

# CITY OF LINDSBORG

## BASE RATES

---

**WATER** – Effective 11/01/2015

0-2,000      \$12.00 Base  
2,000-over      \$.003 gallon\*

*\*Effective 02/01/1996 billing and thereafter a 25% surcharge will be added to the charge for all rural water usage.*

**ELECTRIC** – Effective 07/05/2011

-Residential Base \$15.00 plus \$.1016 kWh  
-Commercial Base \$15.00 plus \$.1016 kWh

**POWER COST ADJUSTMENT** – Effective 04/06/2009

Rates for energy to all customers shall be increased by \$0.015 per kWh used.

**REFUSE** - Effective 01/01/2014 Residential

\$16.00 per month, includes curbside recycling

**STORM WATER FEE** – Effective 09/01/2017

\$7.00 per ERU, residential properties are \$7.00

**COMERCIAL SEWER** – Effective 01/01/2011

\$15.00 Base plus \$.00425 per each gallon used

**RESIDENTIAL SEWER** - New Customer Sewer Rates \$37.95 per month for the 1<sup>st</sup> year

After the first year - Residential Base \$15.00 plus \$.00425 per gallon based on “dead” months average

**“DEAD MONTHS AVERAGE”** – Residential sewer charges are figured every spring based on the consumption during the “dead” months of the previous winter. This charge is then static for 12 months.

*The residential “dead” months are November, December, January and February when it is assumed there is not garden/yard watering, and when water usage will reflect that consumption which would normally be disposed of through the sanitary system and not the storm sewer system.*
