

# THORNBURY TOWNSHIP

DELAWARE COUNTY

INCORPORATED 1687

## THORNBURY TOWNSHIP BLOOD DRIVE

Wednesday, December 21  
from 10:00am–3:00pm  
at the Township Building

Please help the American Red Cross and local hospital patients by donating blood. Right now, blood donations are being distributed to hospitals as quickly as they come in. Donors of all blood types are needed to help ensure a sufficient supply for patients this fall. So roll up your sleeve to help local hospital patients. Donating blood is easy and saves lives. You can save time on your donation by using our new Rapid Pass program. Sign up today and learn more about the Rapid Pass program. Visit [www.redcrossblood.org](http://www.redcrossblood.org) and enter sponsor code "thornbury" or call Geoff Carbutt at 610.399.8383 ext. 107.

**We Need 30 DONORS to Sign Up!**

## Mark Kelly Volunteer of the Year Award

In February of 2016, the Board of Supervisors introduced the Mark Kelly Volunteer of the Year Award. The award will be given annually to an individual who exemplifies the type of commitment to Thornbury Township that personified Mark Kelly. For those of you who did not know Mark, he was a long time resident of Thornbury Township who gave of his time and energy through many volunteer efforts. Mark was a member of the Historical Commission and also dedicated a great deal of time to the activities in which his children participated. Mark drove the Board of Supervisors in the Fourth of July Parade for many years in his brother's classic convertible. Mark was an antique car enthusiast, whose passion for life inspired all who knew him.

In order to celebrate Mark's life and contributions to Thornbury Township, The Board of Supervisors awarded his wife, Nina and their family with the inaugural plaque. The criteria to qualify for this award are straight forward. The individual must be or have been a Township resident that displays a commitment to Thornbury Township through their volunteerism.

Nominees names must be submitted to the Township Manager by December 31st, along with a short essay on why that person should be selected as the award winner. A committee of Township Board Chairs will review the list of nominees along with the Township Manager and a member of the Board of Supervisors. The 2017 Mark Kelly Volunteer of the Year winner will be announced at the Volunteer Recognition dinner to be held in February 2017. *TF*

# Township Manager Letter

When asked as a youngster “What do you want to be when you grow up?” Did you ever answer “A Fireman?” Well, it’s not too late to bring that dream to fruition. Currently, Pennsylvania is at an all-time low of Fire fighters. In the 1970’s Pennsylvania had 300,000 volunteers, in 1985 that number dwindled to 150,000, today the state has only 50,000. This shrinking force presents a public safety crisis.

In 1736, when Ben Franklin organized the first volunteer fire fighting team in Philadelphia, he had witnessed and knew very well the dangers of fire. Those dangers still exist today. In today’s busy society we pick up a phone and make a call for any service we need, including emergency services. Volunteer Fire Fighters not only save lives but save approximately 8 billion in tax dollars across Pennsylvania.

**FIREFIGHTER FACT:**  
In the 1970’s PA had **300,000 VOLUNTEERS.**  
Today the state only has **50,000 VOLUNTEERS.**

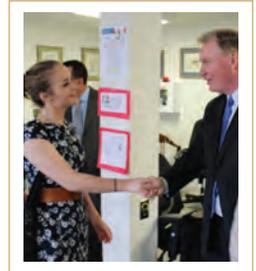

Legislators are now working on offering incentives to increase volunteerism. A few of the options for active volunteer fire fighting men and women are offering a property tax credit, discounted tuition to community colleges or state schools, and PHEAA loan forgiveness. All of these possibilities are cost effective solutions in lieu of paying for career fire fighters.

Thornbury Township is served by three Fire Companies. These volunteers save lives and property and they are often the first one to respond in a vehicle accident. They have the awesome responsibility of being our FIRST responders. If running into a burning building is intimidating, maybe you can make a difference by volunteering for the administrative duties. Please consider calling the Fire Company closest to your home for more information and see how you can help. *T*

**Jeff Seagraves,**  
TOWNSHIP MANAGER

## THORNBURY TOWNSHIP LOCAL GOVERNMENT DAY

Local Government Day is an event that the Board of Supervisors instituted 10 years ago.

To teach and inspire, the board invites local dignitaries to speak to Rustin High School students about their service to the community. With their new knowledge and awareness, we hope that the students will volunteer and/or serve in their community. At the request of a resident we are making this informative assembly available to all of our high school seniors. You would need to arrange your own transportation to and from your school and be excused from class. We will provide you with lunch and an official letter for your teachers. Space is limited. For more information please call Susan Daudert 610-399-8383 x101 or email [susan@thornbury.org](mailto:susan@thornbury.org).

## Board Chairman Letter

### RECENT BOARD OF SUPERVISORS ACTIONS

#### September 7, 2016

- Load Bank testing for all generators and systems, by Mardinly Industrial Power, which will include the Treatment plant and all of the pump stations in the East Sewer District, for a total cost of \$5,095.00, was approved.

#### September 21, 2016

- A Proclamation to the Governor and the PA DEP expressing concerns for the health, safety and welfare of the Twp. residents, regarding the existing Sunoco Pipeline and the proposed Mariner East Project, through Thornbury Township, was approved.

#### October 5, 2016

- The 2016 Contributions to the Concordville Fire Department in the amount of \$60,000, the Edgmont Fire Department in the amount of \$34,000, and the Chester Heights Fire Department in the amount of \$26,000, was approved.
- The 2016 Contribution to the Rachel Kohl Library in the amount of \$30,000.00, was approved.

#### November 2nd 2016

- Appointing Jeffrey Seagraves as Alternate Open Records Officer for Thornbury Township, as determined by the Pennsylvania Office of Open Records, was approved.
- The extensions granted on the "Sweetwater Road Tract Subdivision," extending the action date from November 20, 2016, to February 18, 2017, and the "Wills Subdivision" from November 25, 2016, to February 23, 2017, were accepted.

My fellow Supervisors and I would like to take this opportunity to share with you some information and comments.

In light of the presidential election it is important for us to be an example of unity for our neighboring towns and communities. Whether your candidate won or lost, we are all Americans. It is actually our differences that we should accept and appreciate, as that is the bedrock of America.

An integral part of America's history is our Veterans. The Township has made a donation to the Pennsylvania Veterans Museum for their Vietnam exhibit (see above). We are excited to work with our Veterans so that all they have sacrificed for our freedom is not forgotten. Please make a point to visit the museum located in Media at 12 E. State Street, and let them know you are from Thornbury.

We look forward to working with Rustin High School again this year for our Junior Supervisor Program.

This is our fifth year and we are excited to keeping this going for many more to come. We are always up for some suggestions on working with our future leaders, please share them with us.

If you have any interest is serving on one of our boards or commissions please contact either myself, JP, Sheri, or a member of our staff with a letter of interest and also let us know what interests you may have. Our Township has great volunteers, not only the ones who serve on the boards and commissions, but the ones who help out at all of our events. Join our family of volunteers; it will be a rewarding experience.

With winter around the corner, please stay safe on the roadways. We work hard making sure that the roads are clear, if you see an area of concern, please let us know In closing, have a nice winter, and we will see you around town! *JR*

**Jim Raith, Chairman**  
BOARD OF SUPERVISORS

## Environmental Advisory Committee

**Trail Work:** This Spring the EAC cleared windfalls on Patterson Woods access and summit trails and the Luckenbach trail along the Chester Creek in Bonner Park. If you have never hiked the trails, look for the trail head markers on Station or Locksley Roads. Big thank you to Glen Mills students who enthusiastically helped with two trail clearings.

**May Composting Seminar:** This well attended, educational seminar taught Township residents how to dispose household organic material into valuable compost for gardens. Composting keeps foodstuff out of our landfills. About 14% of household waste is food waste. Each participant received a free composting bin!

**ABOUT 14%  
OF HOUSEHOLD  
WASTE IS  
FOOD WASTE.**

**Monarch Butterfly Project:** To promote dwindling numbers of monarchs, the

EAC and the Farmer's Market folks planted milkweed in key Township locations. Monarch habitat signs were posted at existing stands of milkweed to protect plants from being mowed during growing season.

**Fall Bird Watch:** Lead by John Mercer, local bird expert, the afternoon walk included instruction in proper binocular use and tips for locating/identifying local winged residents. Bird calls were identified during the walking lecture in Thornbury Park Meadow.

**Barrett Meadow:** PennDot purchased Township land to construct wetlands as mitigation for disturbance from development on Conchester highway. Construction began early November and should be completed in Spring. Once wetland restoration and plantings are completed, the Township will resume ownership of Barretts Meadow. *T*

### Do You Know What MS4 Means?

The Township has a permit for its Municipal Separate Storm Sewer System (MS4) through the EPA Clean Water Act and PA DEP Clean Streams Law to allow for the discharge of storm water within the Township. This permit sets forth the parameters for properly operating a storm sewer system within each individual municipality. Through set procedures and best management practices, Thornbury Township sets out to annually inspect 25% of its existing storm water outfalls, to monitor all ongoing construction of storm water facilities and to follow up on their future maintenance. The Township also trains its Public Works employees to perform roadway and storm sewer maintenance work,

along with continuing its prevention policies to avoid the discharge of pollutants to its storm sewers and streams. Finally, a public outreach component involves educating Township residents on the importance of controlling storm water and keeping streams clean and healthy throughout the county and state, for example: articles in our quarterly newsletter. New permit requirements in 2018 will call for pollution reduction projects to clean up local stream deficiencies and improve the general water quality of streams throughout the State. Please do your part in keeping pollution out of our local streams, off our roads and out of our storm water discharge. Thank you. *T*

### SEWER COMMITTEE TIPS

The change in season is always a great time to perform maintenance and inspections of your sewer and septic systems. Winter is no exception. Septic and grinder pump systems need to be monitored to ensure that they work properly throughout their service lives. When these systems are properly maintained and operated, they effectively reduce or eliminate most human health or environmental threats posed by pollutants in household wastewater. Avoid allowing strong chemicals, oils, diapers, plastics etc. from entering your onsite and pump systems. Before an issue arises due to harsh temperatures, it may be best to contact your service providers about any recommended preventative maintenance or back-up devices that may be available. For those with E/One grinder pumps, we suggest checking out [www.eone.com](http://www.eone.com) for monitoring and maintenance information or calling an authorized service representative. Site Specific Design is listed as the service provider for Eastern Pennsylvania. Their number is 800.295.8853. Hopefully we won't experience any power outages but; if we do, please be sure to limit your water usage as much as possible if you are on grinder pump system. The tank does have storage capacity but it is only adequate for the short term. E/One suggests using an alarm panel with a Remote Sentry Module and generator receptacle. The Remote Sentry Module runs on battery so it can alert you to high tank levels when the power is out. If you haven't taken advantage of the infrastructure already in place in the sewer districts, it may be a good time to revisit this decision. *T*

Visit [www.thornbury.org](http://www.thornbury.org) for more details and to sign up for events! Registrations available two weeks prior to event.

## Parks & Recreation Events

### ABOUT OUR PARKS: LOCATIONS AND FEATURES

Thornbury Township boasts five public parks. We invite you to enjoy!

#### Barrett's Meadow

30 acres at Creek & Tanguy Roads

Walk the trail and enjoy the naturally occurring wild flowers in the spring and summer.

#### Bonner Park

65 acres on Blossom Hill Road

Visit the historic Frazer Ruins and an old, unused quarry. Enjoy plenty of good hiking.

#### Martin Park

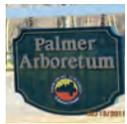

45 acres on Stony Bank Road

Home to our Annual Fishing Derby. Enjoy plenty of walking, picnicking, and fishing.

#### Palmer Arboretum

21 acres on Brinton Lake Road

Climb on the giant adirondack chairs, play hopscotch, walk trails, and enjoy a picnic.

#### Thornbury Park

56 acres at Glen Mills & Thornton Roads

Home to many of our Township events. Enjoy scenic walking and running paths, basketball and tennis courts, playground equipment, the pavilion, and much more.

#### Saturday, December 3, 2016 Annual Tree Lighting

Warm your holiday spirit with your friends and neighbors as we celebrate the season with hot chocolate and cookies. Santa will be there to visit with the children!

**Place** Thornbury Park  
**Time** 5:00pm  
**Cost** Free!

#### Monday, December 19, 2016 Senior Holiday Lunch

Enjoy lunch and a spirited gift exchange game with your "Thornbury Township family." Bring a \$15.00 gift to participate in the game.

**Place** Township Meeting Room  
**Time** 12:00pm  
**RSVP** 610.399.8383 x101  
or [susan@thornbury.org](mailto:susan@thornbury.org)

#### Friday, December 27, 2016 Kids Paint Day

Art teacher, Annie Seagraves will be teaching your little Picassos. Sign up online. 15 students max with preference to residents.

**Ages** 5-10 years old  
**Place** Township Meeting Room  
**Time** 1:00-3:00pm  
**Fee** \$15.00 per child (residents)  
\$25.00 per child (non-resident)

#### Sunday, January 29, 2017 Thornbury Township JUMP!

Jump off all those holiday pounds! Residents only.

**Place** SkyZone  
**Time** 2:00-3:00pm  
**Fee** \$10.00 (includes socks)

#### Thursday, February 9, 2017 Adult Paint Night

Bring home a masterpiece for your mantel! 20 painters max. Instructor, Annie Seagraves, is an equal opportunity art teacher; both men and women are welcome.

**Place** Grace Winery  
**Time** 6:00-9:30pm  
**Fee** \$15.00 per person  
(Grace Wine and beer sold separately)

#### Thursday, March 9, 2017 Spring Wreath Class

All the supplies provided and expert advice from Park and Recreation Board member, Chris Atella. Must be a resident to participate. Please, no beverages in the class room.

**Place** Township Meeting Room  
**Time** 6:00pm  
**Cost** \$10.00

# Planning Commission

## Subdivision and Land Development:

### Walton Lane (aka Black Bell Farm) Final Subdivision & Land Dev. Plan, 594

**Cheyney Rd:** The plan proposes a 15 lot residential subdivision on 23.69 acres, adjacent to Thornbury Park. Preliminary plans were recommended for approval at the March meeting. Discussion for the final plan began at the Sept. meeting. At the Sept. meeting street widening, tree buffering, and open space markers were discussed.

### Daniels Subdivision, Minor Final Subdivision Plan, 425 Thornton Rd.:

The plan proposes a 2-lot subdivision on a 5 acre property. Preliminary plans were recommended for approval at the July meeting. Discussion for the final plan began at the Sept. meeting. At the September meeting the members voted to recommend approval with conditions.

### Crane Tract, Preliminary Plan, Major Subdivision, 105 Stoney Bank Rd.:

The plan proposes to subdivide 55 acres into 29 lots (23 lots to the east of Stoney Bank Rd. and 4 lots to the west of Stoney Bank Rd.), 27 being residential with 2 serving as open space. Discussion began May, 2013. Revised plans were discussed at the Sept. meeting. Discussion involved sight distance, stormwater calculations, road profile adjustments, and the Lot 20 septic system.

## JOIN US!

**RESIDENTS ARE INVITED TO ATTEND PLANNING COMMISSION MEETINGS HELD ON THE 2ND WEDNESDAY OF THE MONTH AT 7PM.**

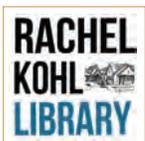

### Polnerow Land Development Plan, 26 Westtown Rd.:

This plan proposes a large barn. Discussion began at the May meeting. Once the applicant obtains a recommendation from the Township Historic Committee and provides additional engineering information, discussion will resume.

## WINTER SNOW ROADWAY TIPS

Winter is coming and that means snow. So please keep the following in mind:

- Please cut your overgrown tree limbs BEFORE it snows. These limbs when weighted down with snow and ice are a hazard. They obstruct the vision of drivers and pose a danger to vehicular traffic and pedestrians.
- Thornbury Twp. is not responsible for replacing or repairing a mailbox damaged as a result of snow removal. Make sure your mailbox is securely fixed to your mail box post. Make sure your mail box post is securely in the ground.
- Please do NOT shovel snow or ice into the street or right of way. This is not only dangerous to our plow crew this is a danger to vehicular traffic and pedestrians.
- Please do not park on the road or cul-de-sac in the event of a snow storm. This makes it extremely difficult and sometimes impossible to plow the street.

## News from Rachel Kohl Library

The library will be closed December 24, 25, & January

1. It closes at 3pm on December 31. Materials can still be returned to the outside bins during these closures.

The annual Winter Wonderland will be held on Saturday, December 10 at 3pm. Stop by to check out the library and create wintery crafts at 3pm, enjoy a Winter Fest Adventure interactive story at 4pm, and celebrate the tree lighting at 5pm.

Visit our website ([www.kohllibrary.org](http://www.kohllibrary.org)) and join our eNewsletter to keep up-to-date on all children and adult programs at the library.

### Special Events

*Harry Potter Trivia Scavenger Hunt* for ages 11/18 on Thurs, Dec 8 at 3pm.

*1915: The Sinking of the RMS Lusitania* for adults on Thurs, Dec 8 at 6:30pm.

*Peter Pan* for all ages on Weds, Dec 28 at 10:30am.

*The Crooner*, a musical tribute to romantic songs made popular by male crooners such as Engelbert Humperdinck, Tony Bennett, Elvis Presley, Bobby Darin, Dean Martin, Frank Sinatra, and more! For adults on Mon, Feb 13 at 2pm.

*Star Wars Day* for all ages on Sat, Mar 4 at 1pm. Celebrate Stars with crafts & activities. Meet Storm Troopers!

## FISHIN' DERBY WINNERS

## TIPS ABOUT THE DO-NOT-CALL REGISTRY

Do you even answer your land-line or home phone anymore? The majority of those calls are sales, surveys and telemarketers. The National Do Not Call Registry gives you a choice about whether to receive telemarketing calls at home. Most telemarketers should not call your number once it has been on the registry for 31 days. If they do, you can file a complaint at this Website. You can register your home or mobile phone for free. You may file a complaint if you received an unwanted call after your number was on the National Registry for 31 days. Scammers have been making phone calls claiming to represent the National Do Not Call Registry. The calls claim to provide an opportunity to sign up for the Registry. These calls are not coming from the Registry or the Federal Trade Commission, and you should not respond to these calls. Attention sellers and telemarketers: Go to <https://telemarketing.donotcall.gov> to access the National Do Not Call Registry.

### Home Sweet Cave?

*“They were only holes dugged in the ground”*

Mid to late 1600’s... A passenger boarding a ship in England would have no idea the time length their voyage would be to America. History indicates voyages varied from 47 to 138 days. Eight miles an hour was top speed when there was a promising wind. The Mayflower, moving an average of about five miles an hour, took 66 days to cross. Of primary importance to Pennsylvania’s first settlers was shelter. The most primitive of all shelters, the cave, became home to those who could not find family to stay with while a cabin was being built. The families of Joseph Gilpin and William Brinton, original Settlers of our area, separately took shelter in caves in the sides of hills near Dilworthtown. The location of the Brinton cavestead is said

to have been paved over by 202 and is in the area across from the Super Wawa at Dilworthtown. The most common usage of cave dwellings was in Philadelphia, near the Delaware River.

In 1683, Francis Daniel Pastorius, a first Settler of Philadelphia and founder of Germantown, described his early shelter: *“The caves were only holes digged (sic) in the ground, covered with earth, a matter of five or six feet deep, 10 or 12 wide and about 20 long; whereof neither the sides nor the floors have been plank’d. Herein we lived more contently than many nowadays in their planted and wainscoted places. I myself purchased one for 5 pounds—in the midst of Front Street at Philadelphia.”*

### Oral Interview Update

Watch...25 will be available online soon. Stay tuned! *T*
