

The concept of "LINDSBORG COLLECTS ... LINDSBORG ART" is to celebrate local *collectors of art*. The exhibition will relate the stories behind Lindsborg residents' favorite and unusual works of fine art and crafts by Lindsborg artists. Organizers are seeking entries for the sixth "LINDSBORG COLLECTS..." exhibition from anyone with a "67456" mailing address who has a piece of Lindsborg art or craft in any medium, is willing to loan it and will share its story for the event.

For this exhibition, the story is as important as the work of art itself. A story could reflect the Lindsborg arts economy, whether the art was purchased at an estate sale or was bartered. It could be about the circumstances under which the piece was purchased, the personalities involved, or about tongue-in-cheek moments. Or it could be about the excellent or unusual nature of the piece itself.

Please fill in the form below and return it with the original work of art or craft. This information will be used for the exhibition labels. Information can be emailed to [raymer@redbarnstudio.org](mailto:raymer@redbarnstudio.org).
