CITY AND BOROUGH OF SITKA

Produced by the United States Geological Survey 1962
Revision by USDA Forest Service 1997

Topography compiled 1948. Planimetry derived from imagery taken 1996 and other sources. Public Land Survey System and survey control current as of 1997
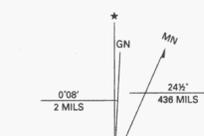

North American Datum of 1927 (NAD 27). Projection and 20 000-foot ticks: Alaska coordinate system, zone 1 (transverse Mercator)
Blue 5000-meter Universal Transverse Mercator ticks, zone 8

North American Datum of 1983 (NAD 83) is shown by dashed corner ticks. The values of the shift between NAD 27 and NAD 83 for 7.5-minute intersections are obtainable from National Geodetic Survey NADCON software
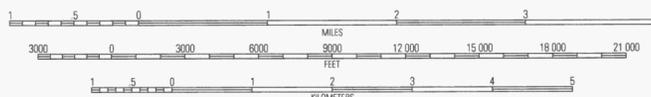

Non-National Forest System lands within the National Forest Inholdings may exist in other National or State reservations

This map is not a legal land line or ownership document. Public lands are subject to change and leasing, and may have access restrictions; check with local offices. Obtain permission before entering private lands

Protracted land lines are predetermined by the Bureau of Land Management, Copper River Meridian
