

# Town of Pantego News Journal

December 2013  
Volume 2 Issue #12

## **The Town of Pantego is switching recycling companies!**

Pantego will now be utilizing services from Republic Waste Disposal for our recycling needs as well as waste removal. Recycling days will move to Tuesdays each week. If CWD did not collect your old recycling bin, or if you did not get your new bin from Republic, please contact Town Hall. According to the new recycling contract with Republic, Pantego was able to secure one free trip to the Arlington Landfill for each resident annually. Be sure to pick up a voucher at Town Hall for your free trip! The free landfill visit is an addition to the twice annual clean up day hosted by Pantego. Please be aware of altered recycling days due to the holidays.

### **Rate Changes for Republic Recycling:**

An increase of 15 cents for the trash collection, as well as a decrease of 72 cents for recycling saved you approximately 57 cents overall! Senior Citizens get an even greater deal!

### **Upcoming Recycling Days :**

### **ISO Rating Change**

Congratulations residents of Pantego!

Due to the hard work and efforts made by the Pantego Fire Department, your homeowners insurance might have gone down!

Please contact your insurance provider to let them know that your Town's ISO rating went from 4 to 2. The ISO rating has improved due to the policies and procedures set into place by our Fire Department, their level of training, and the improvement of the Town's infrastructure.

A savings might be in your future!
