

### **Minutes of the October 18, 2010 Iowa County Long Range Planning Committee**

Committee Members present were Carol Anderson, Dan Curran, James Griffiths, Jeremy Meek, Dave Bauer and Greg Parman. Excused, Dan Oleson

Also present Paul Ohlrogge UW-EX

3. Chair Anderson read the certification of the meeting.
4. Motion to approve agenda by Bauer, second Curran, approved.
5. Motion to approve the 9/20 and 9/23 minutes by Griffiths, second Parman, approved.
6. Comments from the audience and committee members. Dan Curran asked that the committee take steps to improve the quality of the information "GPS" software contained regarding Iowa County Points of Interest (POI). Visitors to Iowa County increasingly rely on this information and it should be kept as accurate and up to date as possible. Dan Curran indicated Lands End is only one of many businesses important to the well being of Iowa County and the county should give active support to all our businesses and their employees.
7. Action items from the September 23<sup>rd</sup> meeting were reviewed and further defined via brainstorming. Carol Anderson and Paul Ohlrogge will pull this information together and create an action summary for the November 15<sup>th</sup> meeting.
8. Additional action items were considered including maintaining reasonable tax levels and identifying revenue sources other than property taxes so the county can maintain an adequate level of services. No immediate action items were added from this discussion.

The next meeting date will be November 15<sup>th</sup>.

Meeting adjourned: Motion Curran, Second Parman
