Proposed depth of well: _____

Size and type of casing: _____

Pumping Equipment: _____

Well driller's name and address _____

Site Plan

By my signature, as affixed below, I/We hereby assure and/or understand:

- 1) That the well driller shall notify the Public Works Department at (913)227-3428, forty-eight (48) hours in advance for final approval of location;
- 2) That the well driller shall call Kansas One-Call at 1-800-DIG-SAFE, a minimum of forty-eight (48) hours prior to drilling;
- 3) That the well shall be constructed in accordance with " K. A. R. 28-30-6" and updates as they become available;
- 4) That the well shall be located a minimum distance (in feet) from:
 - a) Building sewer line--twenty-five (25) feet;
 - b) City sewer main--fifty (50) feet;
 - c) Water service line or City main--twenty-five (25) feet;
 - d) Septic tanks or cesspools--fifty (50) feet;
 - e) Disposal field—fifty (50) feet.
- 5) That cross connections between the private well and City Water Supply System are prohibited;
- 6) That a well log shall be completed as the well is being drilled, a copy of which will be filed with the Public Works Department;
- 7) That the Public Works Director or his representative may inspect the well and all connections thereto anytime during construction or thereafter.
