SW Badger RC&D Update.
Robert Bauer, Grazing Broker spoke to the committee about his role as the Grazing Broker and presented the 2015-2016 Annual Report. He assists 9 counties in Southwest Wisconsin but works out of the Iowa County Land Conservation Department Office. His focus is to pair up livestock with quality pasture land. Currently they have received a grant for $30,000.00 which allowed them to rent 2 farms in Iowa County to utilize as Prescribed Grazing sites.

NRCS Update.
Andy Walsh reported that they currently have 2 vacancies in Dodgeville as both Marie Raboin, Soil Conservationist and Erin Holmes, Farm Bill Biologist with Pheasants Forever left for positions outside of Iowa County. They will be interviewing for the Farm Bill Biologist position on October 18th, 2016. No set plan for backfill of Marie’s position at this time. The fiscal year starts October 1st, 2016 so if anyone you know is receiving mail to fill out forms they felt they just filled out, it is most likely an update for the 2017 fiscal year. The EQIP application period ended September 2nd and they had 79 applications. Walsh also reported there are 111 CREP contracts and 130 CRP contracts set to expire on 9/30/2017. FSA advised that we will begin working on these in December. All CREP/CRP contracts interested in reenrollment will require an NRCS site visit and plan development.

Farmland Preservation Report.
Len Olson reported the LCD did a final mailing on September 27th, 2016 to approximately 100 FPP participants who do not have an NMP on file. In addition an email went out to the crop consultants as a reminder of the December 31st, 2016 deadline to produce a Nutrient Management Plan to continue to receive FPP tax credits. Olson also reported the LCD is planning for an October 30th, 2016 mailing date of the Annual 2016 Self-Certification form. This mailing will include a cover letter, directions, Self-
Certification form and an updated Certificate of Compliance. Olson reported to the committee that the DOR requirements are so that our office was required to split each separate entity out and assign a unique ID# to them. Landowners could receive multiple Self-Certification forms with a $20.00 filing fee per form. Sup. Anderson made a motion to accept the report with the stipulation that the filing fee will be revisited in 2017. Sup. Dax seconded the motion.

**NMP/LWRM Report.**
Rob Hemling presented an update on the new projects and cost-share funds. In addition, he presented to the committee the Wisconsin Land & Water website and how they had highlighted Iowa County. Sup. Dax made a motion to approve the projects. Sup. Anderson seconded the motion. Sup. Nankee abstained from the vote. Motion carried.

**Tree Planting Plan for 2017.**
Iowa County has budgeted $5,000.00 for tree plantings in 2017. Jim McCaulley presented to the committee the plan for these tree plantings.

**WCA Dams Resolution and TP #15 Update.**
Jim McCaulley reported to the committee that the WCA Dams Resolution passed at the Counties Association. This resolution allows for public dams to be given to private landowners. McCaulley presented an Affidavit, filed at the Register of Deeds showing that the DNR now owns TP #15.

**2017 Workload Items.**
Jim McCaulley reported to the committee where the LCD will focus our efforts in 2017.

**LCD Grants Update.**
Jim McCaulley reported to the committee that the LCD has asked other counties for extra bond funds (estimated $20,000.00) in 2016 and has requested more LWRM funds from DATCP for 2017 (estimated $40,000.00). TheLCD will be applying for the DNR Rivers Grant in December 2016. McCaulley reported the LCD will send a letter of support to the Meudt-Mill-Trout Creek effort in 2016 and there is opportunity for landowner practice funding through the Grazing Broker effort.

**DNR Rivers Grant Resolution & Application.**
Jim McCaulley presented the Resolution Authorizing Application for Wisconsin Department of Natural Resources River Protection Planning Grant for the purposes of exploring the feasibility, effects, and potential costs of removing Iowa County’s TP#7 Dam on Trout Creek. Sup. Parman made a motion to accept the resolution and advance it to the County Board and prepare/submit a Rivers Grant application by December 10th, 2016. Sup. Nankee seconded the motion. Motion carried.

**LCD Fees Resolution & Review.**
Jim McCaulley presented the Resolution Establishing Fees for Services Provided by the Iowa County Land Conservation Department. This Resolution implements fees for services provided by the Iowa County Land Conservation Department. These fees will take effect on January 1st, 2017 and will be clearly posted on the Iowa County website and at the Iowa County Land Conservation Department.

**2016 CREP Sign Up Report.**
Jim McCaulley reported that there were 25 CREP contracts in 2016 with 22 different landowners totaling $182,152.00. That is an average of $7,286.00 per contract and 24.4 acres per contract. If the revenues/fees would have been in place it would have generated $5,404.00.
