MANAGER'S REPORT

6-7-17

1. We held Founder's Day on Saturday June 3, 2017. The event was very successful with a large attendance. We have already started to confirm vendors for next year.
2. We held our annual Memorial Day Service at Thornbury Park on Monday May 29, 2017. Our guest speaker Ray Stankas was very well received.
3. We held a follow up meeting with the State Pension Auditor on Tuesday May 30, 2017. There were no issues with the audit.
4. The township building is currently working with summer hours. The office is open Monday through Thursday.
5. The EAC has requested approval of a $100.00 donation to the Penn State Master Water Stewardship Program on behalf of Mr. Vail Ryan. Mr. Ryan facilitated our watershed event in April.
6. We received a proposal for completion of the Acoustical Ceiling at the Douglas building in the amount of $3,600 from county acoustical ceilings. We are recommending approval for that work to be completed.
7. The township newsletter was sent out this week.
8. We have finalized the contract for the summer camp with CMC Productions and would ask that the Board of Supervisors authorize the Township Manager to execute the contract.
9. We have reached an agreement with the David and Diane Lindstrom, owners of 14 Glen Meadow Drive for the purchase of 2.251 acres of ground located adjacent to Thornbury Park. I would ask that the Board of Supervisors approve this purchase and authorize the Township Manager to represent the township in the settlement of the purchase.
10. The Historical Commission has requested approval for a contribution of $100.00 to the Western Delaware Valley.
