## H. Certification

I have read and examined this completed application and herby certify that the information contained within it is true and correct, to the best of my knowledge. All provisions of law and ordinance governing this type of work will be complied with whether specified or not. The granting of a permit does not presume to violate or cancel the provisions of any other state of local law regulating construction or the performance of construction. The applicant shall be responsible for informing all parties involved of any code non-compliance noted on the approved plans. I also understand that the installation of any of the work related to this permit application shall not proceed until approved plans are issued from the City of Hillsboro. I understand that if a notice of violation has been issued for starting work without first obtaining an appropriate permit, the application fee will be **doubled of the original permit fee**, as provided in the adopted Fire Code.
