Planning & Zoning Committee Recommendation Summary
Public Hearing Held on August 25, 2016
Zoning Hearing 2836
Recommendation: Approval

Applicant(s): James Ley

Site Description: part of the N1/2-NW of S23-T6N-R2E; also affecting tax parcels 014-0087.A; 0089.B

Petition Summary: This is a request to make a nonconforming 2.28-acre lot conform by rezoning.

Comments/Recommendations

1. This lot became nonconforming when it was split from a parent property by deed in 2010. By rezoning and making it conform, the lot would be eligible for permits for which the applicant is seeking for an after-the-fact permit for a carport/shed.

2. If approved, the lot would be eligible for one single family residence and outbuildings, but no livestock type animal units.

3. There is no required certified survey map as this lot was created prior to that land division requirement.

4. The proposal is consistent with the adopted comprehensive plans as no agriculturally productive land will be converted to a non-agricultural use.

Town Recommendation: The Town of Linden recommends approval.

Staff Recommendation: Staff recommends approval.
