

CITY OF MCCALL

RESOLUTION NO. 16-07

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF McCALL, VALLEY COUNTY, STATE OF IDAHO, ALLOWING THE PUBLIC WORKS DIRECTOR FOR THE CITY OF McCALL, IDAHO TO IMPOSE LOAD LIMITS AND RATES OF SPEED ON ANY HIGHWAY SECTION OR STREET WITHIN THE CITY'S JURISDICTION BY MAKING REGULATIONS REDUCING PERMISSIBLE SIZES, WEIGHTS OR SPEEDS OF VEHICLES OPERATED THEREON FOR ANY PERIODS NECESSARY FOR THE PROTECTION OF SUCH HIGHWAY SECTION, STREET, OR FOR PUBLIC SAFETY; PROVIDING FOR SIGNS DESIGNATING SUCH REGULATIONS; AND PROVIDING AN EFFECTIVE DATE OF THIS RESOLUTION.

WHEREAS, Section 49-1005, Idaho Code, provides, in part, that whenever authorities in charge of the operation of any section of highway determine that vehicle sizes and weights at rates of speed permissible by law will cause damage to the highway section or interfere with the safe and efficient use of the highway section, the authorities have the authority to make regulations reducing the permissible sizes, weights or speeds of vehicles operated on that highway section for any periods as may be necessary for the protection of that highway section or for public safety and that signs designating such regulations shall be erected and maintained at each end of the highway section and at intersections with main traveled highways; and

WHEREAS, the McCall City Council, based on a report by the McCall Public Works Director has determined that certain highway sections and other streets located within the City of McCall are at risk of damage due to heavy winter snowfall and an expected extended spring; and

WHEREAS, the McCall City Council recommends that the McCall Public Works Director be authorized to impose load limits and rates of speed on any highway section or street within the City's jurisdiction which the Public Works Director deems necessary to protect such highway section, street, or the public safety.

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE CITY OF McCALL, IDAHO, AS FOLLOWS:

1. Following a determination by the McCall Public Works Director that the operation of vehicles of sizes and weights at rates of speed permissible by law will cause damage to a highway section or street by reason of climatic or other conditions and will interfere with the safe and efficient use of the highway section or street by the traveling public, the McCall Public Works Director is authorized to make and impose regulations reducing the permissible sizes, weights and/or speeds of vehicles operated on such highway section or street for any periods as may be necessary for the protection of the highway section, street, or for public safety.

2. The McCall Public Works Director shall ensure that signs designating such regulations shall be erected and maintained at each end of the highway section or street and at intersections with main traveled highways.

3. This Resolution shall be in full force and effect immediately upon its adoption and approval.

PASSED by the City Council of the City of McCall this 25 day of February, 2016.
