THORNBURY TOWNSHIP
Public Works Department Report – Week Ending September 1, 2017

1. Routine maintenance performed throughout the Township, including mowing all properties.

2. Assisted with clearing of down trees from recent storms at Sweetwater Road, Locksley Road, Derry Drive and Gradyville Road.

3. Sign maintenance and line striping projects remain ongoing throughout the Township.

4. Howard and Art of Public Works Department met with Board of Supervisor, James Kelly, to visit Clifton Heightsô newly constructed maintenance building. I will provide photos to Township Engineer for further site assessment.

5. Looking to obtain additional bids for repairs required to the Tennis Courts at Thornbury Park.

6. Working on 2018 Budget and updating the inventory in conjunction with the emergency management plan.

7. Eagle Scout Stephen Griffithsô Project is attached for Board of Supervisorsô review.

8. Met with Eagle Scout Josh Howat regarding his proposed Project - I will keep Park and Rec Board and Board of Supervisors advised of his progress.
