

Results of the special election having been received with all three propositions having carried, the Mayor stated that he felt the PROCEEDS FROM SALE OF LEASE OF ANY LANDS RECLAIMED IN THE HARBOR DRIVE AND CRESCENT HARBOR PROJECTS should go to pay off the bonds and that the City should thus show its intent. As the Corps of Engineers is not allowed to place fill for any commercial gain it was thought it might be dangerous to state this officially and so Mr. Cushing moved that the discussion be tabled. Mr. Cropley seconded and the motion carried.
