THORNBURY TOWNSHIP
Public Works Department Report – Week Ending October 27, 2017

1. Routine maintenance performed throughout the Township, including clearing inlets and road edges due to pending rainstorm -- two down trees on Slitting Mill Road.

2. Set up and break down of Fall Festival.

3. Historical Society Room -- Rugs ordered and should be installed within two weeks.

4. Provided Township Engineer with plans for Maintenance Building.

5. Met with Eagle Scout regarding his project to redo monument area at Thornbury Park with pavers and new landscaping. Project has been approved by Park and Rec Board -- will keep Board advised as the project progresses.

6. Will provide preliminary 2018 Road Program recommendations to Board for review at first meeting in December.
