**THORNBURY TOWNSHIP**
**Public Works Department Report – Week Ending June 16, 2017**

1. Routine maintenance performed throughout the Township, including mowing all properties.

2. Tennis Courts at Thornbury Park -- Cracks have developed in both court surfaces. Inspection will be conducted to evaluate necessary repairs.

3. Stormwater pipe couplings in Tall Tees Development need to be inspected again. Repairs were completed approximately three years ago. Chester Water Authority will investigate to determine if there is a leak and will report to the Township Engineer.

4. Line striping to be completed to the stop bars in Thornbury Hunt Development.

5. Road Program is complete. There were funds remaining due to less base repair. Used remaining funds to mill and pave Highpoint Drive (Alternate #1).

6. Township Engineer is having a traffic study completed on the triangle at Dilworthtown Road, Westtown Road and South Concord Road. Requesting PennDOT to do the same for comparison to determine if a 4-way stop sign is necessary.

7. Chester County Building:

   - Bathroom -- sub-floor and framing complete.
   - Plumbing -- Fixtures have been ordered.
   - DoorCheck to provide an estimate to replace fire escape door.

8. Knight Brothers has removed and trimmed all dead wood from Oak Tree.
