THORNBURY TOWNSHIP
Public Works Department Report – Week Ending March 31, 2017

1. Routine maintenance performed throughout the Township.

2. Neff Construction has completed the inlet repairs project in the Cobblestones Development -- total of 33 inlets.

3. Opened up the floor at the Chester County Building and removed the old pipes. Plumber will begin installing new pipes in preparation of the remodel of the bathrooms. Master Locators will be marking the water lines, electric lines and sewer lines for the remodel project.

4. Ordered exercise equipment for Thornbury Park Eagle Scout Project. Meeting with Eagle Scout during spring break to discuss the layout, excavation and the installation of the equipment.

5. Met with Eagle Scout at Palmer Park for Project #1 -- installation of a score board and benches for Bocce Ball Court. Will advise Board when Eagle Scout is prepared to present his project to the Board of Supervisors.

6. Met with Eagle Scout at Palmer Park for Project #2 -- trash and recycle bins to be installed comparable to the bins currently at Thornbury Park. Will advise Board when Eagle Scout is prepared to present his project to the Board of Supervisors.

7. Put Eagle Scout in contact with the EAC regarding clearing and documenting the Lukenbach Trail from Station Road to Grist Mill Road and Bonner Park.

8. Summer Help - We have one qualified applicant to date. Requesting Boardôs approval to hire Barbara Mowbray -- see attached.
