

## **Fire Safety and Evacuation Plan**

Commercial Occupancies: Certain occupancies are governed by the International Fire Code (IFC) 2003 edition, chapter 4 sections 404.2, and frequency & participation by chapter 4 sections 405.2. ( See fire code official for details)

Home Fire Safety and Evacuation Plan: Home fire safety and evacuation plans are recommended and assistance is available upon request. It is recommended that home fire safety and evacuation plans be posted in all rooms of the home especially bedrooms, and areas accessible to children, and practiced regularly.

For additional assistance with any Fire/Safety questions, concerns, code interpretations or to request a courtesy safety/survey please contact the City of Hillsboro Department of Public Safety Fire Marshal or local Fire Dept.
