

Transportation

Hillsboro’s strategic location is one of our **key attributes**. Whether a business is shipping or receiving by truck, train, or air, Hillsboro’s location on the “NAFTA Highway” provides convenient access to and from the major transportation hubs of the State, and beyond into other states and Mexico.

Blue ring = 60 miles Green ring = 150 miles Red ring = 300 miles

Hillsboro is located on Interstate-35 (I-35) at the **southern end of the split** that takes I-35 East through Dallas and I-35 West through Fort Worth.

Traffic Counts

Hillsboro is located in the Texas Department of Highways (TXDOT) Waco District. TXDOT 2009 annual average daily traffic counts (AADT) are available on www.dot.state.tx.us/statewide_mapping/ for roadways maintained by TXDOT in Hillsboro. The City of Hillsboro can make arrangements to collect traffic count information for City streets on a project-specific basis.

Freight Carriers

Over 300 freight carriers provide service within a 50 mile radius of Hillsboro, and within 50 miles of Waco there are over 80 carriers.

Next Day Delivery Service

Federal Express, and United Parcel Service provide daily pick-up and delivery service in Hillsboro.

Rail Service

Hillsboro is served by the main north-south Union Pacific (UP) rail line that runs through central Texas.

UP provides service into the Hillsboro Industrial Park via a lead track, with spurs to individual locations. Existing rail-served sites, as well as green field sites that have the potential to be rail served, are available in the industrial park. Contact the Economic Development office for specifics (254-582-5776 or hcdc@hillsborotx.org).

For additional information on rail services, schedules, and fees, please contact UP at 281-350-7496, or visit www.up.com.
