**MANAGER’S REPORT & TRAININGS:** In the process of doing 2nd interviews for the ½ time EBS and ½ time Prevention Specialists. Have two very qualified candidates. Hope to make a job offer next week. Hopefully the new employee will be at our next meeting. Rebecca went to the Living Well training with a member from our Health Dept. The class will begin June 12th – Living Well with Chronic Conditions. It is 6 weeks meeting each week for 2.5 hrs. – learning how to manage pain that may come with their condition – managing stress better, eating better, positive thinking, properly managing medication, how to speak with professions, etc. This was a four day training cycle – each member went through as if they were a participant and they could really see the value in this class. They do not have to be 60 plus years of age, they will target this age group, but no one will be turned away because of age. They will take on 15 people for this 1st class – so, class size is limited. We are sponsoring an Alzheimers and Dementia Alliance and developing a new Caregiver Group. That started on April 15th and will be the 3rd Monday of each month here at the HHSC. You do not have to register, you can just show up. We will have a new intern beginning at the end of May for the summer. Hopefully you will meet this person at our June meeting. We have a list of things for this intern to do. Reminder that we have a Clean It Up event tomorrow at the HHSC. We added a document clean up and set up some booths and promote our programs SUN,
UW Extension, Emergency Prevention, Volunteers. It will be from 9 a. – 12 Noon.
