JEFFERSON COUNTY BOARD OF LEGISLATORS

Resolution No. _____

Calling for an Increase in the Share of Revenue Counties Retain for
Providing State DMV Services

By Legislator: _____

Whereas, 52 of 62 New York Counties are mandated by the State to operate a local Department of Motor Vehicles Offices, and

Whereas, This local DMV operation is one of many examples of shared services that counties provide for the State, and

Whereas, Under current law the State of New York takes 87.3% of all fees collected from the work performed by the county operated DMV's, and

Whereas, The remaining 12.7% county share has not been increased since 1999, yet the amount of work required by the local DMV offices has increased in that same time period, and

Whereas, The Governor and the State Legislature have repeatedly stated that lowering the property tax burden on local residents is a key priority, and

Whereas, Increasing the County DMV revenue sharing rate will provide counties with needed revenue to continue to provide necessary local government services and reduce pressure on property taxes without increasing costs or fees to local residents, and

Whereas, There is a clear inequity present when a county DMV provides all the services, including overhead and staffing needs, to fulfill these DMV services needed for state residents, yet the State takes 87.3% of the revenue generated from providing said services, and

Whereas, The State Senate recognized this inequity placed on counties and attempted to reduce the burden of local property taxpayers by overwhelmingly passing Senator Patty Ritchie's bill S-4964B, which would raise the 12.7% county share to a 25% share, and

Whereas, Assemblyman Anthony Brindisi has also sponsored a similar Assembly Bill A08201 that has been supported by Assemblywoman Addie Russell and Assemblyman Ken Blankenbush, and

Whereas, Counties recognize the important function of the State DMV in providing both support to counties and resident services, accordingly, any loss in the State DMV operational budget that occurs from increasing county revenue should be made whole through the State General Fund.

Now, Therefore, Be It Resolved, That the Jefferson County Board of Legislators calls upon Governor Cuomo and members of the State Legislature to significantly increase the county DMV revenue share with the State, and support Bills S-4964B and A08201, and be it further

Resolved, That a certified copy of this resolution be forwarded to Governor Cuomo, Senator Patty Ritchie, Assemblywoman Addie Russell, Assemblyman Ken Blankenbush, and the New York State Association of Counties.

Authorizing Reappointments to the Jefferson-Lewis Workforce Development Board

By Legislator: _____

Whereas, The Workforce Innovation and Opportunity Act of 2014, Public Law 113-128, requires that there be established a local Workforce Development Board (WDB) to oversee local job training services and activities, and

Whereas, Chapter 2, Section 107(a)(b) of the Workforce Innovation and Opportunity Act authorizes the establishment, membership, and composition of the local Workforce Investment Board, and

Whereas, Chapter 2, Section 107(c) of the Workforce Innovation and Opportunity Act authorizes the appointment and certification for local Workforce Investment Board membership, and

Whereas, The Counties of Jefferson and Lewis seek to appoint individuals to the local Workforce Development Board who have interest and experience in the delivery of local workforce development services.

Now, Therefore Be It Resolved, That the Board of Legislators hereby authorizes the reappointment of Lynn Murray, Murcrest Farms Owner, Stephen Todd, BOCES District Superintendent, and Carole McCoy, SUNY JCC President for terms to expire 6/30/2019.

Amending Management Compensation Plan for 2016

By Legislator: _____

Whereas, By Resolution 58 of 2016, this Board of Legislators adopted the Management Compensation Plan for 2016, for which the 2016 County Budget provided funds, and

Whereas, Pursuant to Judiciary Law Section 183-a, the State of New York requires that the County District Attorney receive a salary of \$183,000 for the period April 1, 2016 - March 31, 2017, and

Whereas, The recently approved New York State Budget for 2016-2017 does not provide any incremental increase in revenues to the County to fund the mandated \$30,500 increase in the District Attorney's salary, and

Whereas, The Board of Legislators must amend the compensation plan to provide for this increase, and the 2016 County Budget must be amended to recognize the prorated increase in the District Attorney's salary.

Now, Therefore Be It Resolved, That the Management Compensation Plan for 2016 is hereby amended to increase the District Attorney's salary to \$183,000, effective April 1, 2016 , and be it further

Resolved, That the 2016 County Budget be amended as follows:

Calling on the State of New York to Fully Reimburse Counties for
District Attorney Salary Increases Set by the State

By Legislator: _____

Whereas, On December 24, 2015, New York State Commission on Legislative, Judicial, and Executive Compensation voted to recommend increasing all state judge salaries in 2016 and 2018, and

Whereas, The recommended increase placed Supreme Court judges' salaries at \$193,000 in 2016 and \$203,000 in 2018 and placed County Court Judges at 95% of a Supreme Court Justice's salary, and

Whereas, New York State Judicial Law Section 183-a links judicial salaries to county District Attorney (DA) salaries to be equal or higher than either the County Court Judge or Supreme Court Judge in a county, depending on county size and full-time or part-time status, and

Whereas, On April 1, 2016 the State Legislature failed to take any definitive action on the New York State Commission's recommendation and in so doing allowed such action to become law, and

Whereas, On April 1, 2016 the State Legislature enacted a \$150 billion State Budget, but did not include the funding for the \$1.6 million in reimbursement costs for the increase in DA salaries, and

Whereas, Over the years, the State has often funded incremental salary increases imposed on the counties, most recently being in 2012 with a 3 tiered increase, and

Whereas, This salary increase recommendation occurred well after all counties set their 2016 budgets in law, and

Whereas, The District Attorneys Association of the State of New York (DAASNY), recognizing the automatic nature of these increases and its effect on local county budgets, and further to support the counties' position, requested in correspondences with state officials that the state fund this salary increase as well, and

Whereas, DA's are entitled to the to the compensation they are owed pursuant to state law for fulfilling the state constitutional and statutory duties related to the enforcement of the state penal law.

Whereas, For many counties this mandated salary increase represents a measurable portion of their total allowable property tax growth for all government operations in the upcoming year due

to the State imposed property tax levy cap.

Now, Therefore, Be It Resolved, That Jefferson County calls on the State of New York to immediately pass legislation and pay for this increase retroactive to April 1, 2016, and not pass this unfunded mandate on to local taxpayers, and be it further

Resolved, That a certified copy of this resolution be provided to Senator Patty Ritchie, Assemblywoman Addie Russell and Assemblyman Ken Blankenbush and in so doing request that they sponsor such legislation.

Clerk of the Board of Legislators

April 19, 2016

Hon. Andrew M. Cuomo
State Capitol, Executive Chamber
Albany, NY 12224

Dear Governor Cuomo:

Recently, the NYS Commission on Legislative, Judicial and Executive Compensation voted to recommend an increase in state judge's salaries in 2016 and 2018. Without objection by the State, the recommendations became law on April 1, 2016.

Of concern to county government is the state law that links District Attorney salaries to judicial salaries. Historically, when the State has adjusted the judicial salaries, it has reimbursed counties for the increase in DA salaries through the State Budget. Unfortunately, the recently enacted state budget does not cover the recent increases.

The New York State Association of Counties (NYSAC) and the District Attorneys Association of the State of New York (DAASNY) hereby requests the State to reimburse the counties for the increases associated with the recent state judicial salary increase.

We recognize that county officials perform many essential public functions of state and local concern. Perhaps no county service is more essential than ensuring law and order in our communities, which is upheld by our local prosecutors. DAs are entitled to the fair and just compensation pursuant to law for fulfilling the state constitutional and statutory duties related to the enforcement of the State Penal Law. However, any state mandated increase to a local government official's salary, as a matter of equity and fairness, must be met by the State.

While it is unfortunate that the projected \$1.6 million cost for DA salary increases was not included in the State's over \$150 billion budget, it is not too late to correct this oversight. While the \$1.6 million may seem miniscule in the face of a \$150 billion spending plan, it amounts to a significant portion of a county's allowable tax growth under the state-imposed property tax cap.

Recognizing that the DA salary increase is a new state mandated cost to counties, both NYSAC and DAASNY urge you to enact legislation that provides that the State reimburse the counties for this new expense.

Thank you for your consideration.

Sincerely,

William E. Cherry
NYSAC President

Thomas Zugibe, Esq.
President of DAASNY

JEFFERSON COUNTY BOARD OF LEGISLATORS

Resolution No. _____

Authorizing the Purchase of Real Property for the Purpose of Establishing Public Access
to Slack Lot County Forest Preserve in the Town of Champion.

By Legislator: _____

Whereas, Jefferson County (hereinafter "County") owns approximately 80 acres of reforestation property known as Slack Lot in the Town of Champion, and

Whereas, The County, at the advice of its forestry management agent, the Jefferson County Soil and Water Conservation District, (hereinafter "SWCD") desires to establish a seasonal gravel driveway access to the forest preserve from the Lee Road, and

Whereas, Access from the Lee Road to the Slack Lot via an unused Town road has historically been the only available access to the forest preserve, and therefore a prescriptive easement arose for access to Slack Lot via the unused Town road right of way, and

Whereas, The Town of Champion duly abandoned the Town's interest in the section of road from Lee Road to Slack Lot in 1997, and

Whereas, The County surveyed the former Town right of way, established its metes and bounds, and determined that it lies upon and is fully contained within the bounds of real property owned by Murcrest Farms, LLC, and

Whereas, In order to make improvements to the road for seasonal public access and establish unambiguous County access to the forest lot the County desires to purchase and Murcrest Farms, wishes to sell a 25' by 2780' corridor extending from Lee Road to Slack Lot.

Now, Therefore, Be It Resolved, That the Chairman of the Board of Legislators be and hereby is authorized to execute a Contract of Purchase and Sale with Murcrest Farms, LLC, providing for the sale of said parcel to the County of Jefferson as outlined above, with the following further conditions in said contract: (1) the property is to be sold via quit claim deed for nominal consideration of \$1.00, (2) all current property taxes shall be apportioned between the parties, (3) the County shall be responsible for all closing costs and filing fees, (4) the County shall defend and indemnify the seller for any claim or cause of action arising out of its performance of the contract of sale in this matter.

Authorizing the Chairman of the Board to Execute Certain Purchase Agreements for
Real Property to be Used for Radio Transmission Towers for the
Emergency Management Radio System

By Legislator: _____

Whereas, Jefferson County is presently implementing a rebuild of its County wide emergency management radio system to accomplish complete interoperability between agencies and 97% reliable geographic coverage for portable radio units, and

Whereas, Jefferson County will be constructing up to twelve new tower structures to achieve the system goals set forth above at a variety of locations around the County including municipal owned property, County and NYS State owned property and privately owned property, and

Whereas, In many cases it will be necessary to secure County interest in the property locations selected for the tower sites by a purchase and sale agreement, and

Whereas, In order to provide maximum flexibility and timely response to administration and staff charged with accomplishing property acquisition, the Board of Legislator's desires to delegate the discretion to the Chairman of the Board to sign purchase offers, contracts of sale, and option contracts, subject to the Board's ultimate approval of the purchase by resolution.

Now, Therefore, Be It Resolved, That the Chairman of Board is hereby authorized and directed to execute any necessary document relative to acquisition of real property for the location of radio transmission towers for the County emergency management radio transmission system, including but not limited to purchase offers, contracts of sale, and option contracts, subject to the advice of the *ad hoc* committee on the emergency management system radio upgrade and the approval of the County Attorney as to form and content.
