TO THE HONORABLE Gwynn Sanders
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas of said County of the January Term, A.D. 1961, hereby report to the Court that they have been in session one day, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitimately come to our notice, having examined over fourteen witnesses, covering eight cases, and presented seven bills, and ignored one case, considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find that no provision of law for the regulation of County Jails has been violated.

The County Commissioners are to be complimented upon the improved condition of the county jail.

The Grand Jurors respectively recommend that a new roof be installed on the court house and that an elevator be installed in the court house when means for financing can be made available.

Against the following named accused persons, who have been held to answer, no indictment has been found, to-wit:

Lloyd Coder for non support

Respectfully submitted

vs
Robert George Neibler

Case No. G 3714

Filed Feb. 16, 1961

The Defendant appeared before this court on the 16th day of February 1961 and presented to the Court in writing waiver of indictment by Grand Jury which the Court accepts.

Thereupon the Prosecuting Attorney filed an information charging the Defendant with violation of Revised Code 2907.10 and 2907.20.

Thereupon the Defendant stated to the court that he was indigent and without funds to employ counsel and the court then appointed Robert E. Evans, Jr. to represent the Defendant.

The Defendant after consulting with his attorney again stated to the Court that he wished to waive indictment by Grand Jury, acknowledged service of a copy of the information and waived the reading thereof and for his plea to the information said that he is "Guilty" as to each count.

Whereupon said plea of "Guilty" to each count of the information is accepted by the Court.

It appearing to the court that the character of the defendant and the circumstances of the case are such that the defendant is not likely again to engage in an offensive course of conduct, and the public good does not demand or require that he immediately be sentenced.

It is therefore ordered the impsotion of sentence on the said defendant is hereby suspended and he is placed on probation for a period of two years from this date in the manner provided by law, upon the following terms and conditions to wit:

This matter coming before the Court upon the petition of Plaintiff the Court finds the plaintiff has been a resident of Union County, Ohio, for more than one year prior to the filing of this petition and that defendant has been personally served with summons and a copy of the petition but has failed to answer or demur thereto and by reason of such default the allegations of the petition are held to be true; the Court also finds notice of hearing was sent to defendant and his attorney, both of whom failed to appear.

The Court further finds the parties to this action have two minor children, namely, Harold Ott, born August 13, 1952, and Keith Ott, born November 9, 1954; that said children are in the custody and care of plaintiff and should remain in the custody and care of plaintiff, subject to rights of visitation, by the defendant under reasonable conditions, only in the home of plaintiff on the first and third Sundays of each month between the hours of 2:00 o'clock and 4:00 o'clock, said visitation to be made only if defendant has given plaintiff at least twenty-four (24) hours notice of his intent to visit, the Court finding defendant has not visited the children in approximately one and one-half (1-½) years; the Court further finds defendant to be an unfit person to have custody of the children and to take the children away from plaintiff's home.

Case No. 18445

Filed March 9, 1961

This day this cause came on to be heard upon the Petition of the Plaintiff, Answer and Cross-Petition of the Defendant, Answer of the Guardian Ad Litem for Mary Lee Trees, a minor, and the evidence, and the Court finds that it has jurisdiction of the subject matter and that all the parties are property before the Court.

The Court also finds that the Plaintiff is the owner of an estate in fee simple of an undivided one-third (1/3) interest of the 123 acres off the West side of the premises described in the Petition; that Gladys Prose, aka Sister Mary Redempta is also the owner of an undivided one-third(1/3) in said tract; that Suzanne Trees is the owner of an undivided one-sixth (1/6) interest in said tract; that Mary Lee Trees,a minor of the age of 19 years, is the owner of an undivided one-sixth (1/6) interest.

The Court further finds that a survey has been made dividing said premises pursuant to the termsof the Will, being a West tract of 120.6 acres and an East tract of 117.6 acres; that the Defendant, Thomas Kreamer owns a life estate in the 117.6 acre East Tract and that Morse Kreamer has the remainder interest in said 117.6 acre East Tract. The Court further finds that said survey as made by Bruce Keiser, a duly licensed engineer, should be placed of record pursuant to the former order of the Court, and that the costs of said survey be assessed against the real estate and that all parties contribute as their interests appear.

The Court further finds that Plaintiff is enttiled to have partition made of said premises as prayed for in the Petition. the Question of rents and profits is continued and held in abeyance and to be determined at a later date.

This cause came on for hearing this 23rd dayof March, 1961, on the petition of plaintiff, answer and crosspetition of the defendant, and answer to the cross petition of plaintiff and the court finds from the evidence that plaintiff and defendant were for at least one year preceding the commencement of this action bona fide residents of the State of Ohio and that they were at least 90 days immediately before the commencement of this action bona fide residents of Union County, Ohio.

The Court further finds, upon consideration of the evidence presented, that the allegation of the petition of gross neglect of duty by plaintiff, Kenneth Riley has not been substantiated, and the Court does hereby deny the prayer of the petition asking that a divorce be granted.

The Court further finds upon consideration of the evidence presented, that the allegation of gross neglect of duty contained in the cross-petition has been sustained by the evidence, and the Court finds the plaintiff, Kenneth Riley, has been guilty of gross neglect of duty and that Carlos Riley is entitled to a divorce as prayed for.

The Court grants leave of 30 days during which time the parties hereto. may sell saidreal estate and household goods in order to comply with the order of the Court, but if after the expiration of 30 days the property and household goods have not been sold then it is the order of this Court that the said property be sold at public acution. It is the further order of this Court that the 1953 Ford automobile heretofore belonging to the parties, in this action shall henceforth be the sole property of Kenneth Riley. It is further ordered that Carlos Riley elect either to keep the 1960 Corvette automobile belonging to the party, in which event she is to be the sole owner thereof and assume and pay the mortgage on said automobile, or elect to sell said automobile within 30 days in which event the morgage on said Corvette is to be paid by applying the proceeds of sale toward its satisfaction.

JOURNAL ENTRY ON INFORMATION
FOR FORGERY (3 COUNTS)

State of Ohio
vs
William Shirk

Case No.3721

Filed April 6, 1961

The Defendant appeared before this Court on the 5th day of April, 1961 and presented to the Court in writing waiver of indictment by Grand Jury which the Court accepts.
Thereupon the Prosecuting Attorney filed an information charging the Defendant with three counts of forgery in violation of Revised Code 2913.01.
Thereupon the Defendant stated to the Court that he was indigent and without funds to employ counsel and the Court then appointed Joseph B. Grigsby, to represent the Defendant.
The Defendant after consulting with his attorney again stated to the Court that he wished to waive indictment by Grand Jury, acknowledged service of a copy of the information, and waived service for more than 24 hours. The Court then read to the Defendant each of the counts in the information. The Defendant then entered a written plea of "Guilty" to each count.
Whereupon said plea of "Guilty" to each ount ofthe information is accepted by the Court.
The Defendant was then inquired of if he had anything to say why judgment should not be pronounced against him; and showing no good and sufficient cause why judgment should not be pronounced, it is therefore considered and adjudged by the Court that the Defendant, William Shirk, be imprisoned and confined in the Penitentiary of this State, and keptat hard labor, but without any solitary confinement for a period of not less than one nor more than 20 years on each count of the information, said sentences to be served concurrently, and that he pay the costs of this prosecution for which execution is awarded.

This cause came on to be heard on the petition and the evidence and on consideration thereof, the court finds that the defendant has been duly served with personal service as provided by law and that he is in default for answer or demurrer and the facts set forth in said petition are true; that plaintiff was a dresident of Union County, State of Ohio, for more than one year immediately prior to the filing of her petition and that the parties were married as set forth in the petition and have as issue of said marriage one child namely Kay Akey, born September, 10, 1956; that said child is now in the custody of plaintiff and that plaintiff is a suitable person to whom should be confided the exclusive care and custody of saidminor child.

Case No. 3723

Filed April 28, 1961

The Defendant appeared before this Court on the 27th day of April, 1961 and presented to the Court in writing waiver of Indictment by Grand Jury which the Court accepts.

Thereupon the Prosecuting Attorney filed an information charging the defendant with two counts of writing checks with insufficient funds in violation of Revised Code Section No. 1115.23.

Thereupon the Defendant stated to the Court that he was indigent and without funds to employ counsel and the Court thenappointed C. A. Hoopes to represent the Defendant.

The Defendant after consulting with his attorney again stated to the Court that he wished to waive indictment by Grand Jury, acknowledged service of a copy of the information, and waived service for more than 24 hours. The Court then read to the Defendant each of the counts in the information. The Defendant then entered a written plea of "Guilty" to each count.

Whereupon said plea of "Guilty" to each count of the information is accepted by the Court.

The Defendant was then inquired of if had anything to say why judgment should not be pronounced against him; and showing no good and sufficient cause why judgment should not be pronounded, it is therefore considered and adjudged by the Court that the Defendant, Samuel Max Robertson be imprisoned and confined in the Penitentiary of this State, and kept at hard labor, but without any solitary confinement for a period of not less then one nor more than three years on each count of the information,said sentences to be served concurrently, and thathe pay the costs of this prosecution for which execution is awarded.

The Court further finds that there is due the plaintiff from the defendants on the promissory note set forth in the petition , the sum of $4785.24 with interest at 8% per annum from March 22,1961.

The court further finds that in order to accure the payment of said note, the defendants, Glen C. Skaggs and Helen Skaggs, executed and delivered to the said Union County Federal Savings and Loan Assn., plaintiff, their certain mortgage as in the petition described, and on the premises therein described; that said mortagage was duly recorded in Mortgage Book 171, page 239, of the Records of Mortgages of Union County, Ohio, and is a good and valid lien on the premises described in thepetition, and that the conditions in said mortgage have been broken.

It is therefore considered by the court that the plaintiff recover from the defendants the sum of $4785.24 with interest at the rate of 8% per annum from March 22, 1961, and its costs herein extended.

It is further adjudged and decreed that unless the defendants, Glen C. Skaggs and Helen Skaggs, shall, within three (3) days from the entry of this decree, pay or cause to be paid, to the Clerk of this Court, the costs of this case, and to the plaintiff herein, the sum so found to be due as aforesaid, the defendants equity of redemption be foreclosed, and said premises be sold, and that an order of sale issued therefore to the Sheriff of Union County, Ohio, directing him to appraise, advertise and sell said premises as upon execution and report his proceedings to this court fro further order.

William Moody

This cause came to be heard on the 6th day of July, 1961, before the Honorable Gwynn Sanders, Judge, and the Jury,

Thereupon the Jury of Twelve and an alternate juror were duly impaneled and sworn.

Thereupon testimony and evidence were presented by the State of Ohio and by the Defendant.

And the said Jury, having heard the testimony adduced by the parties, the arguments of counsel, and the charge of the Court, after deliberation thereon, returned the following verdict, to wit:

We, the Jury in this case, duly impaneled and sworn and affirmed, find the Defendant William Moody Guilty of receiving or concealing stolen property, in manner and form as he stands charged in the Indictment, and we do determine the value of the property received or concealed at $700.00

Dated July 6th, 1961 "F.K. McDaniel" Foreman

And thereupon the Defendant was ordered into the custody of the Sheriff to await sentence.

The Defendant was brought into Court on the 7th day of July,1961, in the custody of the sheriff, and informed by the Court of the verdict of the Jury, and inquired of if he had anything to say why judgment should not be pronounced against him; and showing no good and sufficient cause why judgment should not be pronounced:

This day this cause came on to be heard upon motion of defendant to strike various words and phrases from the third amended petition.

The Court bing fully advised in the premises finds that branches, 1, 3 and 4 of said motion are not well taken and over-rules the same.

The court further finds that the following words and phrases should be stricken from the petition.

"That while defendant was driving on North Main Street, between the public square and fourth street, which he knew was the business section of Marysville, Ohio, defendant drove his automobile through the intersection of Main and Fourth Streets, where a traffic light has been erected, at a speed of sixty miles per hour, at which time, while defendant was so operating his motor vehicle in the business district, aforesaid, he was driving said car with indifference to consequences of his acts, and further was ready and willing to take chances in the operation of the 1958 Edsel Convertible automobile, even though the taking of said chances would mean danger for plaintiff's decedent and himself. That while operating said car in a northerly direction at a speed of 60 miles per hour andat a point within close proximity of the Chevrolet Garage, was a prominent chuch-hole in the street, which defendant knew was a situation of danger, he hit said chuch-hole in the street, and therafter increased his speed to 70 miles per hour, and while knowing tha t he was not then maintaining an effective lookout ahead and knowing that he was approaching the New York Central Railroad tracks which he knew to be rough and bumpy and thus creating a dangerous condition at that time and place."

"Plaintiff further says that at this point of in Main St. and Elwood Ave., Main Street curves to the left and becomes narrow. This defendant while it was dark, and this section of the area was unlighted and the location at this time and place created existing dangerous surroundings, conditions and circumstances, which defendant knew, notwithstanding his knowledge of the dangerous surroundings afore said and being conscious of the curve in the street he continued in the direction in which his automobile was traveling, so that it passed the junction of Elwood Ave. and Main Street, and into the narrow part of Main Street at a curve to the left and into a dangerous place. Plaintiff further says defendants conduct in driving his motor vehicle at said time and place, and under such existing surroundings aforesaid, that from his knowledge he was conscious that from such circumstances and surroundings and existing conditions that his conduct would in all probability result in injury all of which was well known to defendant. That at the time and place aforesaid defendant continued to drive without any care whatsoever and in utter heedlessness to the person's jeopardy and with such conscious and wanton misconduct on part of said defendant, all of which was known to said defendant."

"Plaintiff further avers that defendant, Richard Seitz, knew by reason of the aforesaid dangerous conditions and surroundings at said time and place as set forth herein, his readiness to take changes, his indifference to the consequences of his driving , and while knowing that he was not then maintaining, nor able to maintian an effective lookout ahead, and while operating his motor vehicle under such circumstances he was unable to and did not so direct his automobile so as to avoid a collision as herein after alleged, and as follows:"

"Said defendant in operating the motor vehicle aforesaid skidded the same for a distances of 228'3" at which time and place he ran over the berm of the street and up a tree. This distance on the narrowest part of Main Street is approximately 500' from the intersection of Elwood Ave. and Main Street, which was know to defendant at which point defendant lost control of his automobile and when the same collided with the tree aforesaid it do so with such impact that plaintiff's decedent, John DeGood, was so injured that he thereafter died from said injury."

"Plaintiff further says that defendant in so driving his automobile was guilty of wanton misconduct toward plaintiff's decedent, which wanton misconduct directly and proximately caused the death of John DeGood, at said time and place.

Carroll, Venia Carroll and Carl Jack Kreakbaum, dated March 8, 1960 to Ald Inc. securing promissory notes in the respective amounts of $18,873.96 and $1,090.74, the Court finds there is due on said promissory notes and chattel mortgages as of June 30,1961, $13,930.78 and on the second note $805.97 and that nothing since said date has been paid toward the satisfaction of this obligations; that the income of the business has not been sufficient to meet these mortgage payments and other expenses and that Walter E. Joan Croy Kestella
Plaintiff

vs

John Charles Kestella
Defendant

Case No. 17842

Filed Sept 13, 1961

This cause came on for hearing upon the motion of plaintiff, Joan Croy Kestella, the defendant being in default and having been duly served with notice as provided by law.

The court finds from the evidence presented that the defendant, John Charles Kestella, is delinquent in his support payments and has unpaid installments from the 10th day of December, 1957, said delinquent installments amounting to the sum of $7,440.00. The court further finds that the prior decree of this court,dated September 28, 1957, is in full force and effect and remains unmodified; that the real estate of the parties which was to be sold at private or public sale and the proceeds divided under the aforesaid decree of September 28, 1957, has, in fact, not been sold and that plaintiff has been making the mortgage payments herself. The court further finds that said real estate is reasonably worth the sum of $8,500.00, that on September 28, 1957, said real estate was encumbered by a mortgage to Union County Federal Savings and Loan Association of Marysville, Ohio, with the balance of $5,400.93, that said mortgage now has a balance of $4,215.79.

It is the order of this court that the decree of September 28, 1957, be modified and that defendant pay the delinquent and unpaid installments of support, in the amount of $7,440.00, in a lump sum. Judgment is hereby rendered in favor of said plaintiff and against said defendant in the sum of $7,440.00. It is further ordered that the decree of September 28, 1957, be modified and the real estate is awarded to the plaintiff free of any rights of the defendant, said real estate further being described as follows:

Situated in the Village of Marysville, County of Union, State of Ohio, and being part of Out Lot No. 29. Beginning at a stake in the North line of Fifth Street, southeast corner of Mary Coleman's part of said outlot; thence with the north line of said Fifth Street S. 85 deg. 61½ feet to a stone southwest corner to Andrew Taylor's devisees' part of said Outlot; thence with the West line of said last named lot N. 5 deg. E. 167 feet to a stone northwest corner of said Taylor's lot; thence N. 85 deg. W. 61½ feet to a stake northeast corner of said Mary Coleman's lot; thence with the East line of her lot S. 5 deg. W. 167 feet to the beginning.

It is ordered that the Clerk file so much of this entry as is necessary with the Recorder of Union County, Ohio, to convey the title to said real estate from John harles Kestella to Joan Croy Kestella. It is further ordered that the sum of $1,033.02, said sum being theequity of the defendant in the real estate, prior to this decree, be credited as partial payment toward the judgment herein awarded plaintiff.

Therefore, it is ordered, adjudged and decreed that the Defendants, Thomas Kreamer and Morse Kreamer, pay the sum of Two Thousand Two Hundred Fifty Dollars ($2,250.00). Said payment to be made to Coleman & Lehigh, counsel for the Plaintiff.

JOURNAL ENTRY

Doris Sedgwick
Plaintiff
vs
Roland Sedgwick
Defendant

Case No. 17981
Nov. 24, 1961

The plaintiff filed a motion September 15, 1961, asking for a hearing and an order for defendant to appear and show cause why he should not be punished for contempt. The motion was assigned by the Court for September 28 and notice given. Because of illness of Roy Warren Roof, counsel for the defendant, the hearing was contained until a later date.

On November 10, 1961, this Court re-assigned the hearing for November 21, 1961 at 10 a.m. Notice was given to counsel. Plaintiff appeared with her counsel on November 21 at 10 a.m. Defendant's counsel, Roy Warren Roof was contacted by telephone and Mr. Roof stated that he would attempt to contact his client and sometime during the day of November 21, 1961, appear on the motion. Neither defendant nor his counsel appeared at the assigned time, nor subsequently thereto.

By journal entry on January 24, 1961, approved by counsel for plaintiff and defendant, the defendant was to pay into court one-half of his gross income until a delinquency of $3,142.30 had been paid in full. Defendant was further ordered to file with the court a statement of all his earnings and expenditures at the end of each three months; namely, March, June, September and December of each year. The records of the Clerk of Courts indicate that this was accomplished for March, 1961, but has not been done for June, 1961, nor September, 1961.

The testimony of the plaintiff on November 21 plus a study of the records in the office of the Clerk of Courts show that the defendant is further in default of support payments over and above the $3,142.30 delinquency that had been shown on January 24, 1961; that the financial accountings that had been ordered for each quarter have not been applied for June,1961 nor September, 1961; and IT IS THEREFORED ORDERED BY THIS COURT that the defendant be given until December 6, 1961, at 12 noon, to furnish the Clerk of this Court with sworn statements of his earnings and expenses for the period April 1 through June 30, 1961, and also the same type of statement for the period July 1 through September 30, 1961; and any failure to comply with this order will be a contempt of this court.

IT IS A FURTHER ORDER OF THIS COURT that any delinquency that has arisen in this proceeding since January 24, 1961, will be due and payable in full by January 1, 1962. This order as to the current delinquency is based on testimony that the defendant has been working on construction jobs in Delaware County, Ohio, and Riverside Hospital, Franklin County, Ohio, and has done extra work over and above his regular employment during this period of this delinquency.

THE COURT is preparing the entry, sending the original to the Clerk with copies to Roy Warren Roof, Kenton, Ohio, William Coleman, Marysville, Ohio, and a copyfor the defendant at 733 London Avenue, Marysville, Ohio.

Defendant

Case No. 18390
Nov. 25, 1961

This matter coming before the Court on motion of plaintiff for an order citing defendant to show cause why he should not be punished as for contempt of court, the Court finds the defendant was personally served, by the Franklin County Sheriff, with notice of this hearing ordering him to appear November 18, 1961, at 11:00 o'clock A.M., but that said defendant failed to appear.

From the recordsof the Clerk of Courts, the Court finds the defendant has wholly failed and refused to support said children and has paid nothing on the prior order of this Court since November 25, 1959, and that he is therefore in contempt of Court and should be punished.

It is therefore ordered and decreed that the said Richard J. Tiller be imprisoned for six months in the County Jail of Union County, and that a warrant issue for such commitment. Costs of this proceeding taxed to defendant.

This matter coming on for hearing on motion of plaintiff for a modification of prior support orders, both parties appearing with their counsel, the Court finds from the testimony and evidence that the children of these parties are now ages 10 and 7; that defendant's income has increased from the time of the prior decree and he is now earning approximately $80 to $85 per week, that expenses for the support of the children have increased and the support payments should be increased.

It is therefore ordered, until further order of the Court, that beginning the 25th of November, 1961, defendant shall pay through the office of the Clerk of the Courts, plus poundage, the sum of $25.00 per week for the support of his minor children; that he furnish glasses for said children as they are required and he include said children under hospitalization insurance now held by him and that he be responsible for medical careof the children to the extent of such coverage now had by him. State of Ohio 3754

Anderson North, Defendant Feb. 27, 1962

Receiving and Concealing Stolen Property.

The Defendant appeared in open Court in custody of the Sheriff on February 26, 1962 for arraignment for the indictment herein charging him with violation of Ohio R. C. 2907.20 and 2907.30.

The Defendant, after being advised of his rights by the Court, waived his right to be represented by counsel, acknowledged receipt of a copy of the indictment herein, waived service for more than twenty-four hours, and stated that he was ready to proceed.

The Court thereupon read the indictment in open Court and the Defendant for his plea thereto, says he is "Not Guilty" to the first count of the indictment, charging violation of 2907.20 of the Ohio Revised Code, and says that he is "Guilty" as to the second count of the indictment charging violation of 2907.30 of the Ohio Revised Code, receiving and concealing stolen property.

Thereupon the Prosecuting Attorney asked the Court for leave to nolle prosequi as to the first count of the indictment, and upon good cause being shown, the Court so ordered.

The Defendant was then inquired of by the Court if he had anything to say why judgement should not be pronounced against him; and showing no good and sufficient cause why judgment should not be pronounced,

ORDER GRANTING PETITION
DISPENSING WITH REAPPRAISEMENT
AND ADDITIONAL BOND AND
AUTHORIZING PRIVATE SALE

Albert Fensel, Administrator
of the Estate of
Pearl McCullough, deceased
Plaintiff 19064

vs
Frederick Fensel, Administrator 7/7/62
of the Estate of Clara McCullough
R#1, Marysville, Ohio; et al
Defendants

This matter came on to be heard on the petition filed by the plaintiff herein for authority to sell real estate of Pearl McCullough,deceased, to pay the debts of his estate, other pleadings filed herein, and the evidence.

Upon consideration whereof, the Court finds that all of the defendants herein have been duly and legally served with process or have voluntarily entered their appearance and consent to the sale prayed for, and are properly before the Court, that the allegations contained in the petition are true and that the prayer of the petitioner should be granted; that it is necessary to sell the real estate described in the petition to pay the debts and costs of administering the estate of Pearl McCullough, deceased, together with the years allowance to the widow and the exemption set aside to the surviving spouse; that the real estate described in the petition was appraised by the appraisers of the estate of the said Pearl McCullough for a total of Twelve thousand dollars ($12,000.00) and upon application of the plaintiff the Court dispenses with a new appraisement and confirms the said appraisement of the real estate sought to be sold.

The Court further finds that the bond heretofore given by the plaintiff as Administrator of the Estate of Pearl McCullough, deceased, in the amount of Twenty-five thousand dollars ($25,000.00) in the Probate Court of Union County, Ohio, is sufficient and that no additional bond shall be required of the plaintiff.

It is now ordered that albert Fensel, as Administrator, proceed to sell said real estate at private sale for cash and at not less than Twelve thousand dollars ($12,000.00), being no less than said appraised value.

It is further ordered that the said Administrator make due return of said sale without unnecessary delay.

JOURNAL ENTRY

Village of Marysville
Plaintiff-Appellee 3790

vs
Richard Ira Young 10/5/62
Defendant-Appellant

This day this cause came on to be heard upon the appeal from the judgment and conviction of the Magistrates Court of the Village of Marysville, Ohio, and upon the assignments of errors of defendant-appellant, the transcript of the docket, pleadings and proceedings in the Magistrates Court of the said Village of Marysville, the brief of defendant appellant and the evidence.

The Court finds that the Village of Marysville is being governed and is operating under a charter form of goverment adopted by the electorate of said Village; and that by the provisions of Section 2.06 of said charter the Village has attempted to set up and operate a Magistrates Court within the Village having jurisdiction to hear and determine civil and criminal cases arising under the Ordinances of the Municipality and statutes of the State. The Court further finds that William J. Porter, Magistrate, is not an elected official of the Village of Marysville but that under the provisions of said charter and the actions of the Village Council he is the duly appointed, qualified and acting Magistrate of said Magistrates Court.

The Court further finds that as a matter of law, Municipalities of this State have no power, by charter or otherwise to create courts and appoint judges thereof, such exercises of power being in violation of section 1 and 10 article 4 of the Constitution of the State of Ohio.

The Court further finds that the charter of the Village of Marysville does not save or preserve to the Village or to its officials the judicial power given and delegated by the General Assembly of the State of Ohio to non-charter forms of Municipal government permitting said municipalities under general law to set up and operate an inferior court.

For these reasons the Magistrates Court as constituted, as operating and as defined, outlined and set up by the charter of the Village of Marysville and those parts, sentences and phrases of Section 2.06 of said charter referring to and creating said Magistrates Court is unconstitutional and said court has no legal authority to require any person charged with violation of an ordinance of the Village to appear before said Court and it is without jurisdiction to impose a fine or sentence under any Village Ordinances or State Statute.

This Magistrates Court and the Judge thereof hasno power or authority or jurisdiction to issue a warrant of arrest or to hear and determine any criminal charge or to clothe any person with judicial authority. Every act of the Magistrates Court in the instant case, from the signing and issuing of the warrant on; and all of said Court's proceedings are completely void, and said Court is a nullity.

The motion of the defendant to quash the warrant and its service upon the defendant and the plea of abatement to the jurisdiction should have been sustained. The judgment, conviction, fine and sentence by the Magistrates Court is void ab initio and said judgment is hereby reversed; the defendant released and costs to be paid by the plaintiff-appellee. It is further ordered that the Clerk of this Court return and refund the appearance bond posted by the defendant-appellant and filed herein to said defendant-appellant.

We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find that no provision of law for the regulation of County Jails has been violated.

Against the following named accused persons, who have been held to answer, no indictment has been found,

Lawrence Pitt for non-support

Defendants

This cause coming on to be heard on the return of the Sheriff, and the report of the commissioners heretofore appointed herein, and on the motion to confirm the same, and it appearing to the Court that said premises cannot be divided by metes and bounds without manifest injury to the value thereof, and that the commissioners have appraised said premises at $32,833.33, the Court finds said return sandproceedings in all respects in conformity to law, and the orders of the Court, and do therefore approve and confirm the same.

And it appearing to the Court that the defendant Robert Dellinger has elected to take said premises at their appraised value, the same are, hereby adjudged to him, and the Sheriff is ordered to convey said premises to said Robert Dellinger by deed in fee simple, upon his payment to the Sheriff of said purchase price, or presentation of receipts of his having paid their rightful shares of thepurchase price as determined by this entry, directly to any other parties to the action; and said Robert Dellinger is subrogated to the rights of all the parties hereto for the protection of his title.

And the Court coming now to determine the distribution of the purchase price, finds the total costs of this action, $1,622.51 shouldbe deducted from the gross sale price, leaving a net price of $31,210.82 or $7,802.70 per quarter interest; that the one-fourth interest of the defendants Ted Dellinger and Robert Dellinger is not subject to the mortgage of The Prudential Insurance Company of America which tital including interest according to the terms of said mortgage at 8% from the 1st day of November, 1961 is $4,086.00 and that said sum should be deducted from the undivided three-fourths interest of the other parties($23,408.12), leaving as the interest of the undivided one-fourth of Pauline Dellinger, of Martha Dellinger and the undivided one-fourth interest which is subject to the concurrent life estates of Pauline Dellinger and Martha Dellinger worth $19,322.12, or $6,440.70 each.

The Court further finds Martha Dellinger and Pauline Dellinger are the owners of a life estate in the remaining one-fourth interest and that said life tenants are of the ages of 68 and 78 years respectively; that the amount to be distributed among the owners of the remainder interest in the one-fourth interest in aid real estate is that sum of $6,440.70 less the value of the concurrent life estates of Martha Dellinger and Pauline Dellinger; that the joint life expectancy, two lives, ages 68 and 78 years is 18.5 years or that the present value of $1.00 at 5% based upon ordinary joint life and last survivor (18.5 years) is $0,40562730 according to joint and last survivor mortality tables as presently used by U. S. Internal Revenue Service and the amount due Martha Dellinger and Pauline Dellinger for the commutation of their concurrent life estates in this one-fourth interest is $2,613.97 and that remainder interest is valued at $3,826.73 which is divided:

Robert Dellinger, one-tenth or	$382.67	
Ted Dellinger, one-tenth or	$382.67	
Henry Dellinger, one-fifth or	$765.34

This day this cause came on to be heard upon the pleadings, evidence and arguments of counsel. On consideration thereof, and the Court being fully advised in the premises, finds that the defendant has been duly and legally served with summons and that he has failed to appear and is in default for answer or demurrer to the petition thereby confessing the allegations thereof to be true.

G. David Marshall &

Filed May 6, 1963
Case No. 18898

This cause now coming on for hearing on the pleadings and the evidence, the court finds that all defendants are properly before the court; that the defendants, G.David Marshall and Mary Louise Marshall, are in default of answer or demurrer and that the allegations of the petition are thereby confessed by them to be true.

The court further finds that there is due the cross-petitioner, Cardinal Industries, Inc., on the lien set forth in its cross-petition, the sum of $769.41; and the court further finds that there is due the cross-petitioner, Bartholomew Plumbing Company, on the lien set forth in its cross-petition, the sum of $813.32; and that both of said liens are good and valid liens on said real estate. Determination of the claim in the cross-petition of the J.H. Zinn Lumber Company is continued.

The court further finds that there is due the plaintiff from said defendants, G.David Marshall and Mary Louise Marshall, on the promissory note set forth in the petition, the balance from the sale of said real estate, after court costs, Sheriff's fees, tax, and insurance in the amount of $92.63 advanced by the plaintiff, in the sum of $8,389.26.

The court further finds that in order to secure the payment of said note the said defendants executed and delivered to the plaintiff their certain mortgage as in the petition described and on the real estate therein described, that said mortgage is a good and valid lien on the real estate described in the petition and that the conditions in said mortgage have been broken.

It is therefore considered by the court that the plaintiff recover from the defendants, G.David Marshall and Mary Louise Marshall, the said sum hereinbefore found due and its costs herein expended.

It is therefore adjudged and decreed that unless the defendants shall, within three days from the entry of this decree, pay or cause to be paid to the clerk of the court the costs of the case and to the plaintiff herein the sum so found due as aforesaid, the defendants' equity of redemption be foreclosed and said real estate be sold and that an order of sale issue therefor to the sheriff of the county, directing him to appraise and sell said property as upon execution, and report his proceedings to the court, for further order. The court is not, at this time, determining the priority of the above liens.

Billye Rothwell
Marysville, Ohio R#5,
Plaintiff

-vs-

Thomas A. Rothwell
Marysville, Ohio R#5,
Defendant

This matter coming on for trial on the petition of plaintiff, the Court finds plaintiff was a bona fide resident of Union County, Ohio, for more than one year immediately prior to the filing of the petition, that defendant was duly served with summons and a copy of the petition and the Court therefore has jurisdiction of the subject matter and of the parties and defendant has not pleaded and the allegations of the petition are thereby considered to have been confessed to be true.

The Court further finds the parties were married on the 23rd. day of January, 1946 and there are three children issue of the marriage, namely: Michael, aged 12, John aged 10, and Kristin aged 6, as alleged in the petition; that defendant has been guilty of gross neglect of duty and by reason thereof, plaintiff is entitled to a divorce as prayed for.

The Court further finds from the testimony and evidence and the investigation as required by Ohio Revised Code, Section 3105.08, that both parties are fit persons to have the care, custody and control of the minor children but that on the 23rd. day of January, 1963 the parties entered into a separation agreement setting property rights and provisions for the custody and support of the minor children in which agreement it was provided the plaintiff shall have the custody of the children subject to certain visitation rights by the defendant and that said separation agreement as it pertains to property rights and custody is reasonable and should be confirmed. The Court further finds the provision of the separation agreement concerning payments by the defendant for alimony and support are being met but the lump sum payment of $4,000.00 has not yet been made.

It is therefore ordered, adjudged and decreed that the marriage heretofore existing between Billye B. Rothwell and Thomas A. Rothwell be and hereby is dissolved and held for naught; it is further ordered the separation agreement made by the parties dated January 23, 1963, be and hereby is approved and made a part of this decree, subject to future modifications upon proper showing of change of circumstances as to matters of custody and support.

Now, therefore, in consideration of the premises, each party hereto does hereby release and discharge the other from all obligations of support, and from all other claims, rights and duties arising or growing out of said marital relation; and said parties mutually agree that each party hereto may freely sell or otherwise dispose of his or her own property, by gift, deed or last will and testament, and each party is by these presents hereby barred from any and all rights or claims by way of dower, inheritance, descent, distribution, allowance for twelve (12) months' support, right to remain in the mansion house, and all rights or claims as widow, widower, heir, distributes, survivor, or nest of kin, and all other rights or claims whatsoever, in or to the estate of the other, whether real or personal, and whether now owned or hereafter to be acquired, which may, in any manner, arise or accrue by virtue of said marriage.

And each party hereto, for the considerations aforesaid, does hereby release and relinquish to the other, and to the heirs, executors, administrators, devisees, legatees and assigns of the other, all claims or right of dower, inheritance and distributive share, or as widow, widower, heir, survivor, distributee or next of kin, in and to all the estate of the other, whether now owned or hereafter acquired, and all claim or right to an allowance for twelve)12) months' support, or to reside in the mansion house, and all other rights or claims whatsoever, which may, in any manner, arise or accrue by virtue of said marriage.

And each party further agrees that the other party shall have full liberty to dispose of all his or her property, real and personal, whether now owned or hereafter acquired, during life, or by last will and testament, and that, upon the death of such party, all of his or her property, real and personal, which shall not have been disposed of, during life or by last will and testament, shall descent to, vest in and be distributed to, such person or persons as would be entitled to the same by the statutes of descent and distribution of the State of Ohio then in effect, had the surviving party died during the life of the other party.

Filed June 3, 1963

Fleta Jenkins
250 Shepper Ave.,
Plain City, Ohio

Plaintiff

-vs-

Earl B. Jenkins
425 N. Liberty St.,
Delaware, Ohio,

Defendant

This matter coming on to be heard on the petition of plaintiff, the Court finds defendant has been duly served with summons and a copy of petition as required by law; plaintiff has been a resident of Union County, Ohio, for more than a year last past and the parties were married as alleged in the petition, having one child issue of the marriage, namely Carl Earl Jenkins, aged 12, who resides with plaintiff.

The Court further finds the defendant is in default for answer or demurrer to the petition and that the allegations of said petition are thereby confessed by him to be true, and upon the testimony of plaintiff and witnesses the Court finds defendant has been guilty of gross neglect of duty and by reason thereof plaintiff is entitled to a divorce.

The Court further finds the parties have between themselves adjusted their property rights in that defendant has quit-claimed his interest in the residence to plaintiff and has abandoned the household furniture to her and has agreed to pay the sum of $10.00 per week for the support of the minor child, which settlement is approved and confirmed.

It is therefore ordered, adjudged and decreed that the marriage heretofore existing between Fleta Jenkins and Earl B. Jenkins be and hereby is dissolved, that defendant pay to the office of the Clerk of Courts the sum of $10.00 per week for the support of the minor child, plus poundage, that he have reasonable visitation rights and that costs of this proceeding be taxed to plaintiff.

Hinderer, the codicil thereto, and the order of the Probate Court of Union County, Ohio, in evidence; and the contestants of said will and codicil thereto, electing not to submit any evidence to the Court, the Court directed the jury to return a verdict in favor of the validity of said will and codicil.

Thereupon, the jury returned the following verdict in writing:

" We the Jury, being duly empaneled and sworn and affirmed, on the issue joined herein, find that the paper writing shown to us, and admitted to Probate in the Probate Court of Union County, State of Ohio, on the 1st. day of November, 1962, purporting to be the last will, testament and codicil of Edward H. Hinderer, deceased, is the valid last will, testament and codicil of said Edward H. Hinderer, deceased.

"And we do so render our verdict upon the concurrence of twelve members of our said jury, that being three-fourths or more of our number.

Each of us said jurors concurring in said verdict signs his name hereto this 19th. day of June, 1963.

Erma S. Cosgray	Robert D. Bayes
Betty Drumm	J.J. Anderson
Edward Webb	Virginia MacCoy

And it is ordered tha a certificate of this judgment be transmitted to the Probate Court of Union County, Ohio.

This cause came on for hearing on the 21st. day of June, 1963, on the petition and the answers of John W. Dailey, Jr., Guardian Ad Litem of Sharn Stillings, Wilma Stillings, William Stillings, Ray Stillings, Elouise Stillings, Betty Jo Stillings and Sue Stillings and of Richard E. Parrott, Guardian Ad Litem for the defendant, Elizabeth Ferrell, an incompetent, and the evidence and the court finds that it has jurisdiction of the subject matter and all parties, and that all defendants have been either waived service of summons or have been properly served and are now before the court.

The court also finds that Estella Davis life tenant of the property described in the petition died on November 22, 1962, thereby terminating her life estate, and that the remainder interest in said property is therefore vested under the will of Thomas Stilling in the "legal representatives" of William Stillings and French Stillings, both now deceased.

The Court finds that the plaintiff, Vinton Stillings, is the owner of an estate in fee simple in an undivided 1/12 interest in the real property described in the petition; that plaintiff is entitled to have partition in said premises as prayed for in the petition; and that the other fractional interest owned by the defendants under the terms of the will of Thomas Stillings are as follows:

Elizabeth Ferrell	1/10	Marlin Stillings	1/1080	Millard Stillings	1/80

It is therefore ordered, adjudged and decreed that partition of said property be made, and three disinterested and judicious freeholders of the vicinity, are hereby appointed commissioners to make the same.

It is further ordered that a writ issue to the sheriff of Union County, Ohio, commanding him that by the oaths of said commissioners he cause to be set off and divided to each of the above named parties the part and proportion of said estate to which they are hereinbefore severally found to be entitled, and of his proceedings herein the sheriff is ordered to make due return.

REPORT OF GRAND JURY

TO THE HONORABLE GWYNN SANDERS
JUDGE OF THE COURT OF COMMON PLEAS, UNION COUNTY, OHIO

The Grand Jury of the Court of Common Pleas of said County of the May Term, A.D. 1963, hereby report to the Court that they have been in session 1 day, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitimately come to our notice, having examined over 8 witnesses, covering 13 cases, and presented 11 bills, and ignored 2 cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find that no provision of law for the regulation of County Jails has been violated.

We recommend the following for the county jail:
(1) Paint and furnish an interrogation room
(2) Was basins cleaned daily
(3) Toilet stools cleaned at least once a week
(4) All fixtures worn out or defective be replaced
(5) Defaced walls to be painted or writing removed

We commend the Sheriff's department for the over-all condition of the jail.

Against the following named accused persons, who have been held to answer, no indictment has been found, (Sec. 13,436-22) to-wit:
Jerry Hackley
Georgeanna Estep

Respectfully submitted ,

In the Matter of the Appeal of
Blues Creek Open Ditch No. 1359
Petitioned for by James E. O'Brien, et al.,

Case No. 18511
Filed July 25, 1963

This cause came on for trial on the 15th. and 16th. days of July, 1963, on the appeal of petitioners from the order of the Board of County Commissioners dismissing the proceedings at the final hearing, and the petitioners and their counsel appeared along with certain objectors and their counsel.

Upon the testimony and evidence presented to the court the court finds that it is unable to determine from the exhibits in evidence or the testimony the benefits conferred, if any, upon the variousmparcels to be assessed and that the assessments are therefore not levied in accordance with the statutes.

It is therefore ordered, adjudged and decreed, the order of the Board of County Commissioners dismissing the petition for the improvements be sustained and this appeal is dismissed at appellants' costs. It is further ordered the bond of petitioners be forfeited and credited to the General Drainage Improvement Fund of Union County to the extent said County has expended funds for costs of notices, and other incidental expenses of the proceedings, except the cost made by the Engineer in making his maps, surveys, plans, profiles and schedules.

All to which appellants except.

The Court, upon inquiring of the attorney for the Board of Trustees of Magnetic Springs Hospital Foundation as to the results of their efforts to reorganize or obtain financing for the Foundation, the Court was advised that said Board of Trustees had passed a resolution requesting this Court to proceed with the liquidation of the Corporation's property and that their efforts to refinance had been unsuccessful.

DECREE OF DIVORCE

Case No. 19283
Filed Aug. 30, 1963

Wyvetta Winona Ray,
Plaintiff
-vs-
James Melvin Ray,
Defendant

This cause came on for hearing on the 30th. day of August, 1963, on the petition of the plaintiff, and the evidence, the defendant being in default of answer or other pleadings although duly served with process personally according to law.

Upon due consideration thereof the Court finds that the plaintiff had been a resident of the State of Ohio for more than one year prior to filing the petition and at the time of the filing and for more than ninety days prior thereto had been a bona fide resident of the County of Union.

The Court finds that the parties were married as in said petition set forth and that one child, Randy Lee Ray, was born July 16, 1961 as issue of the marriage, all as alleged in the petition.

The Court further finds that the defendant has been guilty of extreme cruelty towards plaintiff as alleged in the petition and that by reason thereof plaintiff is entitled to a divorce as prayed for.

It is therefore ordered, adjudged and decreed that the plaintiff be, and she is, hereby granted a divorce from the defendant and the marriage contract heretofore existing between the plaintiff and the defendant be, and the same is, hereby dissolved and terminated and each of the parties are released from the obligations of the same.

It is further ordered, adjudged and decreed that the custody of the said minor child, Randy Lee Ray, be and hereby is awarded to the plaintiff and that the defendant pay to the plaintiff through the Clerk of this Court the sum of $10.00 plus poundage per week until further order of the Court, and that the defendant pay the medical and health insurance expenses for said minor child; that the right, title and ownership of the household goods and furnishings of the parties be in the plaintiff; that the defendant be responsible for and pay the presently existing mortgage to Modern Finance on said household goods; that the defendant have reasonable visitation rights to the said Randy Lee Ray.

It is further ordered, adjudged and decreed that the defendant pay the attorney fee for plaintiff to her attorney, Todd Hoopes, in the sum of $200.00, and that the defendant pay the costs of this proceeding, for both of which judgment is rendered and execution may issue.

Case No. 19302
Filed Sept. 30, 1963

This day this cause came on to be heard upon the petition of the plaintiff, the answer of the defendant, Phoenix Mutual Life Insurance Company, and the evidence, and the Court, being fully advised in the premises find that all of the defendants have been duly served with summons and that with the exception of the Phoenix Mutual Life Insurance Co., all of the defendants are in default for answer and demurrer to the petition and that the allegations of the petition are therefore confessed by them to be true.

The Court further find, upon the evidence adduced that the plaintiff has a judgment against the defendants,Victor Sehlhorst and Rita R. Sehlhorst, in the amount of $2160.73 with interest from February 13, 1963 and costs, which judgment is wholly unsatisfied. That plaintiff has caused a Certificate of Judgment to issue thereon thereby constituting a lien for said judgment upon the real estate hereinafter described.

The Court further find, that on the 20th. day of September, 1962, without any consideration, and for the sole purpose of defrauding plaintiff and other creditors of the defendants, Victor Sehlhorst and Rita R. Sehlhorst, said defendants executed and delivered to the defendant The Hightop Realty Company, a deed for the following described real estate:

Situated in the State of Ohio, County of Union, Township of York, and bounded and described as follows:

TRACT 1:

Situated in the State of Ohio, County of Union and in the Township of York, being part of Survey No. 11346 and bounded and described as:

BEGINNING at a stone with two white oaks and an ash as pointers, southeast corner to said Survey No. 11346, running then with the east line of said Survey N. 9° E. 131.08 poles to a stake; thence N. 82 1/2° W. 147 poles to a stake in the west line to said Lot 9; thence with said line S. 8 1/4° W. 131.08 poles to two beeches, an elm and ash; thence S. 82 1/2° E. 146 poles to the place of beginning.

CONTAINING 120 acres, more or less.

TRACT 11:

Situated in the State of Ohio, County of Union and in the township of York, being part of Survey No. 11346, and bounded and described as follows:

BEGINNING at an iron stake, the northeast corner of a 120 acre tract owned by John Bumgarner; running thence N. 11° E. 61.06 rods to an iron stake and stone; thence N. 80° 10' W. 147 1/3 rods to a stone in W.H. Beeney's east line; thence S. 10° 40' W. 61.06 rods to a point in the east line of a 100 acre tract formerly owned by The Union Central Life Insurance Company and thence S. 80° 10' E. 146.88 rods to the place of beginning.

CONTAINING 56.15 acres, more or less.

That said deed is recorded in Vol. 210, Page 97 of the Deed Records of Union County and that the defendant The Hightop Realty Company is the owner of a legal title therein.

The Court further finds, that on the 19th. day of April, 1962, the defendants, Victor Sehlhorst and Rita R. Sehlhorst, executed and delivered to the defendant, Phoenix Mutual Life Insurance Co., their promissory note for the sum of Twenty Thousand Dollars ($20,000.00) and that there is due upon said note approximately $19,000.00.

The Court further find, that on the 19th. day of April, 1962 the defendants, Victor Sehlhorst and Rita R. Sehlhorst, in order to secure the payment of said note executed and delivered to the Phoenix Mutual Life Insurance Co., their mortgage deed on said real estate; that said mortgage deed is recorded in Vol. 177, page 257 of the Mortgage Records of Union County, Ohio, and is the first and best lien on said premises.

It is therefore considered by the Court that said deed from Victor Sehlhorst and Rita R. Sehlhorst to the Hightop Realty Company be, and the same hereby is vacated and set aside and the legal title to said real estate is returned to and vested in the defendants, Victor Sehlhorst and Rita R. Sehlhorst.

It is further ordered that unless the defendants, Victor Sehlhorst and Rita R. Sehlhorst shall, within one day from the date of this decree, pay or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff the sum so found due it with interest and costs of suit that said premises be sold subject to the lien of the defendant, Phoenix Mutual Life Insurance Company as herein set forth and that an order of sale issued to the Sheriff of Union County directing him to appraised, advertise and sell said premises as upon execution and report his proceedings to the Court for further order.

Defendant

This day this cause came on to be heard upon the petition of the plaintiff, and the defendant having been duly served with summons and a copy of the petition herein the Court finds that the defendant is in default for answer or demurrer to the petition, thereby confessing the allegations thereof to be true.

The Court further finds that the plaintiff, at the time of filing her petition, had been a resident of the State of Ohio for one year next prior thereto and was, at the time of filing said petition and for at least 90 days immediately preceding the same a bona fide resident of this County of Union and that the parties hereto were married on the 11th. day of December, 1938, as in said petition alleged.

The Court further finds, upon the evidence adduced that the defendant has been guilty of gross neglect of duty and by reason thereof the plaintiff is entitled to a divorce as prayed for.

The Court further finds that the parties hereto have entered into a separation agreement settling all property rights and claims between the parties and the Court hereby approves said separation agreement and attaches it hereto and makes it a part of this decree as if fully rewritten herein. The Court also finds that the said plaintiff is the owner of a 2.25 acre tract of land located in Darby Township, Union County, Ohio, and that said tract of land with a house located thereon was purchased solely from plaintiff's funds and that the defendant has agreed by said separation agreement to quit-claim his interest in said real estate to the said plaintiff but that he has failed and neglected to so do.

It is therefore ordered, adjudged and decreed that the marriage contract heretofore existing between the said Edna Tobin and Clarence Guy Tobin be and the same is hereby dissolved and both parties are released from the obligations of the same. It is further ordered, adjudged and decreed that the defendant, Clarence Guy Tobin, execute a good and sufficient quit-claim deed to the plaintiff, Edna Tobin, conveying to her all of his interest in the real estate described in plaintiff's petition and on failure to do so within ten days from the entry of this decree the Clerk of this Court shall cause this decree, or so much thereof as may be necessary to effect such conveyance, to be recorded in the office of the Recorder of Union County, Ohio, which shall operate as a conveyance of all of the interest of said Clarence Guy Tobin. The said premises are described as follows:

Situated in the County of Union, State of Ohio and in the Township of Darby and bounded and described as follows:

Citizens Federal Savings & Loan Association
Marysville, Ohio,
Plaintiff

-vs-

Ruth Thompson, et al.,
Defendants

This day this cause came on to be heard upon the petition, the answer of the defendant, Aid Investment & Discount, Inc., and the evidence and the Court find that the defendant, Ruth Thompson has been duly served with summonsin process according to law and that she is in default for answer and demurrer to the petition and that the allegations of the petition are confessed by her to be true.

The Court further find that there is due plaintiff from the defendant, Ruth Thompson on the note set up in the petition the sum of $1316.00 with seven per cent interest from September 30, 1963. The Court further find that in order to secure the payment of said note said defendant, Ruth Thompson executed and delivered to the plaintiff her mortgage deed thereby conveying the real estate described in the petition. That the condition in said mortgage has been broken and the same has become absolute. That said mortgage is recorded in Vol. 172, Page 1 of the Mortgage Records of Union County and is a valid lien on said real estate.

The Court further find that on the 9th. day of September, 1960 the defendant, Ruth Thompson executed and delivered to plaintiff her note for the sum of $1122.26. That on the 22nd. day of June, 1962 by the consideration of this Court plaintiff recovered a judgment on said note in the sum of $557.02 and costs and on the 22nd. day of June, 1962 plaintiff caused a certificate of judgment to issue upon said judgment thereby constituting a valid lien upon said real estate. The Court further find that on the 17th. day of April, 1962 the defendant, Aid Investment & Discount, Inc., recovered a judgment against the defendant, Ruth Thompson in the sum of $326.73 and costs in the amount of $10.30. That on the 4th. day of January, 1963 a certificate of said judgment was filed in Vol. 2, Page 504of the Certificate of Judgment lien docket of Union County thereby creating a valid lien upon said real estate.

It is therefore considered by the Court that plaintiff recover a judgment against the defendant, Ruth Thompson in the sum of $1316.00 with interest at seven per cent from September 30, 1963. That unless the defendant, Ruth Thompson, within three days from the entry of this decree, pay or cause to be paid to the Clerk of this Court the costs of this action and to the plaintiff said sum so found due as aforesaid with interest, that the equity of redemption of the defendant, Ruth Thompson upon said real estate be foreclosed and said premises sold and that an order of sale issue to the Sheriff of Union County commanding him to appraise, advertise and sell said premises as upon execution and return his proceedings to this Court without unnecessary delay.

This day this cause came on for hearing on the petition of the plaintiff and the evidence, the defendant being in default of answer or other pleadings, although duly served with process personally according to law.

Upon consideration thereof, the Court finds the plaintiff had been a resident of the State of Ohio for more than one year prior to the date of the filing of her petition and was, at the time of the filing of said petition and for at least ninety days immediately preceding the date of the filing of her petition a bona fide resident of the County of Union, in the State of Ohio, and that the parties were married, as alleged in the petition.

The Court further finds, from the evidence adduced, that the defendant has been guilty of gross neglect of duty toward the plaintiff as alleged in the petition and that by reason thereof plaintiff is entitled to a divorce as prayed for.

It is therefore ordered, adjudged and decreed that the plaintiff be and she is hereby granted a divorce from the defendant and the marriage contract heretofore existing be and is hereby dissolved and set aside.

The Court finds that neither of said parties is the owner of real estate, but each has some personal property in his possession and it is adjudged each party shall be awarded the property now in possession of said parties.

It is further ordered the defendant pay the costs of this action.

Case No. 19287
Filed Nov. 16, 1963

This cause came on to be heard upon the motion of the defendant for an order to award to her, temporary custody of the minor children, temporary alimony and support for said children, and expense money.

Both parties appeared in open court and were represented by their respective counsels. Upon the evidence adduced, the Court finds that the investigation discloses that the children of the parties have an excellent home, and at the present time are in the care of their maternal grand mother when their mother is at work. The children are also enrolled in school, and by reason thereof, the Court is of the opinion that it would be unwise to move the children at this time.

It is, therefore, Ordered, Adjudged and Decreed that the temporary custody of the minor children of the parties is hereby granted to the defendant, until further order of this Court.

It is further ordered that the plaintiff shall have the right of visitation on weekends, from 12:00 noon on Saturdays, until 6:00 P.M. Saturday, or if that will inconvenience plaintiff, at the same hours on Sunday.

The plaintiff is further ordered to pay to the defendant, through the Clerk of this Court, the sum of $20.00 per week, effective August 24, 1963, plus poundage, for the support of said minor children, and said payments shall continue each and every week thereafter, until further order of this Court.

The motion for expense money is passed at this time.

Maybelle Miller
623 S. Walnut St.,
Marysville, Ohio,
Plaintiff

-vs-

Lloyd Miller
McAuliffe Apartments
Marysville, Ohio,
Defendant

This matter coming before the Court upon the petition of plaintiff, the Court finds defendant has been duly served with summons and a copy of the petition and is in default for answer or demurrer; the Court further finds plaintiff has been a bonifide resident of the State of Ohio, Union County for more than one year immediately prior to the filing of this petition and the Court has jurisdiction of both the subject matter and the parties to this action.

Upon the testimony and evidence adduced, and the Court taking into consideration the defendant's default of pleading, the Court finds the allegations of plaintiff's petition as to the grounds for divorce are proved in regard to the charge of gross neglect of duty and that by reason thereof plaintiff is entitled to a divorce; that the parties heretofore have entered into a separation agreement, a copy of which is attached hereto and made a part of this decree and that said separation agreement is reasonable and should be approved.

It is therefore ordered, adjudged and decreed that the marriage heretofore existing between Maybelle Miller and Lloyd Miller be and it hereby is dissolved and held for naught; that the separation agreement heretofore entered into by the parties be approved and made a part of this decree; that Maybelle Miller have custody of the minor children of the parties, subject to reasonable rights of visitation on the part of defendant and that defendant pay to the Clerk of Court for the support of said children the sum of $30.00 per week beginning November 22, 1963. JOURNAL ENTRY

Case No. G3825
Filed Nov. 20, 1963

State of Ohio
-vs-
Robert Harshman,
Defendant

Defendant appeared before this Court and stated that he wished to waive Indictment by the Grand Jury upon the charge of Issuing a Check with Insufficient Funds in violation of Section 1115.23 O.R.C.

Defendant further stated that he was without funds to employ counsel. The Court thereupon appointed Clifton L.Caryl to serve as his attorney.

Thereafter, on October 26, 1963 the Defendant again appeared before the Court with his counsel and in writing waived Indictment by Grand Jury, waived service of a copy of the Information, and the same was read in open Court.

Defendant for his plea thereto said he was "Guilty" as charged.

Defendant was then inquired of if he had anything to say why judgment should not be pronounced against him and having nothing further to say than he hath already said, it appears to the satisfaction of the Court that the character of the Defendant and the circumstances of the case are such that he is not likely to engage in an offensive course of conduct, and the public good does not demand or require that he be immediately sentenced, therefore, the imposition of sentence on said Defendant is hereby suspended, and he is placed on probation for a period of three years, in the manner provided by law, upon the following terms and conditions:

1. He shall report to the Probation Officer of this Court as directed.
2. That he violate no laws or ordinances and that he maintain good behavior.
3. That he secure employment within two weeks after his release and that he pay to the Probation Officer $10.00 per week to apply on Court costs.
4. That restitution on the check herein be made forthwith.

JOURNAL ENTRY

Case No. 19183
Filed Nov. 21, 1963

Martha K. Wood,
Plaintiff
-vs-
Marion D. Wood,
Defendant

This matter coming before the Court on the various motions of plaintiff including a motion for confirmation of sale of personal property, contempt and other matters, upon the testimony and evidence adduced and upon the return of the Sheriff as to the sale of the personal property the Court finds the sale of the personal property to have been carried out properly but that the defendant has certain items for which he should account and be charged in the distribution of the proceeds of the sale, to-wit:

Binnoculars	$ 50.00
Deep Freeze	100.00
Norge Washer	100.00
Lawn Mower	20.00
16 foot Ladder	20.00
File Cabinet	5.00
Trailer	30.00
	$325.00

The Court further finds there is in the hands of the Union County Sheriff $3,800.00 from the sale of real estate and $346.40 from the sale of the personal property totalling $4,146.40 for distribution and there should be added to that amount the sum of $325.00 for which defendant must account, making a total to be divided of $4,471.40.

The Court finds the Court Costs on the action amount to $340.67; that defendant owes plaintiff $175.00 on back payments of temporary alimony for which judgment was asked in a lump sum and that said sum should be deducted from defendant's share of distribution.

It is therefore ordered that the sale of the personal property be confirmed and that the proceeds of the sale of $3,800.00 from the real estate, $346.40 from the auction of the personal property plus $325.00 be accounted for by defendant, totalling $4,471.40 be distributed in the following manner:

1. To the Clerk of Clerk of Courts, the cost of this action including Sheriff's Fees	$ 340.67
2. Marion D. Wood 35% of the proceeds after costs, less the $175.00 back support and less the $325.00 owed the account for the personal property	945.75
3. Martha K. Lewis 65% of the proceeds of sale, plus $175.00 back alimony	2,859.98

Case No. 19161
Filed Dec. 2, 1963

This cause came on for hearing on the 26th. day of November, 1963 on the petition of plaintiff and the answer and cross-petition of defendant, and both parties appeared along with their Counsel; upon the matter being called for trial, plaintiff advised the Court she did not desire to proceed on her petition and the matter was heard as upon the cross-petition of defendant.

The Court finds the parties were married as alledged in the petition and that the plaintiff has been a bona fide resident of the State of Ohio for more than a year prior to the filing of her petition and a resident of this County for more than ninety days prior to her filing of her petition and that the Court therefore has jurisdiction of both the subject matter and the parties; that the children issue of this marriage, namely, William Charles Rotert, Cynthia Martha Rotert and Donna Jean Rotert are wards of the Juvenile Court of Greene County, Ohio and are in the custody now of said Court, having been wards of said Court for some time prior to the filing of the petition and that no order should be made now concerning the custody of said children and it appearing defendant is under orders of the aforesaid Juvenile Court to pay for the support of said children, no further order is made in this matter concerning support.

The Court further finds the plaintiff has been guilty of gross neglect of duty and that by reason thereof defendant is entitled to a divorce as prayed for.

It is therefore ordered, adjudged and decreed that defendant, Charles Robert Rotert be and he is hereby granted a decree of divorce from the plaintiff and that the marriage contract is hereby dissolved and both of the parties hereto released from its obligation. It is ordered that the costs of the action be taxed equally between the parties and the Defendant, Charles Rotert pay the sum of $200.00 to plaintiff's Counsel, William L. Coleman, said payments to be made $50.00 per month beginning January, 1964.

This cause came on to be heard the 22nd. day of October, 1963, the Defendant having waived a trial by jury, in writing, and was submitted to the Court.

And the Court, having heard the evidence and arguments of counsel, find the Defendant is Guilty of Uttering and Delivering a Check with Insufficient Funds in Violation of Section 1115.23 Ohio Revised Code as charged in the Indictment.

WHEREUPON, the Defendant again appeared before the Court on October 28, 1963 with his attorney, and was inquired of by the Court if he had anything to say why judgment should not be pronounced against him and having nothing to say than he hath already said.

Upon the testimony and evidence adduced the Court finds the defendant has been guilty of gross neglect of duty and that by reason thereof plaintiff is entitled to a divorce; that of this marriage there are two minor children, namely, Charlene Berry born December 7, 1947 and Judy Berry born December 8, 1950 and that both children are in the custody of plaintiff who is a suitable person to have custody of said minors; that since the filing of this petition plaintiff and defendant have entered into an agreement concerning the property of the parties in that defendant has quit-claimed the interest in the real estate to plaintiff and agreed plaintiff should have all the household goods of the parties free of any claim of defendant.

Court further finds that defendant has agreed to pay to the plaintiff through the office of the Clerk of Courts the sum of $80.00 per month beginning December 1, 1963 and to pay a like amount on or about the first day of each month thereafter until Charlene Berry attains the age of eighteen and thereafter pay the sum of $60.00 per month until Judy Berry attains the age of eighteen, that is on December 8, 1968, for which month no payment shall be paid by defendant.

The Court further finds the claim of Pauline F. Keever in the sum of $17,975.00 for back salary due her deceased husband, which claim was by her as Administratrix of the estate of Kenneth Keever, presented to the Foundation and approved by the then Board of Trustees as a valid debt of the Foundation at their regular meeting on January 20, 1958, should be allowed; that the claim of Pauline Keever for $5,250.00 on a second mortgage on the real estate of the Foundation should not be allowed; that five claims presented to the Receiver never entered upon the books of the corporation, that is, four claims for vacation pay of employees should be disallowed and the claim of R.T. Boehm for professional services rendered at the request of Charles M. Frank prior to the appointment of the Receiver, in the amount of $625.00; upon the objection of said Charles M. Frank in open Court and his testimony that said services of R.T.Boehm were intended as a gratuity by the aforesaid R.T. Boehm who was a Trustee of the Foundation and that no compensation was intended, should be and is hereby disallowed.

The Court further finds the chattel mortgage filed by A.N. Dick Corporation on a mimeograph machine was filed after R.T. Boehm, Trustee and acting as Attorney for the Foundation, had advised the Court the Foundation would ask to be placed in Receivership and that the filing of said chattel mortgage thereafter was a preference and fraud upon the Court and said mortgage should be and is hereby set aside as a preference.

The Court further finds the claims listed by the Receiver in his motion as claims on books of the Foundation but for which no proof of claim was filed nor verification of amount due given by the supposed creditors should be and hereby are disallowed.

The Court further finds the compensation requested by Pfarr Brothers Auction Service for holding the public auction of the personal property and real estate should be allowed as requested in the amount of $2,231.30 and that $400.00 be allowed the four individuals who acted as clerks and cashiers for each of the three days of the public auction; that Joseph B. Grigsby, Attorney for the Receiver, be allowed compensation in the sum of $2,850.00 and that the Receiver be allowed for further compensation for services to date the sum of $3,000.00.

The Court further finds there were no exceptions to the aforesaid claims and allowances excepting the allowance of the $17,975.00 claim of Pauline Keever and the allowance of said claim is made subject to the exceptions of Charles M. Frank, creditor.

The Court further finds upon inquiring in open Court of any other matters pertinent to the Receivership which should be brought to the attention of the Court that the Receiver, creditors and interested parties brought nothing further to the attention of the Court and the Court therefore orders all unpaid accounts receivable advertised by the Receiver for ten days and thereafter sold to the highest bidder at public auction.

Case No. G3809
Filed Dec. 30, 1963

This cause came on to be heard after Defendant's examination at the Central Ohio Mental Health Clinic and Guidance Center under Section 2947.25 of the Revised Code, and the report of said clinic.

The Court, being fully advised in the premises, finds that the Defendant herein, Robert George Neibler, is neither mentally ill, mentally deficient, nor a psychopathic offender, and is sane.

The Defendant having heretofore entered a plea of "Guilty" to statutory rape in violation of Section 2905.03 Revised Code was inquired of if he had anything to say why judgment should not be pronounced against him and having nothing further to say than he hath already said.

It appears to the satisfaction of the Court that the character of the Defendant and the circumstances of the case are such that he is not likely to engage in an offensive course of conduct, and the public good does not demand or require that he be immediately sentenced, therefore, the imposition of sentence on the said Defendant is hereby suspended and he is placed on probation for a period of two years, in the manner provided by law, upon the following terms and conditions:

1. That he violate no laws of the United States or of any state, or ordinances of any municipality and that he maintain good behavior.
2. That he pay fine of $200.00 and the costs of this action on or before December 31, 1963.

Case No. 19358
Filed Jan. 11, 1964

This matter coming before the Court upon the petition of plaintiff, the Court finds the defendant, whose residence is unknown, has been served by publication in accordance with the statutes and that the Court therefore has jurisdiction of the subject matter and the parties.

The Court further finds the defendant and plaintiff were married on the 4th. day of June, 1924 and all of their children are emancipated and there is no question of property rights or custody and support of minor children to be settled in this action.

The Court further finds the defendant has been guilty of willful absence for a continuous period in excess of two years and that by reason thereof of gross neglect of duty and failure to provide for plaintiff and his children, the plaintiff is entitled to a divorce.

It is therefore ordered, adjudged and decreed that the marriage heretofore existing between Avila Neer and Ora Neer be dissolved and held for naught. Costs taxed to plaintiff.

The Court further finds the defendant has been guilty of gross neglect of duty and by reason thereof, plaintiff is entitled to a divorce; that the chattels of the parties has been sold and proceeds applied to mortgages against said chattels; that the parties were indebted to the mother of plaintiff which obligation plaintiff has paid and for which defendant should pay plaintiff the sum of $1,100.00, for which amount judgment should be awarded, with interest from date of judgment.

The Village of Marysville, A Municipal
Corporation, et al,
Defendants, and
The Attorney General of Ohio,
Amicus Curiae

This cause came on to be heard on the Petition of Plaintiff, the Answer of Defendants, exhibits and agreed statement of facts and was submitted to the Court.

On consideration thereof, the Court finds that under this ordinance No. 629 charges have been made against Plaintiff's property regardless of whether the garbage and refuse service has actually been used; that during the years 1961 and 1962 plaintiff did remove and dispose of garbage and refuse by other means and did not use the service of the Village of Marysville; and that charges totaling $43.45 were made against her for those years.

The Court further finds that as applied to the Plaintiff during the years 1961 and 1962, the operative effect of Ordinance No. 629 as related to the property of the Plaintiff is unconstitutional.

The Court further finds that Sections Nos. 1 and 3 of Resolution 302, now part of Ordinance No.629,wherein the director of public service is empowered to regulate and adjust refuse collection rates in the cases of persons unable to pay due to hardship in is unconstitutional and void.

It is therefore adjudged and decreed by the Court that the Defendants, Village of Marysville, a municipal corporation, L.R. Rohr, Mayor of the Village of Marysville, Richard Blodgett, City Manager of the Village of Marysville, George P. Scheiderer, Clerk of the Village of Marysville, Harold L. Simpson, Auditor of Union County, Ohio and Willard Clevenger, Treasurer of Union County, Ohio be and they hereby are restrained and enjoined from, enforcing or attempting to collect charges for the disposal of garbage and other refuse from the Plaintiff under Ordinance No. 629 for the years 1961, 1962, and 1963 and future years for so long as the Plaintiff does not Use the services from the Village; and they are further enjoined from exempting any person or property from charges under Ordinance No. 629 or Resolution No. 302 of said Village, on the basis of hardship when service is rendered.

It is further ordered that the Village of Marysville, refund to the Plaintiff, Gene Bolinger, the sum of $43.45 heretofore collected by the Treasurer and forwarded to the Village for garbage service in 1961 and 1962 and that the Union County Auditor and Treasurer received the present delinquency appearing on the real estate tax books against the property of Gene Bolinger in the amount of $57.45 without penalty or interest, if paid on or before February 29,1964; and that the $44.08 assessment for 1963 certified to auditor be deleted and remitted.

It is further ordered that the Defendants pay the costs of this action in the amount of $_____.

Plaintiff

Case No. 19384
Filed February 21, 1964

-vs-

Virgil Kincaid, et al
Defendant

This cause coming on for hearing was submitted to the Court on the pleadings and the evidence and the Court finds the defendants, Virgil Kincaid, Virginia Kincaid, Eugene Eickemeyer, and Dorothy Eickemeyer have been duly served with summons and that each is in default for answer, demurrer or other pleading and that the allegations of the petition are thereby confessed by each of them to be true.

The Court further finds that there is due the plaintiff from the defendants Virgil Kincaid and Virginia Kincaid on the promissory note set forth in the petition, with interest to the first day of January, 1964, the sum of $5,579.02 and that judgment should be awarded against Virginia Kincaid and Virgil Kincaid for said amount with interest at 7% per annum from January 1, 1964.

The Court further finds that in order to secure the payment of said note, the defendants Virgil Kincaid and Virginia Kincaid, as husband and wife, executed and delivered to the said The Mt. Victory State Bank,, plaintiff, their certain mortgage as in the petition described, and on the premises therein described; that said mortgage was duly recorded in Union County Mortgage Records Volume 169 at Page 387 and upon the filing of said mortgage at 12:48P.M. on the 4th day of December, 1959, it became and still is the first and best lien on the premises, subject only to real estate taxes, and that the conditions in said mortgage have been broken; ;that subsequent to the filing of the mortgage by plaintiff the defendants Eugene Eickemeyer and Dorothy Eickemeyer took title to said real estate by virtue of a deed from Virgil Kincaid and Virginia Kincaid, dated May 9, 1963 and thereafter recorded in Union County Deed Records Volume 210 at Page 677 and that said deed was a conveyance subject to all the right and equities of this plaintiff.

It is therefore considered by the Court that the plaintiff recover from the defendants Virgil Kincaid and Virginia Kincaid, the sum of $5,579.02 plus interest at the rate of 7% per annum from the 1st day of January, 1964 and its costs herein expended.

It is further adjudged and decreed that unless the defendants, Virgil Kincaid and Virginia Kincaid, Eugene Eicemeyer or Dorothy Eickemeyer shall, within three days from the entry of this decree, pay of cause to be paid, to the Clerk of this Court the costs of this case and to the plaintiff herein the sum so found to be due as aforesaid, with interest from the 1st day of January, 1964 at the rate of 7% per annum, the equity of each of the several defendants be foreclosed, and said premises be sold, and that an order of sale issue therefore to the Sheriff of Union County, Ohio, directing him to appraise, advertise and sell said premises as upon execution and report his proceedings to this Court for Further order.

Case No. 19415
Filed April 13,1964

This day this cause came on to be heard upon the petition of the plaintiff and the Court being fully advised that the defendants have each been served with summons according to law, and that each are in default for answer or demurrer to the petition and that the allegations of the petition are confessed by them to be true. The Court find that there is due plaintiff upon the note described in the petition, the sum of $7797.46 with interest at six and one-half (6 1/2) per cent from March 1,1964, that said note is past due andunpaid.

The Court further find that on the 18th day of September, 1961 the defendants, who are husband and wife, executed and delivered to plaintiff in order to secure the payment of said note, a mortgage deed conveying the real estate described in the petition. That said mortgage was filed for record with the Recorder of Union County, Ohio, on the 18th day of September, 1961, at 10:56 A.M., is recorded in Book 175, Page 346 of the Mortgage Records of Union County and is a valid lien on said real estate. That said mortgage was conditioned in substance upon the payment of the above described note. That the condition in said mortgage has been broken and the same has become absolute.

Itis therefore considered by the Court that the plaintiff recover a judgment against the defendants in the sum of $7797.46 with interest at 6 1/2% from March 1,1964 together with its costs. That said mortgage be foreclosed and that unless said defendants within three days from the entry of this decree pay or cause to pay to the Clerk of this Court the costs of this action and to the plaintiff herein the sum aforesaid found due, said mortgage be foreclosed and said premises sold and that an order of sale issue to the Sheriff of Union County directing him to appraise, adertise, and sell said premises as upon execution and return this order to the Court without delay.

Case No. 19449
Filed May 25,1964.

This day this cause came on for hearing on the Petition of the plaintiff and the evidence, the defendant being in default of answer or other pleadings, although duly served with process personally according to law, which service is hereby approved, and that the court has jurisdiction of the cause of action and the parties hereto.

Upon consideration thereof the Court finds from the evidence that plaintiff is, and was for at least one year immediately preceding the commencement of this action, a bona fide resident of the state of Ohio, and was for more than 90 days prior thereto a bona-fide resident of Union County, Ohio, and that the cause of action arose in the County of Union, Ohio; and that the parties were married on the 21st day of June, 1957, at Richmond, Indiana, and that four children were born as issue of said marriage, to-wit: Randy E Swinning, born June 24,1958; Susan L Swinning, born December 16,1959; Richard A. Swinning, born February 27,1961; and Penny L. Swinning, born July 7,1962; that the defendant has been guilty of gross neglect of duty toward the plaintiff, as alleged in the petition, and that by reason thereof plaintiff is entitled to a divorce.

It is therefore ordered, decreed and adjudged that plaintiff be and hereby is granted a divorce from defendant and the marriage contract is hereby dissolved and both of the parties hereto released from its obligations.

The Court further finds and takes cognizance of the fact that plaintiff and defendant have executed a separation agreement on April 11,1964,concerning their property rights, custody of the minor children, visitation rights of the defendant with the children, support for the minor children and the plaintiff, and payment for medical, hospital, drug, and dental bills for the said minor children. The Court finds that said separation agreement is fair and hereby approves said agreement and makes it a part of this divorce decree by incorporation. An original copy of this agreement is annexed, marked Exhibit A, and is a part of this decree.

Case No. 19451
Filed May 28,1964

This day this cause came on to be heard upon the petition of the plaintiff and the court being fully advised find that the defendants have been served with summons according to law and that they are in default for answer and demurrer to the petition and that the allegations of the petition are confessed by them to be true.

The Court find that there is due plaintiff upon the note described in the petition the sum of $9142 84 with interest at six per cent from May 1,1964 and that said note is past due and unpaid.

The Court further find that on September 29,1962 the defendants who are husband and wife in order to secure the payment of said note executed and delivered to plaintiff their mortgage deed conveying the real estate described in the petition. Said mortgage deed was filed for record with the Recorder of Union County, Ohio, on the 29th day of September, 1962, at 11:55 a.m., is recorded in Vol. 179, Page 316 of the Mortgage Records of Union County and is a valid lien on said real estate. Said mortgage was conditioned in substance upon the payment of the above described note. The condition in said mortgage has been broken and the same has become absolute.

It is therefore considered by the Court that the plaintiff recover judgment against the defendants in the sum of 9142.84 with six per cnet interest from May 1,1964 together with its costs; that said mortgage be foreclosed and that unless said defendants, within three days from the entry of this decree pay to the Clerk of this Court the costs of this action and to the plaintiff the sum aforesaid found due, said mortgage be foreclosed and said premises sold and an order of sale issue to the Sheriff of Union County, Ohio, directing him to appraise, advertise and sell said premises as upon execution and return this order to the court without delay.

And the court, being fully advised in the permises, find that plaintiffs and defendants are the owners of the respective tracts of real estate described in the epetition; that between said tracts is located a sixteen foot driveway referred to in the descriptions of said two tracts; that said sixteen foot strip of land is a dedictated public alley extending from west Main Street on the north to Bigelow Avenue on the south; that defendants have constructed and maintained a fence acress a said Alley thereby depriving plaintiffs of its use.

Case No. 3856
Filed July 10,1964

The Defendant appeared before the Court on June 27,1964 with his attorney, Luther L. Liggett, acknowledged service of a copy of the Indictment, and waived the reading thereof, and for his plea said he was "Not Guilty". Defendant's bond was continued for his appearance for trial.

Thereafter, on July 10,1964, the Defendant appeared before the Court with his attorney, Luther L. Liggett, and waived in writing his right to trial by jury.

Thereupon, evidence and testimony was presented to the Court and upon due consideration thereof the Court found the Defendant Guilty of Second Degree Manslaughter in violation of Section 4511.18 of the Ohio Revised Code in that he did unlawfully and unintentially kill another while violating laws of this state as alleged under (A) and (B) in the Indictment.

The Defendant was inquired of if he had anything to say why judgment should not be pronounced against him and having nothing further to say than he hath already said.

It appears to the satisfaction of the Court that the character of the Defendant and the circumstances of the case are such that he is not again likely to engage in an offensive course of conduct, and the public good does not demand or require that he be immediately sentenced, therefore, the imposition of the sentence on said Defendant is hereby suspended and he is placed on probation for a period of two years, in the manner provided by Law, upon the following terms and conditions:

(1) That he violate no laws or ordinances and that he maintain good behavior.
(2) That he report to the Probation Officer of this Court as directed.
(3) That he pay the costs in this action forthwith.

It is further ordered that the Defendant's driving rights be suspended for a period for one year and he surrender his operator's license to the Court forthwith.
