## WHAT WE RECYCLE

At Kimble Companies, we have been helping our Eastern Ohio customers with their recycling efforts since 1994. We want to make your recycling efforts as easy as possible, so here are details on our service.

First, there is absolutely NO SORTING NEEDED. Simply place all your recyclables in your Kimble tote and wait for pickup.

Second, we accept many of your plastic, fiber and non-fiber items.

### We DO accept:

All newspaper, cardboard, plastics #1- #7 (check the bottom of your container for the number inside the triangular recycling symbol, and see below for more details), all colors of glass, aluminum cans, and other bi-metal products.
