March 1, 2017

Dear Guilford Township Resident,

Spring is coming and soon the park will be bustling with people. Whether gathering for festivities in the pavilions, the community center, or the barn, or just stopping by to enjoy the great outdoors, Norlo Park has a lot to offer. Those who enjoy playing or watching sports are drawn to the softball fields, soccer fields, sand volleyball courts, tennis courts, basketball courts, and horseshoe pits. Other people may find themselves utilizing the dog parks, the open children's play areas, the new secure children's play area or the paved walking trails. Still others may be enjoying a free train ride on the New Franklin Railroad as a result of a generous donation by Arnold (Arnie) and Doris McKenzie, as well as the Cumberland Valley Chapter of the National Railroad Historical Society as they furnish the volunteers that operate the railroad.

We are dedicated to providing a safe, sanctioned place for children and adults to enjoy fellowship and physical activity while be surrounded by the history and beauty of our area. Since the park opened, we have seen continued improvements and community support from individuals, community groups, and corporations. We have seen the support of visitors who take pride in keeping the park clean. We have seen volunteers donating time and finances. For this, we are very grateful. Years ago the Norlo Park Foundation was created. It was created to provide long term funds to ensure the park's beauty and vitality for decades to come. All donations are tax deductible. Only interest from the donations can be used to support the park needs and further growth. Your partnership with us will help us achieve this goal. Donations of any amount are very much appreciated. If you are interested in naming the Foundation in your will, or giving another type of planned gift and have questions, please let me know. All contributions, whether great or small, are essential in achieving this goal.

We are dedicated to providing a venue that supports healthy lifestyle opportunities for our community. A place that supports safety, physical activity and fellowship in a beautiful setting. A place that draws people together to build wonderful memories, both for today and for generations to come. Please consider sending a donation today. On behalf of our children, youth, and families of all ages, I extend my heartfelt thanks.

Sincerely,

Don Clapper
Chairman
