The whole of the Road Tax, and one half of all other Taxes are required to be paid by the 20th of December, and the other half by the 20th of June, 1861.
 Five per cent. penalty is allowed by law in default of such payments.
 If the first instalment of Chattel Tax is not paid by the 20th of December, the whole becomes due and collectable.
 A division of Taxes, on Real Estate, that is delinquent for 1859, is prohibited by law, after the 20th of December.
 Certificates of Road work can be received, only on the first instalment.
 Notes on solvent and specie-paying banks of any State in the "Union"—(provided she dont bust,) will be received in payment of Taxes, but we do ask as a special favor that every Tax-payer will bring coin sufficient to make change; further than, thereby leaving delinquencies "few and far between," and very slight reasons for grumbling at heavy penalties.
