ANNEXATION QUESTIONNAIRE

Please answer the following questions and attach to a completed Land Use Application:

1. Is the applicant requesting that the land be annexed into the City of McCall? Yes___ No___

Note: The City of McCall reserves the right not to accept land into the City if it is incompatible with the adjoining land uses.

2. Is the land considered for annexation purpose within the City's area of impact and is it contiguous to City property? Yes___ No___

Note: A land parcel must be contiguous to the municipality in order to be considered for annexation and not be located within another jurisdiction's area of impact.

3. Has the parcel requested for annexation been split from another parcel or resultant from a lot line adjustment within the last three years? Yes___ No___

a. If yes, the parent parcel will likely need to be included in the annexation request and particularly if it is in the same ownership or creates an enclave if it is not included.

4. Is the parcel requested for annexation adjoined by property in the same ownership that is not part of the annexation request? Yes___ No___

a. If yes, it is likely that the remainder of the land will need to be included as part of the annexation request.

5. Has the applicant been working with Valley County as part of the development or permitting process? Yes___ No___

6. Has the property that is being considered for annexation been subject to a County land-use action such as a conditional use permit? Yes___ No___

a. If yes, please explain the nature of the land use action and provide a copy of the Order of Decision.
