LEMS may use or disclose your PHI without your authorization, for the following purposes:

***Treatment-*** We can use your PHI for treatment provided to you by us and other medical personnel (including doctors and nurses who give orders to allow us to provide treatment to you). We may also share your PHI with other individuals involved in your care. For example, we may share PHI via radio or telephone to the hospital or dispatch center as well as provide the hospital with a copy of the record we create in the course of providing you with treatment and transport. We may also share your PHI with other healthcare providers for their treatment activities.

This includes such things as organizing your PHI, submitting bills to insurance companies (either directly or through a third party billing company), managing billed claims for services rendered, performing medical necessity determinations and reviews, performing utilization reviews, and collecting outstanding accounts. We may also disclose PHI to another healthcare provider or entity for the payment activities of the provider or entity that receives the PHI (such as your hospital).

***Healthcare Operations-*** We may use or disclose your PHI for things such as quality assurance activities, licensing, and training programs to ensure that our personnel meet our standards of care and follow established policies and procedures, obtaining legal and financial services, conducting business planning, processing grievances and complaints, creating reports that do not individually identify you for data collection purposes, fundraising, and certain marketing activities. We may also disclose your PHI to another healthcare provider (such as the hospital to which you are transported) for the healthcare operations activities of the entity that receives the information as long as the entity receiving the information has or has had a relationship with you and the PHI pertains to that relationship.

***Fundraising-*** We may contact you when we are in the process of raising funds for LEMS, or to provide you with information about our annual subscription program. We may also share this information with another organization that may contact you to raise money on our behalf. If LEMS does use your PHI to conduct fundraising activities, you have the right to opt out of receiving such fundraising communications from LEMS by contacting us.

***Reminders for Scheduled Transports and Information on Other Services-*** We may also contact you to provide you with a reminder of any scheduled appointments for non-emergency ambulance and medical transportation, or for other information about alternative services we provide or other health-related benefits and services that may be of interest to you.
