

**Resolution Creating a Long Range Planning Committee
And
Establishing the Duties of the Committee**

WHEREAS Iowa County will experience continued growth and development in the future and a long range plan is needed to coordinate the efficient delivery services to the citizens of our county;

WHEREAS the Chairperson of the Iowa County Board has recognized the need to develop a plan that addresses the coordination of county services, the creation and expansion of facilities, buildings and structures and the evaluation of future needs associated with county government by appointing a committee to study the long range needs of Iowa County;

WHEREAS the creation of a permanent five (5) member Long Range Planning Committee of the County Board is necessary to plan and provide for the future needs of Iowa County;

WHEREAS the duties of a permanent Long Range Planning Committee would be:

1. To plan for the future growth and expansion of Iowa County and its services;
2. To develop and create a long range plan that involves analyzing the space, building, construction and service needs of county departments and agencies;
3. To confer and coordinate with other county committees, to hold hearings, and to make recommendations on matters relating to the long range needs of county agencies, departments and services;
4. To solicit and accept bids for the hiring of consultants necessary to assist in developing a long range growth, space needs and development plan;
5. To oversee and authorize the hiring of an architect or design specialist for the purpose of implementing plans approved by the committee;
6. To prepare and present to the County Board an Long Range Plan that projects the space, building, construction and service needs of county departments and agencies; and
7. To be responsible for all other matters involving the space, building, construction and service needs of county departments and agencies that are projected a minimum of five (5) years into the future.

NOW, THEREFORE BE IT RESOLVED that the County Board of Iowa County recommends the establishment of a Long Range Planning Committee of the County Board and that effective immediately the above mentioned enumerated duties be adopted and adhered to by the Long Range Planning Committee.

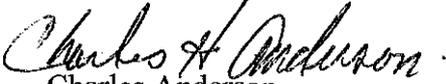

Respectfully Submitted;
