## The Pantego Police Department Wants You Know These Crime Prevention Tips

1. If you see something unusual, don't be afraid to call the police. We would rather make contact with a person out walking and get a chance to know them than to work burglaries the next day. If you're not sure it's an emergency, we can be reached at 817-274-2511.
2. Get to know your neighbors. When you know the people who live around you, it can help to identify things that are unusual. Say "hi" to people as they walk by. If criminals know people are watching in an area, they are less likely to strike there.
3. Remove valuable items from your car and lock the doors. With the hotter weather, criminals are out and looking for easy targets. We rarely see burglars force entry into vehicles unless there's a high value item in plain sight. We do see burglars who walk the area checking every vehicle to see if the doors are unlocked and then stealing whatever they find.

Have a wonderful 4th of July!!

Just FYI ~ The time is near for the installation of the new smart water meters. It is anticipated to begin in July. It may take up to 6 weeks to cover the entire Town. Please be patient during this process.

AUTOMATED METERING

**The Town of Pantego**  
PRESENTS  
MOVIES IN THE PARK, FEATURING  
**WALL - E**

SATURDAY JULY 14 <sup>th</sup>	Bicentennial Park Smith Barry	MOVIE STARTS AT DUSK
-----------------------------------	-------------------------------------	----------------------------

- On Wednesday, June 27th, distribution of the 65-gallon recycling carts to all residents will begin. This process should be completed in one day but may extend into Thursday, June 28th. You may either keep the small bin or place it in the cart for recycling. Please help us spread the word! Contact Town Hall if you have any questions.
- 

**Upcoming Meetings:**

Town Hall will be CLOSED July 4th for Independence Day.

Planning & Zoning: July 2nd

Community Relations Board: July 3rd

Town Council: July 9th & 23rd

Council Budget Meetings: July 16th & 30th

Economic Development: July 11th & 25th

**Neighborhood Meeting!**

Next week the Pantego Police Department will be holding a neighborhood meeting at the Lions Club. We know all of you want to be there together, however there isn't a large enough space for all of our awesome residents! This meeting will focus on the Shady Valley Apartment complex, all of the residents on Green Tee Dr., Pompano Ct., Pebblebeach Ct., Los Colinas Ct., Oakmont Ct., Longhurst Ct., and La Costa Ct. We are also including residents that live on Smith Barry between Marathon St. and Gittiban Pl.

Don't fret! If you were not included in this one there will more meetings in the near future. Everyone in the town will have the opportunity to attend, we promise!

We will discuss current crime statistics in our town and the surrounding Arlington area, also what to report to police and how to protect your property.

The meeting will start at 6:30 p.m. and last for about an hour to an hour and a half. Refreshments will be provided.

We hope to see you there!

Location: Pantego Lions Club, 3535 Marathon St. at 6:30 p.m. on Wednesday, June 27th

**The next scheduled spraying dates are Thursday, June 28th and July 26th**

Take a personal stake in the process! Help prevent the breeding of mosquitoes by ensuring that the areas on your property have no standing water. Check your buckets, flower pots, trash containers, or other likely collection areas and dump them out on a regular basis. When going outside, especially from dusk to dawn, wear clothes that cover as much of your skin as possible and use insect repellent.

**Remember the 3 D's:**

**Dress** in long sleeves and pants when you're outside or working in your yard. For extra protection, you may want to spray thin clothing with repellent.

**DEET** is the ingredient to look for in your insect repellent. Follow labeled instructions.

**Drain** standing water where you find it. Look for flowerpots, clogged rain gutters, etc. and anywhere mosquitoes could breed. For more information, visit the Town's website: [www.townofpantego.com](http://www.townofpantego.com). Thank you for your cooperation.

**Mosquito dunks (one package per resident) are available at Town Hall to treat standing/stagnant water that cannot be emptied (i.e. ponds, fountains, etc.)**
