

The Bonner County Safety Record

All the News that is Safe to Print

January 3, 2017
Edition 23

Please Prepare Your Car For Safe Travel!

A concerned citizen called us today about one of our drivers. They saw a County vehicle driving out of our lot, loaded down with snow.

Please ensure your employees clear snow off of their vehicles, before they drive on the road. The snow blocks visibility for yourself and for other cars following you.

Here are some examples of dos and don'ts.

Thank you!
