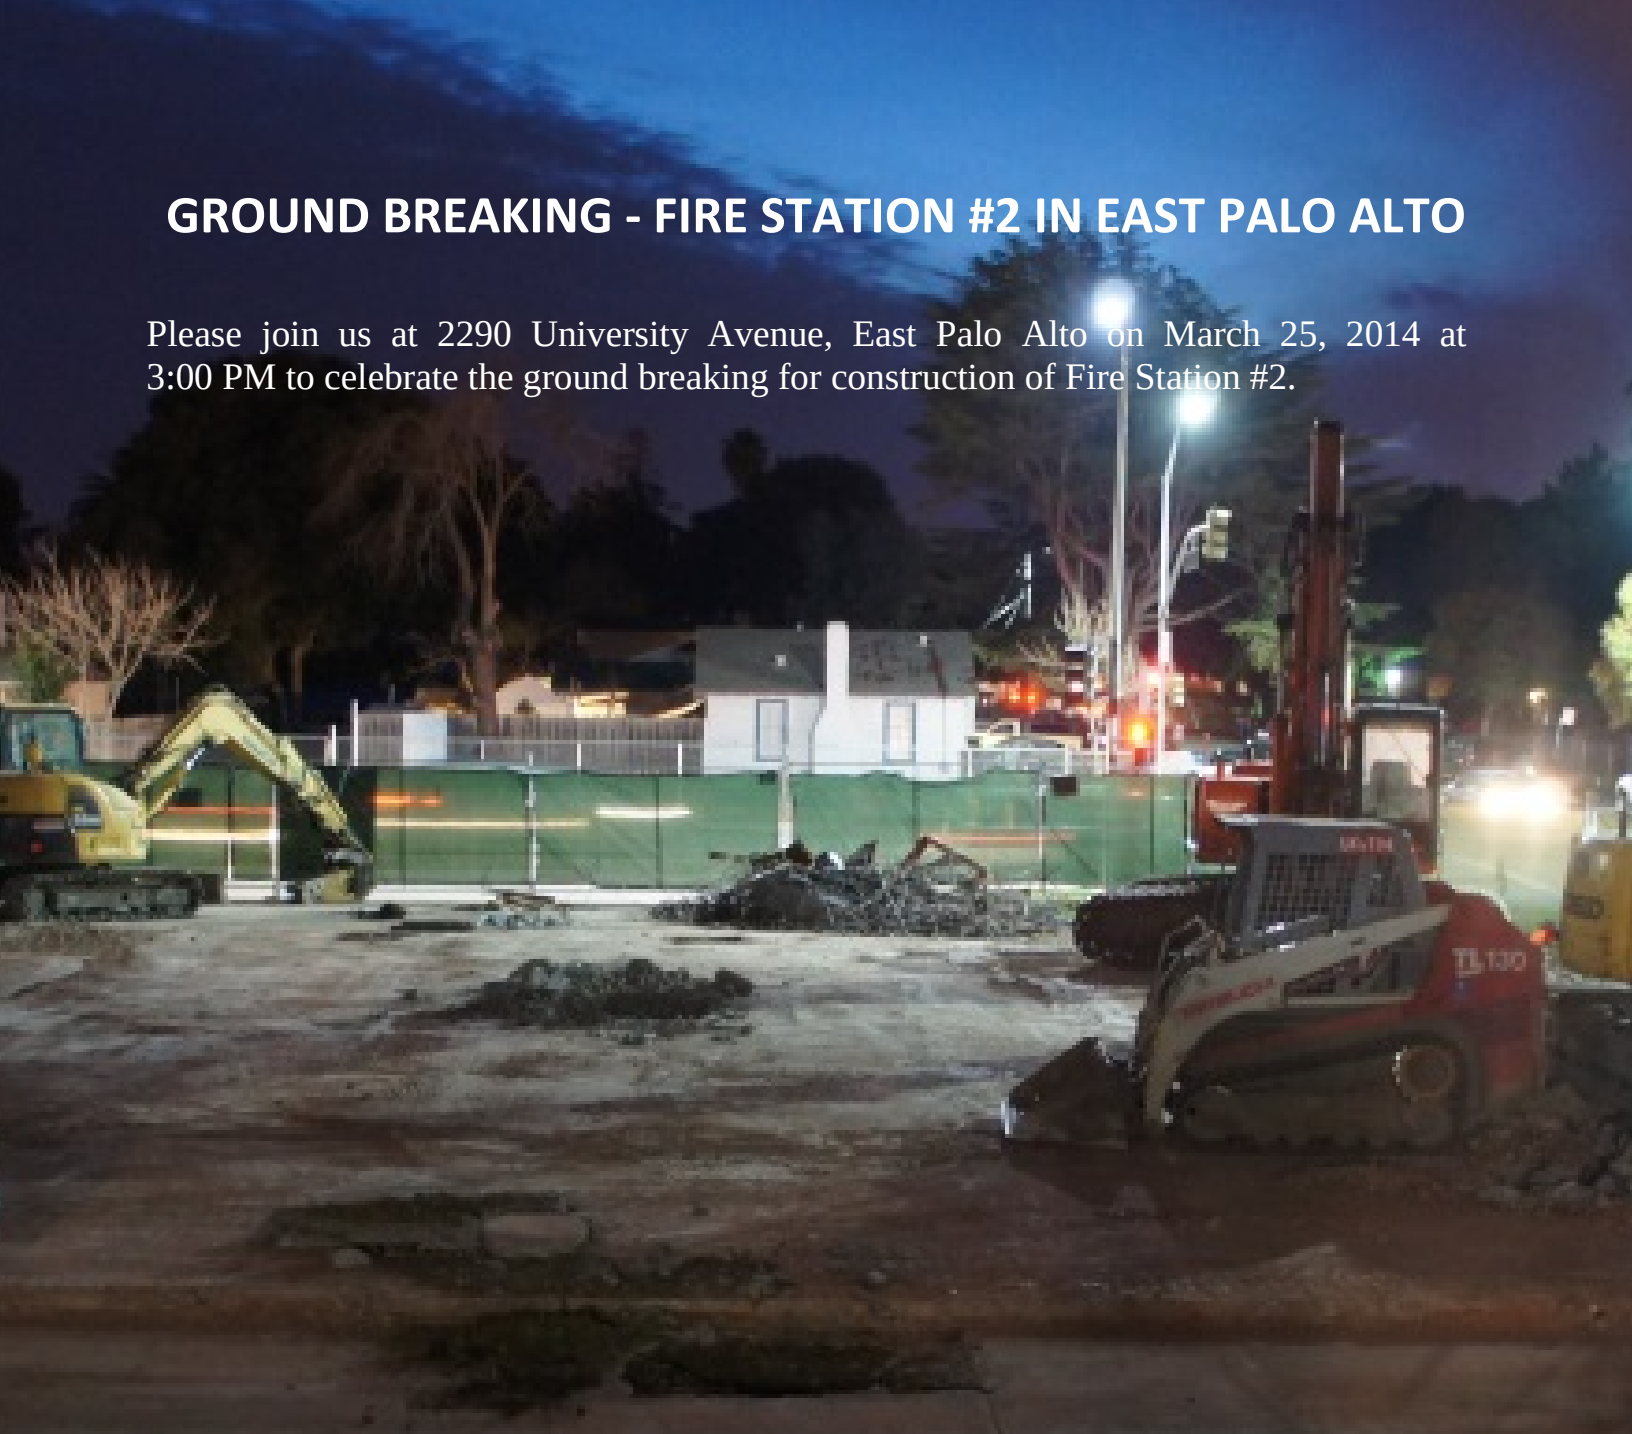
GROUND BREAKING - FIRE STATION #2 IN EAST PALO ALTO

Please join us at 2290 University Avenue, East Palo Alto on March 25, 2014 at 3:00 PM to celebrate the ground breaking for construction of Fire Station #2.



Fire Station #2 located at 2290 University Avenue, East Palo Alto was originally built in 1956 and was demolished on February 26, 2014. A new modernized 12,000 square foot station will take its place. The new station will include larger drive through apparatus bays, enlarged crew quarters to support a potential increase to new personnel and units assigned to this station and a dual purpose conference room serving as both a community room and an emergency operations center.

Please RSVP via email to Jon Hitchcock @ JonH@menlofire.org
