

Don't Forget! The Town's Easter Event at Bicentennial Park is scheduled for Saturday, March 31st from 2:00 p.m. to 4:00 p.m. An **Easter Egg Hunt** will take place for various age groups that will be marked accordingly. The **Easter Bunny** will be there to take pictures! There will be many **games, activities, and prizes** for children of all ages! Enjoy the afternoon with family and friends!

The Town of Pantego is in the process of renewing its garbage and recycling contract. We wish to receive resident feedback regarding the use of the 18 gallon recycling bins or the 65 gallon recycling carts. There is no cost difference in service for the bins versus carts. The collection process that is selected will be across the whole town so please let us know your opinion.

*How do I vote?*

- Cut this section out and mail it back with your bill
- Call Town Hall at (817) 617-3700 and let us know
- Email us at [info@townofpantego.com](mailto:info@townofpantego.com) to cast your vote
- Log onto the Town's Facebook at [facebook.com/townofpantegotx](https://www.facebook.com/townofpantegotx) to participate.

Splash Pad Opening!!

Just in time for summer fun, the Splash Pad at Bicentennial Park will open on **April 28th.**

Stormwater Management Program

The annual TCEQ 2017 Stormwater Report was submitted in February 2018. The purpose of the stormwater management program is to ensure that the rainfall, snow melt, surface water, runoff, and drainage are the only items that enter the stormwater system, therefore, protecting the natural environment and waterways. Keeping pollutants, contaminants, chemicals, and debris out of the stormwater system can only be achieved if we ALL work together. If you have questions, contact the Community Development Department.

*Upcoming Elections:*

**The 2018 Pantego Municipal Election will be held on Saturday, May 5, 2018 in the Council Chamber at Town Hall and will be for Council Places 1, 2 and 3. The election applications have been submitted and are as follows: Council Place 1: Fred Adair; Council Place 2: Jeff Paladini and Don Funderlic; Council Place 3: Amy Wade. Early Voting will begin on April 23, 2018. Should you have any questions, please call the City Secretary at 817-617-3700.**

Mosquito Control

Take a personal stake in the process! Help prevent the breeding of mosquitoes by ensuring that the areas on your property have no standing water. Check your buckets, flower pots, trash containers, or other likely collection areas and dump them out on a regular basis. When going outside, especially from dusk to dawn, wear clothes that cover as much of your skin as possible and use insect repellent. **Remember the 3 D's:**

**Dress** in long sleeves and pants when you're outside or working in your yard. For extra protection, you may want to spray thin clothing with repellent.

**DEET** is the ingredient to look for in your insect repellent. Follow labeled instructions.

**Drain** standing water where you find it. Look for flowerpots, clogged rain gutters, etc. and anywhere mosquitoes could breed. For more information, visit the Town's website: [www.townofpantego.com](http://www.townofpantego.com). Thank you for your cooperation.

**Mosquito dunks (one package per resident) are available at Town Hall to treat standing/stagnant water that cannot be emptied (i.e. ponds, fountains, etc.)**

**Council approved a contract with Ferguson Water Works for automated water meters. Their crews are scheduled to start installing automated/smart water meters, beginning in April. We will put out flyers prior to working in an area. When your meter is replaced, the water will need to be turned off for a few minutes. The contractor will knock on your door to notify you prior to turning of your water. For any questions, please contact Public Works at 817-617-3700.**
