\*At this time the Mayor opened the Public Hearing on the 2017-2018 Proposed Budget and Tax Levy increase to Fifty (50) Mills. Mayor Latimer asked that Jim Robinson: City Clerk give an overview of the 2018 budget. Jim Robinson presented the proposed budget and millage for 2018 budget. Mr. Michael Casey, 3350 Greenwood Dr. stated he was not opposed to a tax increase but asked what will we receive as a benefit with this tax increase. Mr. Casey discussed issues in Ward 3 that need to be addressed, including streets and storm drains. Alderman Jones discusses the current issues facing the City and his position that all employees should be treated the same (if one department gets a raise, all should get a raise). Mr. John Whitsitt, 1802 Church Rd. read a statement on concerns in his neighborhood and suggested a tax increase may be necessary to continue to provide services and move forward; he said the City doesn't need to step backwards. Francis Miller, 7180 Benji Ave. stated he received information from the county office that would show where the taxes stand in each City. Mr. Miller referred to the information Mr. Briley had on the size of each City in the State. Mr. Miller stated this tax increase would affect our new/size home starts and businesses. Ms. Jasmine Matthews, 6441 Shadow Oaks Cove asked the reason for the last tax increase in 2013 and the current proposed tax increase. Mayor Latimer and Alderman White stated the 2013 tax increase was due to the incorrect assessment report of the City and the current need of \$400,000.00 for the Horn Lake Road Overlay. Danny Klien, 6986 Allen Dr. asked about the long range plan forecasting this tax increase and how it compares to all other cities in DeSoto County so that the need to raise taxes every four years will not return in four years. Bryan Moore, 3223 Grand Oaks Dr. Hernando, MS stated year-to-date projections need to be monitored and spending needs to decrease. Che Smith, 3312 Cool Springs Rd. asked how we will move forward after 2019 to meet the budget demands. Jim Stacey, 6284 Manchester Dr. stated concerns in the Ravenwood neighborhood, particularly with builders' poor workmanship and renters piling up garbage; he thought if he gave more now, the City would want more later. Mayor Latimer asked for any more comments. With no more comments the public hearing was closed.
