Columbia County Road Department

Long Load Swing Warning

The tail of long loads may swing into other lanes when trucks round corners. When pilot cars approach, use extreme caution!

Don’t Let This Happen To You!

- Truck with long load
- Truck Travel Line
- Load Swing Line

When encountering a pilot car for long loads, pull onto the road shoulder or into a driveway as soon as possible.

At greater risk are: School Buses and other larger vehicles.

Roads of most concern: Scappoose Vernonia, Canaan, Meissner, Old Portland, Swedetown & Old Rainier.
