MANAGER'S REPORT

3-1-17

1. We received bids for the 2017 road program. We are recommending that the Board of Supervisors award the contract to A.F. Damon with the alternate bids #'s 1, 3A and 4.
2. We received a Right to know request regarding the Sunoco pipeline. We have forwarded this request to counsel for review.
3. The newsletter is currently in the final review stages and should be mailed by the end of this week, early next week at the latest.
4. We are recommending that the Board of Supervisors approve the Annual $1,000.00 contribution to the Walk for the Wounded and Warriors 5K Run to be held on Saturday May 20th at Rose Tree Park.
5. The construction for the Chlorine Contact Tank has been moving along smoothly. Two of the four tanks have been placed and we will be scheduling a construction coordination meeting for next week.
6. I attended a Community Preparedness sub-committee meeting at the 911 center on Tuesday February 21, 2017.
7. I attended a Stakeholders meeting regarding SEPTA's review of re-commissioning their rail line from Wawa to West Chester. They are currently working on a feasibility study.
8. We met with Chris and Cindy McCord to go over the plans for the Thornbury Township summer Arts and Recreation camp. We are adding a couple of new activities throughout the summer for campers.
9. We sent letters to each of the new appointees to the Planning Commission and the Park and Recreation Committee to inform them of their appointments as well as the committee chairs.
10. We are scheduled to attend a table top exercise at Cheyney University next Thursday March 9, 2017.
11. The _Park and Recreation Committee held a Paint Nite at Grace Winery, it was well attended despite the fact that it was rescheduled. Park and Rec is holding a Spring Wreath Class on March 9, 2017. There are currently spaces still available for that class.
12. We are collaborating with the EAC to clean up some trash and debris at Bonner Park as part of their March 11th trail clearing.
