The Iowa County Sheriff's Office "Medication Drop-off Box"
The Best Place to Get Rid of Medicines

MedDrop Box is now open in the lobby of the Iowa County Sheriff's Office at 1205 N. Bequette Street in Dodgeville. Enter at the Jail entrance on the south side of the building near the flagpole 24 hours a day to drop off your unused or unwanted prescriptions or medications.

Unwanted, unused prescriptions and over-the-counter medicines can be found in every household in the county. We know that it’s not safe to keep unneeded medicines in the house – children and others can accidentally take them. But you’ve also heard that you shouldn’t flush medicines down the toilet or put them in the trash. We now know that these medicines are bad for our environment – our water, our lakes and the animals in them.

What you can get rid of at MedDrop:
- Prescription medicine (pills, liquids and creams)
- Over the counter medicine (pills, liquids and creams)
- Medications for pets
- Vitamins
- Nebulizer solution
- Medication samples

Do Not Bring to MedDrop:
- IV bags – wrapping to be extra secure
- Oxygen tanks
- Nebulizer machines
- Thermometers
- Inhalers
- Sharps, epi pens or anything with a needle or lance (These can be taken to Upland Hills Health or Hometown Pharmacy in a hard plastic container or sharps container)

How to Use MedDrop

To dispose of medications in the MedDrop boxes, please bring your unused or expired medication and place it in the drop box.

Place pills or capsules in a bag, without the container. Dispose of the container after you have removed and destroyed the label. There is no limit to the amount of drugs that can be brought and no questions will be asked of whoever brings them. If you have liquids, gels or creams, please leave those in their original containers and place them in a ziplock bag.

All drugs are properly disposed.
