

Resolution No. 3-1203

**RESOLUTION AUTHORIZING THE OFFICE OF PLANNING AND  
DEVELOPMENT-LAND RECORDS DEPARTMENT TO CREATE  
A PREFERRED VENDORS LIST**

**WHEREAS**, the Office of Planning and Development-Land Records Department creates maps digitally for use in the County's Geographic Information System;

**WHEREAS**, the demand for digital map layers is high;

**WHEREAS**, in order for the Land Records Department to produce additional digital map layers in house, additional staff would need to be hired;

**WHEREAS**, the Zoning, Planning, Sanitation and Rural Planning Commission has determined it necessary to contract certain map layers out to vendors who have the capability to do so;

**WHEREAS**, said contracts may exceed \$10,000 and thereby be subject to Iowa County Resolution 1-0402 which requires contracts which exceed \$10,000 be let by contract by bid to the lowest responsible bidder;

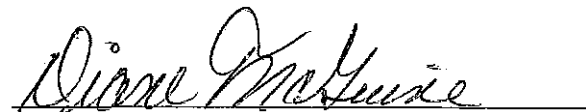

**WHEREAS**, adherence to Iowa County Resolution 1-0402 requirement that contracts in excess of \$10,000 be let by bid would be costly, inefficient and ineffective as there are no qualified vendors in the immediate area;

**WHEREAS**, creation of a preferred vendors list would enable the Office of Planning and Development-Land Records Department to screen statewide qualified vendors;

**NOW, THEREFORE, BE IT RESOLVED BY THE IOWA COUNTY BOARD OF SUPERVISORS**, that it authorizes the Office of Planning and Development Land Records Department to create a preferred vendors list for the purpose of soliciting bids for digital map layers.

Respectfully submitted by the Committee on Zoning, Planning, Sanitation and Rural Planning Commission, Stephen Foye, Chairman.
