THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. COUNCIL BUSINESS

1. Presentation by Purvis Gray and Company of the Audited Financial Statements for the period ending September 30, 2016. Ron Whitesides, Trey Presnell, Marlena Guthrie

Discussion ensued with the City Council regarding the Audited Financial Statements for the period ending September 30, 2016 as presented by Ron Whitesides with Purvis Gray and Company. Ms. Judd noted there were no management comments this year. Mr. Whitesides noted the City had received an unmodified opinion, or the highest form of assurance the auditors can render. He reviewed the report and advised that the City was considered to be in good financial condition. Mr. Whitesides reviewed the issue of debt load as it related to the City's debt per capita as compared to 50 peer cities. It was noted that sewer systems usually did not cash flow all of its costs. The City's Sewer Fund rate structure would have to be reviewed as it would not be able to handle a \$20 million debt load. Council Member Royal recalled new rates had been updated last year with the future of a new Wastewater Treatment Plan in mind.

This being the last year of the contract with Purvis Gray and Company, Mr. Whitesides thanked the City Council for their support over the last six (6) years.

A MOTION WAS MADE BY VICE MAYOR TIMBERLAKE TO APPROVE THE AUDITED FINANCIAL STATEMENTS FOR THE FISCAL YEAR ENDED SEPTEMBER 30, 2016. THE MOTION WAS SECONDED BY COUNCIL MEMBER ROYAL. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.

2. Presentation - North Florida TPO Improvement Program for Fiscal Years 2017/2018 through 2021/2022. Wanda Forrest, Janis Fleet

Discussion ensued with the City Council regarding the North Florida TPO Improvement Program for Fiscal Years 2017/2018 through 2021/2022 for Green Cove Springs and Clay County as presented by Ms. Fleet, Ms. Forrest, and Ms. Talvey, Urban Planning Manager for FDOT, via a PowerPoint presentation.

Upcoming projects included:

- First Coast Expressway;
- Improvements to the intersection of U.S. Hwy. 17 & S.R. 16 East;
- Resurfacing from Sweat Road to S.R. 16 East;
- Lighting improvements from S.R. 16 West to West Street;
- Palmetto Avenue/M.L.K./Vera Francis Hall Park Nature Preserve and Trail; and
- PD&E for S.R. 16 from Oakridge Avenue to the First Coast Expressway.

Council Member Royal advised Ms. Forrest that he would prefer to see the \$600,000 in FDOT funding shifted from the M.L.K. Trail to renovating the Governors Creek Bridge and sidewalks on Harbor Road so that it would accommodate golf carts and was safer for pedestrians and cyclists. Vice Mayor concurred noting the City was a “Golf Cart Friendly” community and it was a safety issue.

Ms. Talvey noted that FDOT had performed preliminary work for a conceptual review which had resulted in two (2) alternatives. The Governor’s Creek project was requested by the City through Clay County for their list of priority projects as being funded under Congestion, Mitigation & Air Quality, or CMAQ. The list would be submitted to the TPO for consideration in July. Ms. Judd recalled that she had not seen the project on the County’s but Ms. Talvey said it was on the list received from the County’s Planning and Zoning Director. Ms. Talvey explained that if the City deleted the project, the Palmetto/M.L.K. Trail project that was a separate funding source would be transferred to a federal Transportation Alternatives Projects (TAP) fund. In other words, the \$600,000 in funds would be lost in their entirety to the City. These funds could not simply be moved to the Governor’s Creek project. Therefore, Ms. Judd recommended that City Council not delete the Palmetto/M.L.K. Trail project. Ms. Fleet further explained that the Palmetto/M.L.K. Trail was actually included in the portion north of the bridge to the next connection of the bike trail so the bridge was the “gap” in the trail connection. Ms. Forrest suggested the City have a representative at the TCC meeting on May 3rd.

A MOTION WAS MADE BY VICE MAYOR TIMBERLAKE TO RECEIVE THE REPORT AND HAVE THEM (TPO/FDOT) PROVIDE THE COMMENTS FROM TONIGHT AND THEN THE COUNCIL WILL FOLLOW UP WITH THE COUNTY COMMISSION. THE MOTION WAS SECONDED BY COUNCIL MEMBER BUTLER. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.

Ms. Judd agreed with Ms. Forrest’s request that Ms. Fleet attend the May 3rd meeting as the City’s alternate representative to the TPO.

3. FMPA Report - April 2017. *Bob Page*

Discussion ensued with the City Council regarding the FMPA Report for April 2017 as presented by Mr. Page. He also reminded the City Council that Mr. Williams, FMPA CEO, would attend the June 6th meeting and to contact Ms. Clevinger if they wanted to schedule individual meeting times prior to the meeting.

A MOTION WAS MADE BY VICE MAYOR TIMBERLAKE TO ACCEPT THE REPORT. THE MOTION WAS SECONDED BY COUNCIL MEMBER BUTLER. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.

S.A.1. Update on Historic Spring Park Pool Construction schedule. *Mike Null*

Discussion ensued with the City Council regarding the update on the Historic Spring Park Pool Construction schedule as presented by Mr. Null. The last update was presented on April 18th. Although not complete, Mr. Null provided the following list of items not completed to date:

- HVAC – re-locate one wall unit per plans. (no projected date)
- Cap Stone – Install one piece of pre-cast that is being re-made. (no projected date)
- Pebbletec Finish coat at the Spring Head and the Outfall. (scheduled for 5/1 but did not happen; no further update)
- Railing – 2 subs have work left to complete. One has to complete the handrails above the IWF and around the Spring. The other has to complete the railing around the observation decks and the stairs. (No projected date is provided at this time for either.)
- Marcite (finish coating) inside the pool. (scheduled for 5/2)
- Interactive Water Feature:
 - Finish coat on the wet deck (scheduled for 4/29 but did not happen, no further update)
 - Operations check.

Based on the amount and scope of work left to be completed, City staff was of the opinion that Core had not met their April 28 substantial completion deadline. As such, staff recommended that, per the agreement, liquidated damages be increased to \$1,000 per day beginning on April 29, exclusive of Sundays.

The City Council expressed their continued disappointment in the contractor for not meeting his projected dates.

Jay Chung, President of Core Construction, 8375 Baymeadows Way, Jacksonville, disputed the comments made by Mr. Null. He reviewed the above issues and his reasons for why the work was incomplete. He insisted that the delays were consistently caused by the City and Mr. Null.

Mayor Lewis questioned Mr. Chung as to whom was ultimately in charge of looking at the plans and coordinating that with the equipment list to be sure that everything is coordinated and done. Mr. Chung explained that there was no one person but multiple sub-contractors. Mayor Lewis expressed her concerns that no one was comparing the plans and the equipment list to make sure everything was coordinated correctly.

Council Member Royal recounted that mistakes were common in large projects such as the Pool and Park due to the numerous people working on the job. He preferred to see the project continue and let the lawyers work through the process after the project was completed.

Mr. Chung advised that the job was pretty much done with the exception of the railing, capstone, and a small amount of punch list items which was ready to be reviewed. With the marcite application and filling of the pool this week, the installation of the railing around the springhead and splash pad by Thursday, and the railing for the spiral staircases left to be installed, he believed the spiral railing could be installed by two (2) weeks.

Ms. Judd noted the letter writing campaign was started by Mr. Chung's lawyer. She wanted to see the project completed but felt there would be a substantial punch list. She recounted how the Site Superintendent had admitted to her that the water flow of the outfall was not put in properly. She did not believe the project would be completed until June. Mr. Null concurred there would be a massive punch list that would take a long time to complete.

Mr. Chung countered that his lawyer would not be having this letter campaign if there had not been liquidated damages. He felt it was not necessary and did not make them work any faster. It was antagonistic and all he wanted to do was get the job done. He wanted to do the best job for the City. As long as it continued, his attorneys would fight back and it would have to be hashed out leagally.

A MOTION WAS MADE BY COUNCIL MEMBER KELLEY TO ACCEPT THE REPORT AND INCREASE LIQUIDATED DAMAGES TO \$1,000 PER DAY, PER CONTRACT, EFFECTIVE APRIL 29, 2017, EXCLUSIVE OF SUNDAYS, ON CORE CONSTRUCTION ON THE HISTORIC SPRING PARK POOL CONSTRUCTION PROJECT. THE MOTION WAS SECONDED BY VICE MAYOR TIMBERLAKE.

Council Member Royal stated he would not support the motion because he believed the contract was the contract. From this point forward, he also wanted a report on the legal fees incurred by Mr. Franson and what they are projected to be. Mr. Arnold advised that Mr. Franson submitted itemized invoices.

Ms. Judd expressed her frustration with the whole situation concerning the letter received just prior to the Council meeting. She was frustrated at losing an entire City crew for the past 12 months.

Vice Mayor Timberlake categorically disagreed with Mr. Chung's claim that the liquidated damages did not cause an increase in work fervor. He knew for a fact that Mr. Chung has sent notices to every one of the subcontractors stating they would incur liquidated damages if they did not hit a March 31 date. What he does with them is on him. Vice Mayor Timberlake did not feel that they had out the same amount of attention and focus on the project starting in July through December and, as such, this is what had brought the City to this point. He would support the motion as stated. Council Member Butler concurred stating it should have been completed in December.

THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – B. VAN ROYAL.

At this time, Mayor Lewis advised that they would read and present the Proclamation for Cinco de Mayo.

1. Proclamation – Cinco de Mayo – Mexican Consulate

Mayor Lewis read the Proclamation into the record (see attachment marked Exhibit "E"). Mayor Lewis presented it to Mr. Juan Sabines Guerrero, the Mexican Consul, who thanked the City Council for the recognition and their support.

**S.A.2. Approval of Operating Plan for Historic Spring Park Pool through October 1, 2017.
*Danielle J. Judd***

Discussion ensued with the City Council regarding approval of an Operating Plan for the Historic Spring Park Pool through October 1, 2017 as presented by Ms. Judd. She distributed a sheet illustrating the proposed schedules and fees and made the following points:

- Lifeguards are high school students;
- Hire a Park Attendant for the Splash pad;
- Gate key access not feasible;
- Four (4) Lifeguards, a Manager, and an Asst. Manager are necessary to operate;
- Vending machines would be located inside the concession area; and
- Revenues and expenses for the pool.

Council Member Kelley expressed his concern regarding the small number of lifeguards and scheduling. He questioned if the Manager and Asst. Manager could serve also as lifeguards to help with scheduling. Ms. Glisson stated she was certified in AED, Oxygen,

CPR, and First Aid but was not certified as a Lifeguard. She had also consulted with the Human Resources Director concerning requirements of the child labor laws.

Council Member Royal questioned if there was any reason why the pool was closed on Wednesdays versus any other day of the week. He suggested closing on Mondays like other businesses such as golf courses. He felt closing on Monday would be a better “down day” for the lifeguards after a busy weekend. He would also like to see a concessionaire offer swim lessons for a fee before the pool opened to the public. Ms. Glisson also suggested water aerobics.

After further discussion of multiple ideas and scenarios including parties and season passes, the following motion was made by Council Member Royal.

A MOTION WAS MADE BY COUNCIL MEMBER ROYAL TO SET THE HOURS OF OPERATION FOR THE POOL AS 11:00 A.M. TO 7:00 P.M., TUESDAY THROUGH SUNDAY, CLOSED ON MONDAYS FOR CLEANING. THE MOTION WAS SECONDED BY COUNCIL MEMBER BUTLER.

Under discussion of the motion, the City Council and City Attorney reviewed the possibility of opening the pool without lifeguards.

A MOTION WAS MADE BY COUNCIL MEMBER ROYAL TO SET FEES FOR THE POOL AT \$4.00 FOR ADULTS, \$2.00 FOR CHILDREN. THE MOTION DIED FOR LACK OF A SECOND.

A MOTION WAS MADE BY COUNCIL MEMBER ROYAL TO SET FEES FOR THE POOL AT \$4.00 FOR ADULTS, \$2.00 FOR CHILDREN, \$3.00 FOR MILITARY AND SENIORS 65 AND OVER, AND CHILDREN TWO (2) AND UNDER ARE FREE. THE MOTION WAS SECONDED BY COUNCIL MEMBER BUTLER. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, AND PAMELA J. LEWIS, MAYOR. NAYS – ROY M. TIMBERLAKE, JR.

Discussion continued on pricing levels and specifics for season passes and concessions and location of vending machines.

The City Council was advised that a vote was not recorded for the motion regarding hours of operation.

THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.

Setting a fee for the pool pavilion was required by Resolution and would be discussed at a later meeting.

Mayor Lewis recognized Joe Sobotta, 212 North Street, Green Cove Springs, who expressed his opposition to placing vending machines outside of the fenced area of the pool due to security and vandalism issues. He wanted to see a lockable building constructed like rest areas on the interstate located in other areas of the park.

4. City Council to approve the 29th Annual Memorial Day RiverFest Celebration. *Kimberly Thomas*

Discussion ensued with the City Council regarding the 29th Annual Memorial Day RiverFest Celebration as presented by Ms. Thomas.

Council Member Royal inquired about a soft opening of the pool. Mr. Arnold stated he had contacted Mr. Franson who had advised that to accept partial acceptance of the project would require a contract between the City, Core Construction, and the insurance company. However, he was unsure of this could be accomplished in the time frame left before Memorial Day. Vice Mayor Timberlake felt the City should wait until the project was substantially complete, passed inspections, and turned over to the City as a functioning pool. The delay of a full opening would be needed until Staff could have a soft opening to work out any kinks. Ms. Judd emphasized the need to wait until the project was done especially in consideration of the expected substantial punch list. Vice Mayor Timberlake concurred that the City had bent over backwards with missed substantial completion dates in December, February, April, and now May and did not believe forcing an opening of the pool before it was complete was in the best interest of the City. Ms. Judd reminded the City Council that a Certificate of Final Completion was required to receive the \$250,000 in State funding.

A MOTION WAS MADE BY COUNCIL MEMBER KELLEY TO RECEIVE THE PROGRESS REPORT FOR THE 29TH ANNUAL MEMORIAL DAY RIVERFEST CELEBRATION TO BE HELD IN SPRING PARK ON MAY 29, 2017. THE MOTION WAS SECONDED BY COUNCIL MEMBER BUTLER. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.

5. City Council review and related action regarding an Application for a Land and Water Conservation Fund (LWCF) Grant for Improvements to Spring Park. *Janis Fleet*

Discussion ensued with the City Council regarding an Application for a Land and Water Conservation Fund (LWCF) Grant for Improvements to Spring Park as presented by Ms. Fleet.

A MOTION WAS MADE BY VICE MAYOR TIMBERLAKE TO DIRECT STAFF TO SUBMIT A 2016-2017 LWCF GRANT FOR IMPROVEMENTS TO SPRING PARK AS CONCEPTUALLY LAID OUT THIS EVENING. THE MOTION WAS SECONDED BY COUNCIL MEMBER KELLEY. THERE BEING NO FURTHER DISCUSSION, THE MOTION WAS APPROVED BY THE FOLLOWING ROLL CALL VOTE: AYES – COUNCIL MEMBERS CONSTANCE W. BUTLER, STEVEN R. KELLEY, B. VAN ROYAL, ROY M. TIMBERLAKE, JR., AND PAMELA J. LEWIS, MAYOR. NAYS – NONE.
