Consensus of Committee was that it was uncertain whether the central purchasing responsibilities would need to be transitioned to the new County Administrator. Sup. regular bidding for large volume supplies, in order to lock in prices for periods of time, e.g. three months. The need for a standardized purchasing process was also discussed. Sup. Peter Berg asked Greg if he was comfortable setting up the centralized purchasing and if this will conflict with his normal workload and Greg responded that he was comfortable with it and it would not conflict with his normal workload. He reported that the reserves that were to be built have not happen yet. He also stated that the State is committed to making this work. SW Family Care Alliance are reworking contracts with providers to be as efficient as possible. He said the financial situation is a combination of the decapitation rates paid by the State of Wisconsin is not adequate and the contracts with providers are not as efficient as they should be. The downside to the County if SW Family Care Alliance would fail is that the County would have to contract with another agency to provide the service.
