MANAGER'S REPORT

9-20-17

1. We held a Movie in the Park and fireworks on Friday September 8 after our Safety Expo. We had the State Police, Concordville Fire Company, the Delaware Emergency Response unit and the crime unit, and others at the park to inform residents on a variety of safety issues. The event was well attended.
2. We have a proposal to change the TPA (third party administrator) responsibilities as a result of our pension meeting with RJ Hall. The change will result in a savings to our employees on administration fees.
3. We have an appeal filed to the Zoning Hearing Board that involves a grading permit which was issued for the Sunoco Pipeline. The hearing was scheduled for Monday September 11, 2017, but was continued to October 2, 2017.
4. The Township Red Cross Blood Drive on Thursday September 7, 2017 was one of our most successful to date.
5. We held a budget meeting on Tuesday 9-12-17. The next meeting is scheduled for Tuesday 10-26-17.
6. We received approval from the PA Fish and Boat Commission for the permit to hold our Annual Children's Fishing Derby. The fish have been order for the derby on Saturday October 14, 2017.
7. As follow up on the property at 5 Derry Drive, the buyer has applied to the Zoning Hearing Board for a special exception. The prior approval called for the removal of the second kitchen if the owner sold the property to anyone other than a family member
8. We received a proposal for the parking area at the wetland mitigation site at Barrett's Meadow. I forwarded that drawing to the EAC for their review.
9. I am scheduled for a deposition for a court case involving a dog bite back in 2015. The deposition will be done on Thursday 9-21-17.
10. We have a meeting scheduled with PENN DOT in King of Prussia to discuss our traffic study of the intersection for Westtown Rd at Dilworthtown Road/concord Rd on Thursday 9-21-17.
11. We have received legal descriptions for Mill Creek and have been in contact with Chip Reeves to resolve an issue with the easement and as-builts for the offsite sewer.
12. In the past we have invited the fire companies in as well as the Rachel Kohl Library to accept the contributions from our Township at the first meeting in October. We would like to recommend the same for this year.
13. I have received a request for a contribution to the Bournelyf Special Camp annual fund raiser. We have supported this camp in the past. There are several township residents that benefit from this unique summer camp.
