Club on Thursday 1-19-17.
9. Our Animal Control Officer picked up a dog on 1-4-17 and we are currently looking for either the owner of the dog, or for the dog to be placed.
10. We are working to finalize the selection for the first annual Mark Kelly Volunteer of the Year Award winner.
11. We have two Zoning Hearings that are scheduled for Monday February 6, 2017. One is for a Variance from the minimum Lot width, and the other is for a special exception/ variance for an in-law suite in an existing detached garage.
12. We are currently working with the auditors to complete the 2016 audit. They expect to be done today or tomorrow.
