The total number of contacts was 158 for October – this would include calls, walk-ins, etc. could be family members, case workers, etc. They did receive one MDS Q referral from a local nursing home – that was good to see it come through the new way of making electronic referrals. They completed 5 home visits, 2 of which were new home visits. They administered 3 functional screens and updated one which they had done before. There was 1 person added to the waitlist and 2 people taken off of the waitlist leaving the total number of people on the waitlist at 51. The full month of meetings and activities are listed on this report. This report is available in The ADRC Office.

EBS: Stacey Terrill distributed the EBS monthly report for the month of October. Open enrollment for Medicare is coming to an end. Dec. 7th is the last day. They have assisted lot of clients, a lot of new clients and they are up from last year. This shows that the new outreach opportunities have really worked. In October we try to close out a lot of cases – we also check in with clients to see if their needs were met, etc. Benefits gained year to date is up over last year. There is a breakdown of these benefits shown also. Also shown on this report are the contacts made during the month of October. Because it is Open Enrollment we have had a volunteer come in to assist and MaryLee has also been a great help. Nancy and Stacey attended a mandatory meeting with their Supervising Attorneys in Portage. This report is available in The ADRC Office.

Chairman Benish asked for a motion to go into Closed Session. Lorraine Drews made
the motion to go into Closed Session, Carol Calhoun seconded the motion. All members were in favor.

Everyone was excused except the ADRC Board.

**Returning to Open Session** - a motion was made by MaryClaire Murphy to accept Clarence Pittz’s application to drive for our Driver Escort Program and that motion was seconded by Mildred Swedland. All members were in favor. Laura will contact Mr. Pittz to welcome him to our Driver Escort Program.

**Office Assistant/Transportation:** Laura distributed the monthly Transportation Report for the month of October. All of our numbers are up over last year. This report is on file in the ADRC Office.

Laura discussed Logisticare and the newest news of their cancelling their contract. She also discussed the initial drop in number of rides after the MA consumers were being transported by Logisticare. But, we have picked up other contracts and other consumers and we are back up to where we were when we were driving MA consumers. Laura got the impression that they are really just cancelling (this) contract and renegotiating another contract and that the transportation will not be coming back to the counties. But, we will see.

Laura discussed the process for the 85.21 application. Our Public Hearing is scheduled for December 5th at 1:00 right here at the HHSC in Conference Room 1001. The points of the application were touched on, the process has not changed that much in several years. We are going to continue what we are doing, our numbers are up, and we’re going to maintain the high quality of service that we offer. We hope to go a little further and possibly hook up with our counties at some of their stops to give our consumers a chance to get out a little further and see new and different things. After the Public Hearing, the application will be forwarded to the WISDOT.

**MANAGER’S REPORT & TRAININGS:** Rebecca prepared and presented a PowerPoint Presentation of the highlights of 2012 for the ADRC. Everyone really enjoyed the presentation. We all talk about all of these events at every meeting, but to actually see the pictures was very well received by the Board.
