REPORT OF GRAND JURY

To the Honorable F. LeRoy Allen.
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas of said County of the May Term, A.D. 1957, hereby report to the Court that they have been in session one day, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitmately come to our notice, having examined over twenty-one witnesses, covering twenty-one cases, and presented thirteen bills, and ignored eight cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet andaccommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find no provision of law for the regulation of County Jails has been violated.

It is recommended by the Grand Jury that the lock to the upstairs cellblock be put in working order; that the circulation of air in the jail be improved; that the trim on the outside of the jail be painted; that the inside of the jail be painted; that an elevator be installed in the courthouse.

Against the following named accused persons, who have been held to answer, no indictment has been found.

Richard Hollingshead	for	Operating motor vehicle without the owner's consent.
Joe McAdams, Jr.	for	issuing check with insufficient funds

This day this cause came on for hearing on the Petition of plaintiff, and the Court finds from theevidence that plaintiff is and was for at lease one (1) year immediately prior to the commencement of this action a bona fide resident of the State of Ohio, and of Union County; that immediately prior to the filing of the Petition he had been stationed in an overseas assignment as a member of the Armed Forces, but that his domicile had never been changed from the Village of Marysville, Union County, Ohio; that the defendant, Gloria Rausch, was duly served with personal service, a copy of the Petition, and summons and that therefore the Court has jurisdiction of both the parties and the subject matter; that defendant has failed to file any pleadings herein and that the allegations of the Petition are therefore confessed to be true; that the parties have no property, the rights to which are for consideration by this Court and that there are no children the issue of this marriage.

The Court further finds that plaintiff is entitled to a divorce as prayed for on the grounds of gross neglect of duty.

It is therefore ordered, adjudged and decreed that plaintiff be and hereby is granted a divorce from the defendant and the marriage contract is hereby dissolved and both of the parties hereto released from its obligations and that the defendant be restored to her former name of Gloria Gardner. Plaintiff,

Denver Paxton, et al.,
Defendants.

Case No. 18042
Filed Sept. 10, 1957
Recorded Sept. 13, 1957

This cause came on for hearing on the pleadings and evidence, the Court finds that all defendants are properly before the Court; that the defendants, Denver Paxton and Peggy Paxton are in default for answer or demurrer and that the allegations of the petition of the plaintiff and the cross petition filed by the Guarantee Title and Trust Company are thereby confessed by the defendants, Denver Paxton and Peggy Paxton, to be true.

The Court finds that there is due the County Treasurer of Union County, Ohio the sum of $_____ for taxes and assessments levied against the real property described in the plaintiff's petition.

The Court finds that there is due the plaintiff from Denver Paxton and Peggy Paxton the sum of $19.20 for insurance premiums; the sum of $3,771.96 with interest at 6% per annum from the 15th day of November, 1956 on a promissory note as set forth in the petition.

The Court further finds that in order to secure the payment of said note the said defendants executed and delivered to the plaintiff their certain mortgage as in the petition described, and on the real estate therein described, that said mortgage is a good and valid lien on the real estate described in the petition prior to all other liens and that the conditions in said mortgage have been broken.

It is therefore considered by the Court that the plaintiff recover from the defendants $3,923.18, the said sum found due the plaintiff from the defendants, Denver Paxton and Peggy Paxton, and plaintiff's costs herein expended.

The Court further finds that there is due the cross-petitioner, the Guarantee Title and Trust Company, on the promissory note set forth in its cross petition the sum of $2,391.62 with interest at the rate of 6 per centum per annum from the 20 day of July, 1956.

The Court further finds that in order to secure the payment of said note the said defendants executed and delivered to the cross-petitioner their certain mortgage as in the cross petition described, and on the real estate therein described, that said mortgage is a good and valid lien on the real estate described in the cross petition; that the conditions in said mortgage have been broken and that said mortgage is subordinate to the prior lien of the plaintiff.

It is further adjudged and decreed that unless the defendants shall, within three days from the entry of this decree, pay or cause to be paid to the clerk of the court the costs of this case and to the plaintiff and cross-petitioner herein the sums so found due, as aforesaid, with interest, the defendants' equity of redemption be foreclosed and said real estate be sold and that an order of sale issue therefor to the sheriff of this County, directing him to appraise, advertise and sell said real estate as upon execution, and report his

proceedings to this Court for further order.

REPORT OF GRAND JURY.

TO THE HONORABLE F. LeRoy Allen.
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas, of said County of the September Term, A. D., 1957, hereby report to the Court that they have been in session one day and herewith by their foreman present tothe Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitimately came to our notice, having examined over fifteen witnesses, covering ten cases, and presented eight bills, and ignored two cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find that no provision of law for the regulation of County Jails has been violated.

It is recommended by the Grand Jury that the interior of the county jail proper be painted; that the exterior woodwork of the jail building be painted; that the plumbing be repaired in the upstairs cellblock and that the Juvenile detention room be renovated.

Against the following named accused persons, who have been held to answer, no indictment has been found (Sec. 13436-22) to-wit:

Frederick Stokes for Grand Larceny
Robert Sprinkle for Grand Larceny

Respectfully submitted,
W. F. Painter, Foreman

Defendant.

Case No. 18121
Filed Sept 25 1957
Recorded Sept 26 1957

This cause coming on to be heard on the petition of the plaintiff, Samuel Eugene Andrews, and it appearing to the court that all of the defendants are in default for answer or other pleading herein, therefore confessing the allegations of plaintiff's petition to be true and that said parties are properly before the court.

The court finds the plaintiff, Samuel Eugene Andrews, and Betty Louise Andrews Knox were minors on August 16, 1939, being the date of delivery of deed from Anna Dea and that the legal title through mistake and error was executed to Rachel Ann Andrews Irwin as guardian for Samuel Eugene Andrews and Betty Louise Andrews and as a matter of fact the said Rachel Ann Andrews Irwin was not the guardian but that the legal title is in the persons of Betty Louise Andrews Knox and Samuel Eugene Andrews, each being the owner of the one-half interest in fee simple.

The court further finds that at the date of execution of the deed, August 16, 1939, Anna Dea was an unmarried person.

It is therefore adjudged and decreed that the said Samuel Eugene Andrews, plaintiff, be endowed of the full one-half part of said premises and that subject thereto partition of said property be made in the proportions above designated, that an order issue to the Sheriff of Union County commanding that, by the oaths of John DeVoss, L. O. Brill and W. M. Payne, three judicious disinterested freeholders of the vicinity, who are hereby appointed commissioners for that purpose, they set off to the plaintiff and the other co-defendants aforesaid their proportions of said estate in severalty, and if said commissioners find said premises cannot be divided without manifest injury to the value thereof, it is ordered that they appraise the same both subject to and free from the dower of the respective parties, and of his proceedings make due return according to law.

in the cross petition; that the conditions in said mortgage have been broken and that said mortgage is subordinate to the prior lien of the plaintiff.

The Court further finds that there is due the cross-petitioner, The Guarantee Title and Trust Company, on the promissory note set forth in its cross petition the sum of $2,012.15 with interest at the rate of 6% per centum per annum from the 20th day of July, 1956.

The Court further finds that in order to secure the payment of said note the said defendants executed and delivered to the cross-petitioner their certain mortgage as in the cross petition described, and on the real estate therein described, that said mortgage is a good and valid lien on the real estate described in the cross petition; that the conditions in said mortgage have been broken and that said mortgage is subordinate to the prior lien of the plaintiff.

There is due the cross-petitioner, George Hunt and Thomas McMahon doing business by virtue of a judgment lien Docket No. 2, Page 139 the sum of $532.43; that same judgment is subordinate to the prior lien of the cross-petitioners, Allied Building Credits, Inc. and the Guarantee Title and Trust Company. There is due the Guarantee Title and Trust Company the sum of $845.25 on the note dated October 9, 1956; that said note is due and unpaid; that the judgment is rendered in favor of the Guarantee Title and Trust Company for said amount; that said judgment is subordinate to the judgments rendered in favor of the Allied Building Credits, Inc., The Guarantee Title and Trust Company and George Hunt and Thomas McMahon doing business as Richwood Concrete Products Company.

It is further adjudged and decreed that unless the defendants shall, within three days from the entry of this decree, pay or cause to be paid to the clerk of the court the costs of this case and to the plaintiff and cross-petitioners herein the sums so found due, as aforesaid, with interest, the defendants' equity of redemption be foreclosed and said real estate be sold and that an order of sale issue therefor to the sheriff of this County, directing him to appraise, advertise and sell said real estate as upon execution, and report his proceedings to this Court for further order.

REPORT OF GRAND JURY

To the Honorable F. LeRoy Allen
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas of said County of the January Term, A.D. 1958, hereby report to the Court that they have been in session one day, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitmately come to our notice, having examined over thirteen witnesses, covering nine cases, and presented five bills, and ignored four cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accomodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do not find that any provision of law for the regulation of County Jails has been violated.

It is recommended by the Grand Jury that a new lighting system and rewiring be installed in the jail, that new mattresses be provided for the second floor of the jail, that the entire jail and office be repainted with more cheerful colors, that fireproof partitions be installed on the second floor of the jail and that an elevator be installed in the courthouse.

Against the following named accused persons, who have been held to answer, no indictment has been found, (Sec. 13436-22) to-wit:

Ronald Martino	for	statutory rape
Dale Dean	for	non-support
Russell Griffith	for	non-support
Bernice Conkle	for	slander

Case No. 18135

Filed March 4, 1958

This cause coming on for hearing on the pleadings, testimony and evidence before the Court, and the plaintiffs having timely requested the Court to state in writing the conclusions of fact found, specifically from the conclusions of law, the Court does so as follows:

FINDINGS OF FACT

1. Plaintiffs and their predecessors in title have not continuously used for more than 21 years a right of way across the property owned by defendant and her predecessors in title.

2. The question of a public easement across land of defendant is not an issue in this case.

3. Plaintiffs and their predecessors in title did not enter upon defendant's tract as prespassers indicating use or right to use adversely the rights of defendant and her predecessors fn title.

4. There is an alley eight feet wide extending between the fee simple title owners of the two lots of land belonging to plaintiffs and defendant, respectively.

5. The claimed use of defendant's lot by plaintiffs and others was under such indulgence or neighborly accomodation inconsistent with the claim of right by the plaintiffs.

6. There is no evidence of any overt act or acts clearly indicating intentional, open, notorious and adverse use by plaintiffs and others, of defendant's land with knowledge of such claim of right and with acquiescence by the owners of the property over which the easement is claimed.

7. The defendant erected a fence on her property line adjacent to the alley and such fence prevents further use by plaintiffs over the land claimed for an easement.

8. The record does not disclose the exact location of where the plaintiffs claim this fence is to be built as a matter of law instead of where it is built.

CONCLUSIONS OF LAW

From the foregoing facts plaintiffs are not entitled to a mandatory injunction requiring the removal of the fence and plaintiffs do not have an easement over any portion of defendant's lot.

Exceptions note for plaintiffs.

Case No. 17522

Filed March 27, 1958

This cause came on to be heard on the 13th day of November, 1957, on the matters continued as ordered in the Journal Entry filed in this matter on November 7, 1956, and as a hearing on the Motion filed in behalf of defendant, Georgia Neill, in this matter on the 9th day of October, 1957, and the Court thereupon heard testimony and evidence upon the Motion of defendant and as a continuation of the hearing ordered continued to an indefinite date as provided in the Journal Entry of November 7, 1956, the plaintiff has heretofore submitted for the inspection of the Court, documentary evidence of his re-marriage to one Gladys Large, and that the Defendant submitted to her counsel as evidence of her re-marriage, a photostatic copy of a "Certificiate of Marriage" entered in evidence as plaintiff's Exhibit "A"; that defendant gave as her present address, 201 Wilson Avenue, Columbus,Ohio, but that no investigation has been made of said home; that plaintiff has produced documentary evidence, to wit: plaintiff's Exhibit "B", a duly authenticated copy of the marriage license of George Neill and Gary Locklear, issued in Marlboro County, South Carolina, on the 24th day of August, 1957.

The Court further finds upon testimony adduced defendant, Georgia Neill, Now Georgia Locklear, admitted the photostatic copy, Exhibit "A", was of a marriage certificate that had by her been altered by changing the date 1957, to 1956, for the express purpose of presenting same as true documentary evidence of her marriage as having taken place in 1956; that defendant further admitted her testimony of November 6, 1956, in this Court under oath lawfully administered, was falsely and corruptly given as to material facts, to- wit: the existence of a marriage, and that her taking of the child of these parties to various points outside the State of Ohio, and in Ohio, while living as man and wife with Gary Locklear while in fact unmarried, constitute conduct rendering her an unfit person to have custody of the minor child, Terry Neill; that Georgia Locklear and Gary Locklear did live together as man and wife for approximately one year before they entered into a legal marriage.

It is therefore ordered, adjudged and decreed that the defendant, Georgia Neill, is found guilty of contempt of Court for the false testimony given in the hearing of November 6, 1956, journalized onNOvember 7, 1956; that the application filed by defendant on October 9, 1957, be denied in its entirety, insofar as it seeks custody of the minor child for defendant, and that the custody of said child will be and remain with Gerald Neill, the plaintiff; that visitation rights not be permitted to the mother to take the childfrom the plaintiff's residence for any reason whatsoever, and that visitation rights be confined to visiting the child in the home of the father between the hours of 2:00 o'clock and 4:00 o'clock P.M. on alternate Sundays, beginning with visitation on the Sunday of December 1st; that investigation be made of the home of the defendant at 201 Wilson Avenue, Columbus, Ohio, as provided by Revised Code Section 3105.08, and the results thereof be made available to both attorneys, and any further proceedings in this matter shall require further pleadings filed herein as all matters before the Court, including the continuance of the November, 1956, hearings and the Motion of October, 1957, in behalf of defendant, are disposed of in their entirety by this Journal Entry.

In The Matter of the Will of
Franklin Ernest Hamilton,
Deceased.

Case No. 18245

Filed April 25, 1958

This matter was certified to the Common Pleas Court, pursuant to R. C. 2101.38, the Probate Judge, the Honorable Luther L. Liggett, being a witness on said will.

The matter came on to be heard on the application of Edna Clare Hamilton to admit toprobate and record the will of Franklin Ernest Hamilton, deceased, domiciled at the Village of Richwood in said County, heretofore filed in the Probate Court (Case No. 17810).

It is now shown to the satisfaction of the Court that said decedent died leaving Edna Clare Hamilton, surviving spouse, Ernest V. Hamilton, son and Alice M. Hamilton, daughter, the persons entitled to inherit from the decedent under the Statutes of Descent and Distribution ofsaid decedent had died intestate.

The Court further finds that said Edna Clare Hamilton, Ernest V. Hamilton, and Alice M. Hamilton, have waived notice of the filing of said will and of the application to admit it to probate and record, and given consent to the probate of said will.

And the subscribing witnesses this day appeared in open Court and, having been duly sworn, testified respectively to the due execution and attestation ofsaid will, which testimony was reduced to writing, was subscribed by them respectively, and was filed herein.

Whereupon the Court finds that the aforesaid instrument of writing is the Will of Franklin Ernest Hamilton, deceased; that it was duly executed and attested; that the saidtestator, at the time of signing his will, was of full age, of sound mind and memory and not under any restraint.

Therefore, the Court, being satisfied as to its jurisdiction herein, orders the admitting of said will to probate and record, and that the Clerk deliver tothe Probate Court from which they came, the original papers and a certified copy of this judgment entry, and that thereupon the Probate Judge shall cause a record thereof to be made in the proper records of similar business, pursuant to R.C. 2101.38.

REPORT OF GRAND JURY

TO THE HONORABLE Luther L. Liggett
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas of said County of the September Term, A.D. 1958, hereby report to the Court that they have been in session one days, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitimately come to our notice, having examined over Thirty-Two witnesses, covering Twenty-three cases, and presented fourteen bills, and ignored eight cases considered by us, and continued one case. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find that no provision of law for the regulation of County Jails been violated.

We recommend that the interior of the jail be painted; that drains be checked for leaks; that the loose mortar and brick around the window sills be replaced; that new locks be provided for second floor doors and windows or old ones be repaired; that the juvenile rooms be re-decorated.

Investigation of the accusation against Maurice Tillman (G-3751) has been continued.

Against the following named accused persons, who have been held to answer, no indictment has been found, (Sec. 13436-22) to-wit:

Case No. 3573 -	State of Ohio Vs. Willard Wood -	Assault and Battery
Case No. 3578 -	State of Ohio Vs. Donald McClennen	Assault and Battery

This matter coming before the Court on the matter of custody of the minor children and the support and maintenance of minor children and wife during the pendency of the action, both parties appearing represented by counsel, upon testimony the Court finds plaintiff consents to the temporary custody of the minor children being confided to defendant; that plaintiff is employed as alleged in the Cross-Petition and that his wages have recently been reduced to One Hundred Fifteen Dollars ($115.00) per week; that by agreement of the parties the sum of Sixty Dollars ($60.00) per week temporary support and maintenance is a reasonable sum.

JOURNAL ENTRY

Annabel Haines,
Plaintiff

Case No. 17107

Filed September 12, 1958

vs

John B. Haines,
Defendant

This day this cause came on to be heard upon the Motion filed by the Plaintiff herein for a change of the part time custody of the minor child of the parties, and for an order of permanent custody of the minor child of the parties, and upon the reasons and specifications set forth in said Motion upon the request of the Attorney for Defendant, the Court sets forth in this Entry the facts and changed conditions found by the Court from the evidence, affecting the general welfare of the minor child, since the time of making the last order by the Court changing the permanent custody of the minor child, said order having been made on the 31st day of March, 1958.

The Court finds from the evidence adduced in this trial, the following facts, to-wit:

1. That the Defendant provided a home in the residence of Defendant's mother in Richwood, Ohio, and, that the only person residing in said home is Defendant's aged mother of the age 71 years.
2. That Defendant since providing said home for said child with his mother, would be at home only on every other weekend, from Friday evening at approximately six o'clock until Sunday afternoon, to be with and visit said child, thereafter leaving said child alone with his aged mother until his return the next week.
3. That on many week-ends both, the Defendant and his mother would attend harness horse race meetings in the Village of Hilliards, Ohio, and would be at said race track from the hour of 8:15 P.M. until near the midnight hour. The Court will take judicial notice that the Village of Hilliards, Ohio is 30 miles from Richwood, Ohio, making the round trip from Defendant's home, the distance of 60 miles. That on several occasions this minor child would be taken with them to said race meetings, on other occasions Defendant would employ baby-sitters, strangers to the child, to sit with the child in the grandmother's home, until her and the Defendant's return. On other occasions the child would be taken to stranger homes of baby-sitters, some out in the country, and to other homes in Richwood, Ohio to await the return of Defendant and his mother, and sometimes the child would remain all night with the baby-sitters. That Defendant and his mother refused to permit the child's mother to sit with her child as a baby-sitter, but insisted on placing said child among other strange baby-sitters, notwithstanding the fact that the child's mother was living within approximately 3 town blocks from Defendant's home. of
4. That since the beginning/theCounty fairs' horse racing programs, the Defendant's mother would attend the fair race meetings on one or two days each week, on some of these occasions the child would be taken with her to the different fairgrounds and race meetings, while in most other occasions the child would be placed with baby-sitters until the return of Defendant's mother, and on these occasions said child would not be permitted to be with her mother as a baby-sitter.
5. That on some occasions Defendant's mother would whip this little girl, the child of the parties, but did not testify as to any facts justifying the whipping.
6. That on every other week-end, being the right of the mother's visitation as fixed by this Court, the child would be delivered to the mother, by Defendant's mother, in an unkept, untidy and in a dirty condition, necessitating the mother to bathe said child and to wash and comb her hair and to re-arrange her clothing.
7. That the child was forced to wear shoes too small in size for her feet, causing open blisters on each ankle, over which was worn black hose. The mother was required to cleanse said wounds and bandage the same and to furnish the child with a comfortable and sizeable pair of shoes and white hose to be worn by the child to prevent infection and so that said blisters would heal and the child's feet could be made comfortable.
8. That Defendant on one occasion of his visitation rights took said child from the Plaintiff's home to his home in Richwood, Ohio and refused to deliver and return the child to her mother at the conclusion of said visitation rights. The mother then went to Defendant's home to get the child and the Defendant refused to deliver said child, came out on to the front porch of said home, beat and assaulted Plaintiff in the presence of said child, and severely injured her and also permitted the dog owned by Defendant and his mother, to come on to the porch and bite both of Plaintiff's legs, all causing her to be under the care of a physician, all of these acts happening on a Sunday afternoon, and all of which badly upset, scared and frightened the child. That Defendant's mother stood by watching all of this assault by the Defendant upon the child's mother, and had hold of said child and knew that said child was witnessing the assault by Defendant upon her mother. The next morning early, the Defendant and his mother took said child and left the Village of Richwood and the County, and remained away with said child for three or four days, leaving the mother of said child without any information whatsoever as to the whereabouts of said child.
9. That during Defendant's absence, from his home, as aforesaid, Defendant's mother, having the custody of said minor child, deliberately refused the mother of any communication with her said child, refused the mother the right to converse with said child by telephone or otherwise. If the child was in the yard when the mother would pass the home and attempt to speak or converse with her child, Defendant's mother would take said child into the house, shut the door, and refuse the child the right and privilege to see, speak to and converse with her mother.
10. That notwithstanding the Court's order as to the mother's visitation rights with her said child, the Defendant disregarded the same and would not permit visitation in accordance with said order, in order for the mother to see and visit her said child, she was compelled to sign a written contract, agreeing to certain conditions and demands by the Defendant.

11. That Defendant and his mother refused any visitation rights of the child with her grandparents, the parents of the child's mother.
12. Notwithstanding the fact that the child had been baptized in the Catholic religion when a very small baby, and had been regularly in attendance at the Catholic services, and all within the knowledge of the Defendant and his mother, the Defendant and his mother had the child baptized in the religion of the Methodist Church and had her attend the Methodist Sunday School on every other Sunday and also attend one hour of preaching services after her attendance for one hour in Sunday School. Defendant and his mother would tell the little child she was no longer a Catholic, but that she was a Methodist. Defendant's mother would not listen or hear the child say her prayers, but the child said she would say her prayers anyway in bed. Defendant and his mother placed the child in some kind of a Child Methodist religious program, this summer, and forced her to attend same for one hour, for a period of one week.
13. That the child is now in a confused condition, afraid, frightened, and seems in an insecure state of mind; has lost three pounds in weight, since being in the custody of Defendant and his mother, eats scanty of food and eats improperly, is in a highly nervous condition and is emotionally upset. Defendant and his mother have told the child derrogatory things about her mother, and also certain things as to why she is in the custody of Defendant, and not with her mother.
14. And when the time comes to return the child to Defendant and his mother's home, after completing her visitation with her mother, the child cries and says she does not want to return to her father and his home, but wants to stay and live with her mother, the child does not understand why she can not live with her mother, and thinks and believes her mother does not want to live with her.
15. That Defendant refuses to co-operate with the Plaintiff in making proper arrangements for the entrance of the child into the school, insisting and stating that he will not buy the child's school books or pay for the necessary clothing for the child to wear to school, justifying his refusal to do so because the mother will have the custody of the child, and insisting that it is a duty upon her to furnish these things, and not a duty of his.

The Court makes the foregoing findings of fact from the evidence adduced into the record during the trial of this case, by the various witnesses who testified.

This Court takes notice that he has presided from the beginning of this case, in this Court, and has made all of the former findings of fact and judgments entered thereon to the divorce, the custody of the minor child, alimony and division of property rights between the parties, the visitation rights and the support to be paid by the father, and has presided as the trial Judge in all of the many different hearings in this case, and now is fully familiar with the entire record in this case, and the conditions existing between the parties, prior to this trial.

The Court further finds that at the former trial of this case, and before entering judgment, changing the part time custody to the father, that this Court was required by this Motion to make separate findings as to its conclusions of fact from its conclusions of law, and that it found in its conclusions of fact, that both the Plaintiff and the Defendant were fit, proper and suitable parents to have the custody of said minor child. Also, that it was stipulated between plaintiff and Defendant that the Plaintiff was residing in the home of her parents in Richwood, Ohio and that the Defendant was residing in the home of his mother in Richwood, Ohio, and that both homes were proper and suitable for the residence of the minor child, and all of these findings are a part of the record in this case.

The Court further finds that when it modified its former order and judgment, changing its part time custody to its father, the Defendant in this case, it was of the opinion that such change would be for the best and general welfare of said minor child and that a better understanding between Plaintiff and Defendant would result in closer co-operation between the father and mother as to their responsibility in raising said child and directly result to the better general understanding and welfare of this child, but that this order has not worked toward the general welfare of said child and as the Court had expected, but has resulted in conditions greatly against the general welfare of said minor child and to her detriment.

The Court further finds from the testimony of the various witnesses in this trial, that conditions arising with the part time custody, with the father, of said child, has changed, since the last order and judgment of this Court in changing the part time custody from the father to the mother, and that said change of conditions is greatly detrimental to the general welfare of said child, and that the father is in such a position, that he is not a suitable person to have the further part time custody of said minor child, and that the home provided for said child by Defendant's aged mother is no longer a suitable place for said child to reside, to-wit: That the father's absence from his home each week, all but approximately 1½ days each week, prevents him from being in a position to properly supervise and look after the comfort, convenience, enjoyment, recreation, and the education of said child, that he is without the proper understanding of what conditions are necessary and proper in raising said child, and seemingly does not understand the love and affection of the mother for the child, and of the child's love and affection for her mother, and otherwise, his conduct has shown by the assault upon the child's mother in the presence of the child, in all, makes it the duty of the Court to change the part time custody to a full time custody, exclusive to the mother, with rights of visitation to the father.

The Court also finds that the mother of the child is a more suitable person to supervise and raise said child than Defendant's aged mother. That Defendant's mother, as shown by the testimony of the witnesses in this case, is neglectful of the welfare of the child in frequently confining the child to baby-sitters both during the day and night, during Defendant's mother's absence from her home. Also, that there exists a bitterness of Defendant's mother towards and against Plaintiff, directly affecting her attitude toward the minor child. And that it is not of a benefit to said child to remain continuously alone with Defendant's mother in her home.

The Court further finds from the testimony, that under the conditions which the child is now living in Defendant's mother's home, she has become confused, and is in a general state of confustion, she is unhappy and in a nervous condition, seemingly in a state of fear, under weight about 2 or 3 pounds, is dissatisfied with living with Defendant's mother, is very fond and much attached to her mother and wants to live with her mother, and can not understand why she is not living with her mother and why she is living with Defendant and his mother, all of which is detrimental to the general welfare and well being of said minor child.

IN THE COURT OF COMMON PLEAS, UNION COUNTY, OHio

E. Floyd Blue

and
Opal Daniels,
Defendants

This cause came on for hearing on the petition and the evidence and the court finds that it has jurisdiction of subject-matter and that all parties are in default for answer.

The court also finds that the plaintiff is the owner of an estate in fee simple in an undivided one-third interest in the real property described in the petition, that the defendants, E. Floyd Blue and Opal Daniels each are the owners in fee simple of an undivided one-third interest in said property, and that plaintiff is entitled to have partition made of said premises as prayed for in the petition.

It is therefore ordered, adjudged and decreed that partition of said property be made, and Robert MacIvor, Fred Johnson and Harold Coleman, three disinterested and judicious free holders of the vicinity, are hereby appointed commissioners to make the same.

It is further ordered that a writ issue to the sheriff of Union County, Ohio, commanding him that by the oaths of said commissioners he cause to be set off and divided to each of the above named parties the part and proportion of said estate to which they are hereinbefore severally found to be entitled, and of his proceedings herein the said sheriff is ordered to make due return.

Case No. 18249

Filed November 7, 1958

This matter having come before the court for pre-trial conferences and attorneys for the parties upon presentation of evidential documents to be introduced in evidence and upon consideration of the law applicable to the issues made, agree to and approve this journal entry disposing of the matter;

The court finds the defendants are properly before the court and that it has jurisdiction of the parties and the subject matter; that the Village of Plain City by Ordinance #491 duly passed on February 4, 1952, and recorded in the records of Defendant Village, provided that the payment of the improvements the subject of said Ordinance "Shall be assessed by a percentage of the tax value of the property assessed upon the following described lots and lands, to-wit: All lots and lands abutting upon the proposed improvement, excluding lot 16" (underscoring added); that said ordinance was never amended, not repealed and the assessment upon Lot 16 is therefore invalid and the defendants should be permanently restrained from attempting to charge any portion of the cost of said improvements upon the valuation of Lot 16 in the Atkinson Addition to the Village of Plain City; that except as affecting Lot No. 16 the bond issue proceedings are valid in all respects; that the entire cost of the improvements should be, as provided by Ordinance #509, assessed upon all other lands and lots abutting upon the improvement.

It is therefore by the court, and with agreement of counsel for the parties, ordered, adjudged and decreed that the assessment of taxes upon lot 16 of the Atkinson Addition to the Village of Plain City for purposes of street and sewer improvements made under action of Plain City Village Council in Ordinance #509 be permanently enjoined; that the Union County Treasurer remit all amounts charged against Lot 16 for or because of such assessment heretofore illegally made and that the Council of the Village of Plain City certify to the Union County Auditor for the date necessary to compute and levy assessments as provided in Ordinance #509, excepting Lot 16.

On October 29, 1958, this cause came on for hearing to be heard upon the petition of the plaintiff and the answer and cross-petition of defendant, and the answer of the plaintiff to the cross-petition, and the evidence, and on consideration thereof, the Court finds the plaintiff had the necessary and requisite residence in this County and State at the time of the commencement of this action and that the Court has jurisdiction of the cause of action and of the parties; and that the parties thereto were married as in said petition set forth, and that there were no children born of said marriage.

JOURNAL ENTRY

Union County Federal Savings & Loan Association of Marysville, Ohio
Marysville, Ohio,
Plaintiff

vs — Case No. 18365 — Filed February 2, 1959

Harry Mansfield
Rural Route
West Mansfield, Ohio
AND
Columbus Production Credit Association
Marysville, Ohio,
Defendants

This cause came on to be heard upon the Petition of the plaintiff, Union County Federal Savings & Loan Association of Marysville, Ohio, a corporation organized and existing under the laws of the United States of America, to obtain a judgment upon a promissory note executed and delivered to the plaintiff by the defendant, Harry Mansfield and to foreclose the lien of the mortgage securing the obligation of said promissory note upon real estate of the defendant and to require defendant, Columbus Production Credit Association to set up its claim, if any, to said real estate or be barred.

Upon the evidence and the record, the Court finds that all of the above named defendants were duly served with summonses, as provided by law, and that the defendant, Harry Mansfield, is in default of Answer and Demurrer.

The defendant, Columbus Production Credit Association, has filed an Answer and Cross Petition, to which no reply has been filed.

Upon the evidence and being fully advised in the premises, the Court finds that there is due the plaintiff from the defendant, Harry Mansfield, on the promissory note set forth in the Petition, the principal sum of One Thousand Twenty Five Dollars ($1,025.00), with interest thereon at the rate of six (6%) percent per annum.

It is therefore considered and adjudged by this Court that the plaintiff recover from the defendant, Harry Mansfield, the said sum of One Thousand Twenty Five Dollars ($1,025.00), with interest thereon at the rate of six (6%) percent per annum, from November 18, 1958, until paid.

The Court further finds that in order to secure the payment of the promissory note set forth in the Petition, said defendant, Harry Mansfield, executed and delivered to the plaintiff his certain mortgage deed and thereby conveyed to the plaintiff the following described real estate:

Real Estate situated in the Township of Washington, County to Union and State of Ohio, and bounded and described as follows:

Being part of Survey No. 9894.

Beginning at a stone 15 x 9 x 6 inches in the Greenville Treaty line and at the southwest corner of land belonging to Wm. Green; thence with said Wm. Green's West line N. 7° 8' W. 34.32 chains to a stone 11 x 6 x 5 inches at the Northwest corner of said Wm. Green's land and in the south line of lands belonging to Jno A. Green; thence with said Jno A. Green's south line S. 81° 55' W. 16.24 chains to a stone; thence S. 7° 8' E. 33.92 chains to a stone in the Greenville Treaty line; thence with said Treaty line N. 83° 22' E. 16.24 chains to the place of beginning.

Containing 55¼ acres of land, more or less.

The Court finds that said mortgage deed was duly filed for record with the Recorder of Union County, Ohio, on October 13, 1953, and was thereafter duly recorded in Mortgage Records Volume 146, Page 527, and that said mortgage deed is a valid and subsisting first lien upon the abovedescribed real estate. The Court further finds that said mortgage contains a condition that if said defendant shall fail to pay taxes on said real estate when due, or if said defendant should default in the payment of interest on said note or any installment of principal, then said mortgage deed should become absdute. The Court further finds that by reason of the failure of the defendant, Harry Mansfield, to pay taxes when said taxes became due and payable and also by reason of failure of the defendant to pay any installment of principal or interest due on or after July 24, 1958, the conditions of defeasance in said mortgage deed have become broken and said mortgage deed has become absolute and plaintiff is entitled to have said mortgage foreclosed.

The Court finds that there is due to defendant, Columbus Production Credit Association, a corporation organized and existing under the laws of The United States of America, from defendant, Harry Mansfield, upon the promissory note and mortgage set forth in the Answer and Cross Petition of said defendant, Columbus Production Credit Association, the sum of One Thousand Sixty Two Dollars ($1,062.00), with interest thereon at the rate of six (6%) percent per annum from December 11, 1958, for which amount judgment is hereby rendered in favor of the defendant, Columbus Production Credit Association, against the defendant, Harry Mansfield; that said defendant, Columbus Production Credit Association, has a good and valid lien upon the premises hereinabove described, next after the lien of the plaintiff; that said mortgage was duly filed with the Recorder of Union County, Ohio, on August 8, 1958, and was thereafter duly recorded in Mortgage Record Volume 164, Page 401; that defendant, Columbus Production Credit Association is entitled to have the lien of its mortgage foreclosed; and said real estate sold in satisfaction thereof.

It is therefore ordered, adjudged and decreed that unless said defendant, Harry Mansfield, pay or cause to be paid the costs of this case, the taxes now payable upon the above described real estate, and the amounts aforesaid found due to the plaintiff, and to the defendant, Columbus Production Credit Association, within three (3) days, after the entry of this decree, the equity of redemption of defendant, Harry Mansfield, in said real estate be foreclosed and said real estate sold and an order of sale be issued to the Sheriff of Union County, Ohio, directing him to appraise, advertise and sell said real estate according to law and the orders of this Court and report his proceedings to this Court.

It is further ordered, adjudged and decreed that said Sheriff, upon confirmation of said sale shall pay from the proceeds thereof the following moneys in the order hereinafter set forth;

1. To the Clerk of this Court, the costs of this action.
2. Union County Treasurer, the taxes due and payable against said real estate.
3. To plaintiff, Union County Federal Savings & Loan Association, the sum of One Thousand Twenty Five Dollars ($1,025.00), together with interest thereon at the rate of six 6%) per cent per annum from November 18, 1958.
4. To defendant, Columbus Production Credit Association, the sum of One Thousand Sixty Two Dollars ($1,062.00), together with interest thereon at the rate of six (6%) percent per annum from December 11, 1958.
5. The balance of the sale proceeds, if any, shall be paid by the Sheriff to the Clerk of this Court to await the further orders of this Court.

And now comes the said Plaintiff, by his Attorney, and the Defendant having been duly served with summons and a copy of the petition the Court finds that the Defendant is in default for answer or demurrer to the petition, thereby confessing the allegations thereof to be true.

Filed March 18, 1959
Case No. 18315

This matter coming before the Court upon the Cross-Petition of the defendant, Marjorie I. Rawlins, plaintiff having with leave of Court withdrawn and dismissed his Petition for divorce, upon the testimony and evidence adduced, the Court finds the defendant, Marjorie I. Rawlins, has been a resident of the State of Ohio and of Union County for more than one (1) year last past and that the plaintiff, Lester E. Rawlins, has been duly served with personal service on the Cross-Petition of the defendant.

The Court further finds that the parties were married as alleged in the Cross-Petition and there are four children issue of this marriage, namely Lawrence Earl Rawlins, born April 25, 1943, Donald Eugene Rawlins, born August 30, 1947, Cheryl Marie Rawlins, born January 10, 1953 and Kimberly Gay Rawlins, born December 26, 1957; that the parties own in common a property in the Village of Unionville Center, Ohio, encumbered by a mortgage to the First National Bank of Marysville and that they have reached a property settlement which is attached to this decree and hereby approved; that the children of the parties should be confided to the custody, care and control of the defendant, subject to reasonable rights of visitation by plaintiff and that she should own as her separate property the household goods in their residence at Unionville Center; that plaintiff has been guilty of extreme cruelty as alleged in the Cross-Petition and by reason thereof the defendant is entitled to a divorce.

It is therefore ordered, adjudged and decreed that the property settlement and agreement pertaining to custody and payment for the support of the children heretofore entered into by the parties be approved and made a part of the decree and that the defendant, Marjorie I. Rawlins, hereby be granted a decree of divorce from the plaintiff, Lester E. Rawlins, and in accordance with the agreement entered into by the parties, the plaintiff pay through the Office of the Clerk of Courts until further order of Court the sum of Forty Dollars ($40.00) per week, support for said minor children.

SEPARATION AGREEMENT

This agreement made at Marysville, Ohio, this 24th day of November, 1958, by and between Lester E. Rawlins and Marjorie I. Rawlins, husband and wife, witnesseth:

That Whereas, unfortunate difficulties have arisen between the parties hereto rendering it impossible for them to hereafter live together and said parties having been involved in a divorce litigation in the Union County Common Pleas Court since the 26th day of August, 1958,

they have agreed to the following property settlement and provisions for support of the four minor children of the parties and that the court upon the hearing for divorce shall be requested by both parties to approve this agreement.

It is agreed Marjorie I. Rawlins shall have the care, custody and control of the four minor children of the parties, subject to reasonable rights of visitation by their father, and that Lester E. Rawlins shall pay through the office of the Clerk of Courts the sum of $40.00 plus poundage, per week, for the support of said minor children until such payment shall be altered or modified by order of the court, for good cause shown; that the home of the parties located in Unionville Center, Ohio, shall be quit-claimed by Lester E. Rawlins to Marjorie I. Rawlins with the provision that Marjorie I. Rawlins will execute a note to and record a mortgage in favor of her four children for the equity of Lester E. Rawlins in said property. At the present time the property is encumbered by a mortgage of about $3800.00 to the First National Bank of Marysville and it is estimated the equity of Lester E. Rawlins in said property is $2,500.00. The household goods of the parties shall be the separate property of Marjorie I. Rawlins.

It is further agreed before the mortgage to the children is recorded, Marjorie I. Rawlins shall have the privilege of refinancing the property for an additional loan of not more than $1,000.00 and the mortgage for such refinancing shall immediately be followed by the mortgage to the four children.

And now comes the said Plaintiff, by her Attorney, and the Defendant having been duly served with summons and a copy of the petition herein the Court finds that the Defendant is in default for answer or demurrer to the petition, thereby confessing the allegations thereof to be true.

Case No. 18331

Filed March 25, 1959

There is for decision a motion to set aside the summons and to dismiss the petition on the ground that the action was not commenced within the time provided by law. I see no reason to set aside the service of summons but believe that the motion to dismiss the petition should be treated as a demurrer on the grounds that the pleading shows on its face that the action was not commenced within the time prescribed by law.

The papers show that the petition was filed within time but the precipe was not filed until one day after the statute had run, and that summons was not issued until one day after the statute had run.

That being the case, the authority cited by the defendant is controlling. The case cited is Smith -vs- Wagner, 92 O.A., 531. See also Lehman -vs- Horning, 100 O.A., 19, Syl. 2.

The motion to dismiss is, therefore, well taken and it is therefore sustained. An entry should be prepared carrying into effect this ruling, submitted to counsel and the Court for approval. Costs taxed to the plaintiff.

And this cause coming on to be heard upon said petition, the report of investigation and the evidence, the court find that plaintiff at the time of filing his petition, had been a resident of the State of Ohio for more than one year next preceding the same and a bona fide resident of Union County for more than 90 days next preceding the filing of his petition herein and that the parties hereto were married as in said petition set forth and as a result of said marriage, there is one minor child namely: Melody Lynn Moore, who was born on the 6th day of January, 1955.

The court further find, upon the evidence adduced, that the defendant has been guilty of gross neglect of duty and extreme cruelty toward plaintiff and as a result thereof, plaintiff is entitled to a divorce as prayed for.

This matter coming on for hearing on the Petition of plaintiff, the defendant having been duly served with personal service and thereafter having with the approval of the Court dismissed his Answer and Cross Petition filed herein, the Court finds the plaintiff has been a resident of Union County, Ohio, for more than one (1) year immediately prior to the filing of her petition, that she and the defendant are both of legal age and that the Court has jurisdiction of the parties and subject matters; that the parties were married as alleged in the Petition and have one child issue of this marriage, namely Rhonda Laird, born April 20, 1958, and that said child is in the custody of plaintiff who is found to be a fit person to whom may be confided the care and custody of said child.

The Court further finds the parties own no real estate and that by agreement the plaintiff releases all claim to defendant's automobile and he releases all claims to the household goods and that plaintiff shall have exclusive custody of the minor child, subject to reasonable rights of visitation by defendant, defendant to pay the sum of Ten Dollars Ten Cents ($10.10) per week through the office of the Clerk of Courts for support of said child.

(Conviction under Revised Code Section 2903.01)

This day appeared in open court the Prosecuting Attorney on behalf of the State of Ohio and the Defendant, Robert Sprinkle, with his attorney, C. A. Hoopes.

Thereupon the Defendant and his attorney waived the service of a certified copy of the report of the findings as to the mental condition of the Defendant, said report being on file with this Court.

The Defendant, having heretofore been convicted for the violation of Revised Code Section 2903.01, the Court inquired if he had anything to say why judgment should not be pronounced against him; and the Defendant showing no good and sufficient cause why judgment should not be pronounced,

It is, therefore, considered and adjudged by the Court that the Defendant, Robert Sprinkle, be confined in the Ohio State Penitentiary at hard labor, no portion of which shall be in solitary confinement, to serve not less than one (1) year nor more than ten (10) years unless otherwise discharged by law, and that the Defendant pay the costs of this prosecution for which execution is awarded.

County, Ohio

Case No. 18406

Filed April 14, 1959

This cause came on to be heard on the Petition of the Board of Township Trustees, Allen Township, Union County, Ohio, for the transfer of $2,000.00 from the General Fund to the Road Improvement Fund, and the Court finds that notice of the filing of the Petition and of this hearing has been given as required by law, that the Petition states sufficient facts, that there are good reasons, and the necessity exists for the transfer of said funds, and that no injury will result therefrom.

It is therefore ordered that the Petitioner transfer $2,000.00 from the General Fund to the Road Improvement Fund as prayed for in the Petition, and it is further ordered that the Petitioner pay all costs of this proceeding.

This cause coming on to be heard upon the petition and testimony, defendant having by leave of court dismissed his answer and cross-petition, the court finds it has jurisdiction of the parties and the subject matter and that the defendant has been guilty of gross neglect of duty and extreme cruelty as alleged in the petition and by reason thereof, plaintiff is entitled to a divorce;

The court further finds the plaintiff is a suitable person to have custody of the two minor children of the parties and that prior to the hearing the parties have mutually agreed on the distribution of their property and that each has possession of the property set off to each free of claim from the other and that the responsibility for the debts each has agreed to assume has been assumed by each and there are no property rights to be determined in this decree.

It is therefore ordered, adjudged and decreed the plaintiff, Catherine D. Rosette be, and she hereby is, awarded a divorce from the defendant, Russell P. Rosette; that she have custody and control of the minor children subject to reasonable rights of visitation by the defendant, and that so long as each party claims one child as a dependent for income tax purposes the defendant shall pay through the office of the Clerk of Courts the sum of $20.00 per week, plus poundage for support of the minor children. The Grand jury of the Court of Common Pleas of said County of the May Term, A.D. 1959, hereby report to the Court that they have been in session one day and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitmately come to our notice, having examined over fifteen witnesses, covering ten cases, and presented ten bills, and ignored no cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accomodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do find no provistion of law fro the regulation of County Jails has been violated.

Previous recommendations for jail improvements have not been followed, and we as a jury see no reason to make them again.

Against the following named accused persons, who have been held to answer, no indictment has been found,.

Respectfully submitted

ORDER ADMITTING TO PROBATE LAST WILL AND TESTAMENT
In the Matter of the Will of William C. Wood, deceased

Filed July 20, 1959
Case No. 18477 (Common Pleas)
Case No. 18076 (Probate)

This matter was certified to the Common Pleas Court, pursuant to R.C. 2101.38, the Probate Judge, the Honorable Luther L. Liggett, being a witness on said will.

The matter came on to be heard on the application of James E. Wood, Sr. to admit to probate and record the will of William C. Wood, deceased, domiciled at the Township of Allen in said County heretofore filed in the Probate Court (Case No. 18076).

It is now shown to the satisfaction of the Court that said decedent died leaving James E. Wood, Sr. and Hallock Wood, brothers of said decedent, the persons entitled to inherit from the decedent unter the statutes of descent and distribution if said decedent had died intestate.

The Court further finds that said James E. Wood, Sr. and Hallock Wood, have waived notice of the filing of said will and of the application to admit it to probate and record, and given consent to the probate of said will.

And the subscribing witnesses this day appeared in open Court, and having been duly sworn, testified respectively to the due execution and attestation of said will, which testimony was reduced to writing, was subscribed by them respectively, and was filed herein.

Whereupon the Court finds that the aforesaid instrument of writing is the Will of William C. Wood, deceased; that it was duly executed and attested; that the said testator, at the time of signing his will, was of full age, of sound mind and memory, and not under any restraint.

Therefore, the Court, being satisfied as to its jurisdiction herein, orders the admitting of said will to probate and record, and that the Clerk deliver to the Probate Court from which they came, the original papers and a certified copy of this judgment entry, and that thereupon the Probate Judge shall cause a record thereof to be made in the proper records of similar business, pursuant to R.C. 2101.38.

537 E. 5th. St.,
Marysville, Ohio,
Defendant

This cause came on for hearing and was duly heard before the Honorable Judge David S. Porter on the 27th. day of July, 1959, on the petition of the plaintiff and the evidence, the defendant being in default of answer or other pleading although duly served with process personally according to law.

Upon due consideration thereof the Court finds that the plaintiff had been a resident of the State of Ohio for more than one year prior to filing the petition and at the time of the filing and for more than ninety days prior thereto had been a bona fide resident of the County of Union.

The Court further finds that the parties were married and that three children, Judith Hill, now Judith Hill Schmidt, age 24, William J. Hill III, born July 17, 1942, and David Crandell Hill, born November 26, 1950, were born as issue of the marriage, all as alleged in the petition.

The Court further finds that the defendant has been guilty of extreme cruelty to plaintiff as alleged in the petition and that by reason thereof plaintiff is entitled to a divorce as prayed for.

It is therefore ordered, adjudged and decreed that the plaintiff be, and she is, hereby granted a divorce from the defendant and the marriage contract heretofore existing be and it is hereby dissolved and set aside.

It is further ordered, adjudged and decreed that the custody of the minor children, William J. Hill III and David Crandell Hill be and is hereby awarded to the plaintiff and that the defendant pay to the plaintiff for the support of said minors the sum of $25.00 per week plus poundage through the Clerk of this Court until further order of Court; and the defendant shall have reasonable visitation rights to said children.

It is further ordered, adjudged and decreed that the plaintiff shall have full ownership and control of all the household goods and furnishings now owned by either or both of said parties, worth about $1000.00 and any automobile that may now be in the name of plaintiff; that the defendant shall have fully ownership of any automobile now in his name and shall be solely responsible for any debts thereon.

It is further ordered that plaintiff shall be entitled to claim David C. Hill as an exemption on her Federal Income Tax return and that defendant shall be entitled to claim William J. Hill III as exemption on his Federal Income Tax returns.

It is further ordered, adjudged and decreed that the defendant pay the plaintiff the sum of $150.00 as attorney fees for her attorney, and that the defendant pay the costs of this proceeding, for which judgment is rendered and execution may issue.

In the Matter of the Will of
Leonard Fogle, deceased

Case No. 18496
Filed August 21, 1959

This matter was certified to the Common Pleas Court, pursuant to R. C. 2101.38, the Probate Judge, the Honorable Luther L. Liggett, being a witness on said will.

The matter came on to be heard on the application of Eva Gertrude Fogle, to admit to probate and record the will of Leonard Fogle, deceased, domiciled at Route #3, Marysville, Ohio, in said county, heretofore filed in the Probate Court (Case No. 18104).

It is now shown to the satisfaction of the Court that said decedent died leaving Eva Gertrude Fogle, surviving spouse, and Paul J. Fogle, son, the persons entitled to inherit from the decedent under the statutes of descent and distribution if said decedent had died intestate.

The Court further finds that said Eva Gertrude Fogle and Paul J. Fogle, have waived notice of the filing of said Will and of the application to admit it to probate and record, andgiven consent to the probate of said will.

And the subscribing witnesses this day appeared in open Court, and having been duly sworn, testified respectively to the due execution and attestation of said will, which testimony was reduced to writing, was subscribed by them respectively, and was filed herein.

Whereupon the Court finds that the aforesaid instrument of writing is the will of Leonard Fogle, deceased; that it was duly executed and attested; that the said testator, at the time of signing his will, was of full age, of sound mind and memory, and not under restraint.

Therefore, the Court, being satisfied as to its jurisdiction herein, orders the admitting of said Will to Probate and record, and that the Clerk deliver to the Probate Court from which they came, the original papers and a certified copy of this judgment entry, and that thereupon the Probate Judge shall cause a record thereof to be made in the proper records of similar business, pursuant to R. The Grand Jury of the Court of Common Pleas of said County of the September Term, A. D. 1959, hereby report to the Court that they have been in session one day, and herewith by their foreman present to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitmately come to our notice, having examined over twenty-three witnesses, covering sixteen cases, and presented twelve bills, and ignored four cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the Court Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court,that the rules prescribed by theJudge have been faithfully kept and observed, and we do find no provision of law for the regulation of County Jails has been violated.

We recommend painting the interior and the exterior of the county jail and pointing up the bricks to the outside, and to put in a fire escape to the juvenile detention quarters.

Against the following named accused persons, who have been held to answer, no indictment has been found, Marvin Lucas for grand larceny; Edgar Bogan for non-support; Maude Parker for petty larceny, and Claude Weldon for assault.

This day this cause came on to be heard upon the Petition of the Plaintiff and the Evidence.

The Court finds that the Defendant, Gladys Christine Wood, on March 3, 1959 was present in Union County with the child of the parties, Cynthia Lynn Wood, and that the Defendant was duly and personally served as required by law, with summons, a copy of the Petition and an order restraining her from removing said child from the jurisdiction of the Court; that the Defendant, Gladys Christine Wood, then being a minor, service was made by publication on her mother, Gladys Vickery who resides at 2113 S. W. 13th St., Oklahoma City, Oklahoma; and that the Defendant is now over 21 years of age and that she is in default for answer to the Petition, in the cause, thereby confessing the allegations of the Petition to be true.

The Court further finds that the Plaintiff was for more than one year preceding the filing of his petition, a bonafide resident of Union County, Ohio; and that he and the Defendant were married on the 5th day of November, 1955, at Auburn, Indiana, that one child, Cynthia Lynn Wood, Born March 11, 1956, is the issue of said marriage.

The Court further finds that the Defendant has been guilty of gross neglect of duty, and by reason thereof the Plaintiff is entitled to a divorce.

The Court further finds that the Defendant did intentionally and purposely carry away said child from the State of Ohio, in direct violation of the aforementioned order of this Court, and that the Defendant did fail to appear for hearing on the question of temporary custody and support on March 6, 1959, after being personally served with notice of said hearing by the Sheriff of Union County; and that the Defendant is, as a result, thereof in contempt of this Court.

The Court finds that the Defendant took said child to the State of Oklahoma and that the Plaintiff has been able and willing to provide the necessary and proper home, care, food and clothing for Defendant and his child since September 28, 1958 to this date, the period during which the Defendant has alleged in an action in the District Court of Oklahoma (D101205) that the Plaintiff herein has refused and neglected to provide support.

The Court further finds that the Plaintiff is able and willing to provide the necessary and proper home, care, food and dothing, for the child of the parties; and that the Plaintiff is a fit, suitable and proper person to have the exclusive care and custody of said child, Cynthia Lynn Wood, and that the granting of the exclusive care and custody to the Plaintiff will be for the best interests and welfare, both physical and moral of said child.

It is, therefore, the order of the Court that the marriage contract heretofore existing between Earl Wayne Wood and Gladys Christine Wood, be and the same is hereby dissolved, and both parties are discharged from the obligations of the same.

It is the further order of the Court that the exclusive custody and care of the minor child of the parties, Cynthia Lynn Wood, be and hereby is granted to the Plaintiff.

Plaintiff is ordered to pay the costs of this proceeding.

It is therefore ordered the custody of Susie Belleville shall remain with the plaintiff subject to visitation with the defendant from 6:00 P.M. Friday and 6:00 P.M. Sunday once a month and such visitation shall be on the weekend containg the third Sunday of the month, beginning with Sunday, September 20th; and that the holidays of Easter, Thanksgiving and Christmas shall be rotated in that the defendant shall have the child from 9:00 AM to 6:00 P.M. on Thanksgiving of 1959, and Easter of 1960 and every alternate one of the three aforesaid holidays; that parent not have the child for the holiday shall have her the Sunday following the holiday, regardless of the incidence of the third Sunday of the month falling at that time.

On the 19th day of November, 1959, appeared in open Court the Defendant Leroy Collins, and he was asked to show cause why he should not be punished for contempt of Court in not making payment for support as heretofore ordered.

This case having been regularly assigned for hearing on this date, December, 18, 1959, the defendant being in default for answer and demurrer to the petition, the same was submitted to the Court on the petition, the exhibits and the record, and the Court having heard all the evidence adduced on behalf of the plaintiff, and being fully advised in the premises, doth find:

That the defendant, Alice J. Kennedy, has been duly serv ed with summons and copy of plaintiff's said petition as provided by law, and that she is in default for answer and demurrer thereto.

WHEREUPON, by reason of said aggressions on the part of said defendant, Alice J. Kennedy, the plaintiff, Paul V. This cause came on for hearing on the Petition, Answer and Cross Petition of Metropolitan Life Insurance Company, and the Answer of the Guardian Ad Litem for the minor defendant, Karen Giles, and the court finds that it has jurisdiction of the subject matter and all the parties are properly before the court.

The court also finds that Plaintiff is the owner of an undivided one half interest in fee simple of the real estatedescribed in the Petition; that the Plaintiff has a life estatein the other undivided one half interest of the premises described in said Petition, with the right to sell said premises for her maintenance and support, at her discretion; and that the Defendants, Ray Donovan, Verla Morris, and Karen Giles, have a remainder interest in an undivided one half of said premises, subject to the life estate of the Plaintiff, Cecile M. Donovan upon her paying the appraised value of said property as hereinafter set forth, and upon such payment, the sheriff of Union County, Ohio, shall execute and deliver to said Cecile M. Donovan a deed for said real property.

The court finds from the answer and cross petition of the Metropolitan Life Insurance Company herein that said premises was subject to a mortgage, securing an obligation to the Metropolitan Life Insurance Company in the amount of Nineteen Thousand, Three Hundred Dollars ($19,300.00) with interest at the rate of 5½% from the first day of November, 1959. It appearing to the court that said mortgage is the first and best lien on said premises, and that said Plaintiff wishes to take the premises at the appraised value, subject to said mortgage, it is ordered that the conveyance herein be made to the Plaintiff subject to the mortgage to the Metropolitan Life Insurance Company andthe obligation thereon as aforesaid.

continued

It further appears to this court that the Plaintiff, Cecile M. Donovan is the owner of an undivided one-half interest in said premises in fee simple. It further appears to the court that Item 2 of the Last Will and Testament of said Roy R. Donovan, deceased, provided as follows:

"Item II: If my wife, Cecile M. Donovan, survives me I give, bequeth, and devise to her during her natural life or so long as she remains my widow, all of my property, real and personal, of every kind and description, wheresoever situate, which I may own or have the right to dispose of at the time of my decease.

I further authorize and empower my wife, Cecile M. Donovan, to sell any part or all of my property that she may need for her maintenance and support and to use any part thereof that may be necessary for her maintenance and support which shall be within her discretion.

If my wife, Cecile M. Donovan, does not survive me or after her death or in the event of her remarriage I give, bequeth and devise all of my property to my wife, Cecile M. Donovan and by children equally, share and share alike, that is, my wife shall receive the same as the share of one child."

It therefore appears to the court that the said Cecile M. Donovan had a life estate in the other undivided one-half interest in said premises, with the right to sell or dispose of the same for her maintenance and support, at her discretion, for so long as she remained his widow, with a remainder interest in the Defendants, Karen Giles, Ray Donovan, and Verla Morris.

It is therefore ordered and ajudged by this Court that the sheriff convey said premises to the Plaintiff, Cecile M. Donovan, subject to the mortgage of the Metropolitan Life Insurance Company, and the obligation due thereon, upon payment by the said Cecile M. Donovan as follows:

1. To the Clerk of the Court of Common Pleas, the court costs of this action taxed in the amount of $
2. To cecile M. Donovan, one-half of the balnce of the proceeds of saidsale in payment of her undivided one-half interest in said premises.
3. To the said Cecile M. Donovan one-half of the balance of the proceeds of said sale in payment of her life estate with the power to sell or dispose of said premises for her maintenance and support, at her discretion, for so long as she remains his widow, the unused portion of which shall be paid by the said Cecile M. Donovan to the Defendants, Karen Giles, Ray Donovan, and Verla Morris, upon thedeath of Cecile M. Donovan, or upon her remarriage.

REPORT OF GRAND JURY

TO THE HONORABLE O. W. Whitney, Jr.
Judge of the Court of Common Pleas, Union County, Ohio.

The Grand Jury of the Court of Common Pleas of said County of theMay Term. A.D. 1960, hereby report to the Court that they have been in session one day, and herewith by their foremanpresent to the Court the Indictments found by said Jury.

We have carefully examined into all such matters as have legitmately come to our notice, having examined over seventeen witnesses, covering nine cases, and presented five bills, and ignored four cases considered by us. The business has been transacted in as expeditious a manner as possible.

During our session we visited the County Jail, examined its state and condition, and inquired into the discipline and treatment of the prisoners, and their habits, diet and accommodations. We find and respectfully report to the Court, that the rules prescribed by the Judge have been faithfully kept and observed, and we do not find that

any provision of law for the regulation of County Jails has been violated. The grand jury respectfully recommends that the interior of the jail, at least the defaced parts, be repainted; that the brick on the outside of the jail be pointed, cleaned and the exterior wood painted; that mattress covers and pillow covers be provided for the jail, and it has been reported that the roof of the courthouse and thejail are badly in need of repair, and if this condition exists, we recommend that it be taken care of immediately.

Against the following named accused persons, who have been held to answer, no indictment has been found.
Lewis Miller for petty larceny
Robert Wurtzbaugh forpetty larceny
Tom Ridgeway for petty larceny
Eugene Davis for second degree manslaughter

Respectfully submitted
Donald D. Parrott, Foreman

This cause coming on to be heard on the Petition of the Plaintiff and the evidence, the Defendant having been duly served with summons and the petition, and having filed a motion to dismiss his pleadings which said motion the court hereby grants. The Court further finds that at the time of filing her petition, the plaintiff was for more than one year thereto a bona fide resident of the State of Ohio and for more than ninety days a bona fide resident of the County of Union; that the parties were married as set forth in the Plaintiff's petition and that the following children were born as issue of said marriage, to-wit: Thomas Ray Brown and John Lester Brown.

The Court further finds that the Defendant has been guilty of gross neglect of duty and extreme cruelty toward the Plaintiff as alleged in her petition and by reason thereof the Plaintiff is entitled to a decree of divorce as therein prayed for; it is therefore considered, adjudged and decreed that the marriagecontract heretofore existing between Janet Brown and Carroll Brown be and the sameis hereby dissolved and both parties are released and discharged therefrom.

It is further ordered and adjudged until further order of this Court that the custody, care and control of the minor children above named be and hereby is awarded to the Plaintiff.

It is further ordered by this Court that the Defendant pay for the support of the said minor children the sum of Twenty Dollars($20.00) per week, as long as they remain in the territorial jurisdiction of this court.

The Defendant is hereby awarded visitation rights with said minor children on each Sunday from 9:00 o'clock A.M. to 5:00 o'clock P.M.

It is further ordered that the Plaintiff pay the costs of this proceeding, and all extra ordinary medical or hospital expense of said minor children, to be paid By Defendant.

The Court upon consideration of the separation agreement entered into between the parties finds the same to be fair and equitable to both parties, approves the same and makes it a part of this Entry, the same as if fully written herein.

This matter was certified to the Common Pleas Court, pursuant to revised code Section 2101.38, the Probate Judge, the Honorable Robert F. Allen, being a witness on said Will.

The Matter came on to be heard on the application of Opal S. Epley to admit to probate and record the Will of Mary A. McClenathan, deceased, domiciled at the Township of Jackson, in said County, heretofore filed in the Probate Court (Case No. 18264.).

It is now shown to the satisfaction of the court that said decedent died leaving Opal S. Epley and David W. Somerlot, children of said decedent, the persons entitled to inherit from the decedent under the statutes of descent and distribution if said decedent had died intestate.

And the subscribing witnesses this day appeared in open court, and having been duly sworn, testified respectively to the due execution and attestation of said Will, which testimony was reduced to writing, and subscribed by them respectively, and was filed herein.

Whereupon the Court finds that the aforesaid instrument in writing is the Will of Mary A. McClenathan, deceased; that it was duly executed and attested; that said Testator, at the time of signing her Will, was of full age, of sound mind and memory, and not under any restraint.

THEREFORE, the Court, being satisfied as to its jurisdiction herein, orders the admitting of said Will to probate and record, and that the Clerk deliver to the probate Court from which they came, the original papers and a certified copy of this Jounral Entry, and that thereupon the Probate Judge shall cause a record thereof to be made in the proper records of similar business, pursuant to the Revised code Section 2101.38.

The Court also considering its judgment Entry herein before made and issued on January 28, 1960.

And upon due consideration of the facts of record and the case and statute law hereinabove cited and referred to. this Court is compelled to make the following findings and conclusions:

1. That former Section 8305, General Code, is now Section 1309.03, Revised Code of Ohio, and has not been subject to a substantial amendment or modification by recondification;

2. That Section 1309.03 was in full force and effect when the within judgment entry of January 28, 1960 was made and issued;

3. That the case law applying to former Section 8305, General Code, is and must be applied to Section 1309.03, Revised Code of Ohio;

4. That, upon the application of said case law to thewithin judgment entry ofJanuary 28, 1960, it must be concluded that the plaintiff herein, Blaine Strong, had a right only to such interest as provided by said Section 1309.03, and that he is entitled to and can demand no more than the amount thereof which said statute awards;

5. That, by virtue of said statutory provision and said case law, the aforesaid judgment entryof January 28, 1960, was not subject to motion or appeal by defendant for the purpose of vacating or modifying unnecessary and superfluous wording stated therein purporting to award interest prior to the date of said judgment entry;

That said mortgage was duly recorded with the Recorder of Union County in Vol. 163, Page 195 of the Mortgage Records of said County and is a good and valid lien upon said real estate.

It is therefore considered by the court that theplaintiff recover from the defendants, Noah F. Rettig and Marieta Rettig, said sum of $2976.42 with interest and costs. And it is further ordered that unless the defendants, Noah F. Rettig and Marieta Rettig shall within three days from the entry of this decree, pay, or cause to be paid to the Clerk of this Court the costs of this case and to the plaintiff the sum so found due as aforesaid with interest from August 11, 1960, the equity of redemption of the said Noah F. Case No. 17454

This matter coming before the court on the motions of plaintiff and defendant for an order to modify the last previous /order concerning support payments and upon motion of plaintiff for an order citing defendant to show cause why he should not be held in contempt of court for failure to make payment heretofore ordered in this matter, the court finds the following:

That the existing order for support provides for a payment of Twenty Dollars and Twenty Cents ($20.20) per week to the office of the Clerk of Courts, for the/payment of Twelve Dollars ($12.00) per month to plaintiff's landlord for rent and for provision of fuel by defendant to plaintiff; that since July of this year only one minor child namely Dana Hutchins is at home and a dependent of defendant. That defendant and plaintiff agree defendant has for some months been Seventy Dollars ($70.00) in arrears and since August 2nd his payments have been Ten Dollars $10.00 per week; that plaintiff claims defendant has paid only Fifty Dollars ($50.00) per month toward the rent over a period of three (3) years and defendant admits having paid only Fifty Dollars ($50.00) in the last two (2) yeas and further admits of not having provided any fuel as ordered.

The court further finds defendant has since the previous order been remarried in Angola, Indiana, and that he has twice been injured, and at present has earnings reduced from that whichhe was receiving in 1954, and because of the changed circumstances the existing order should be modified, but that defendant is guilty of contempt as charged.

It is therefore ordered, adjudged and decreed defendant purge himself of contempt by December 1st by making up Seventy Dollars ($70.00) in back support payments and in addition thereto, beginning as of Friday, September 9th he shall pay to the office of the Clerk of Courts the sum of Twelve Dollars and Twelve Cents ($12.12) each week and shall pay all medical bills including dental and eye care for Dana Hutchins.(Defendant assessed costs. The Court further finds from the testimony the parties are indebted to Columbus Production Credit Association, Hunt Milling Compnay, City Loan and Savings Company, J. I. Case Company, Hamilton Wrecking Company, Hamilton Equipment Company, Union County Farm Bureau, Parrott Implement and Supply, Harold Winter Funiture Store, Standard Oil Company and defendant's mother, for debts totaling more than the assets of the parties and that the parties have entered into an agreement concerning property rights whereby plaintiff relinquishes her interest in all personal property except the living room rug and defendant has agreed to assume and exonerate plaintiff from the liability on all debts to date and there is therefore no property to award to plaintiff.

In the matter of Magnetic Springs
Hospital Foundantion and Incor Hotel Corp.

Case No. 18701
Filed Sept 22, 1960

On this 22nd day of September, 1960, the court considered the motion submitted by the counsel of the trustees of Magnetic Springs Hospital Foundation and the trustees of Incor Hotel Corp. to withdraw page two as originally submitted, and to submit the substitution of a corrected page two in lieu thereof.

The court considers that the interests of no persons will be damaged or prejudiced by the granting of the motion, and therefore orders that the clerk shall forthwith withdraw the original page two from the petition as submitted; and that the corrected page two shouldbe accepted for filing at once and substituted in the petition.

The court also considered that the substitution of a page will not affect the position of the Marion Contracting Company as reflected in their answer; nor will it affect the position of the Attorney General of Ohio as reflected in his answer; and the court accordingly orders that the answer be considered to have been submitted to the content of page two of the petition as amended and admitted to record.

In the matter of Magnetic Springs Hospital
Foundation and Incor Hotel Corp.

Case No. 18701
Filed Sept 22, 1960

On this 22nd day of September, 1960, the Board of Trustees of Magnetic Springs Hospital Foundation, an Ohio charitable corporation, and the Board of Trustees of Incor Hotel Corp., anOhio corporation not for profit, presented in open court, their application for the approval of a tentative transaction with Marion Contracting Company. The court considered the trustees' petition for instructions, the answer of Marion Contracting Corporation, the answer of the Attorney General of Ohio, the consent of Edward C. Jenkins and the evidence. The premises considered, the court finds as follows:

Magnetic Springs Hospital Foundation is an Ohio charitable corporation chartered and organized by the Secretary of State of Ohio on March 3, 1953 as corporation number 232358. The Foundation is the owner of eight tracts of real estate located in Leesburg Township in the Village of Magnetic Springs acquired b y a deed from Park Hotel, Inc. and recorded in Deed Book 191 at page 61 in the office of the Recorder of Union County,Ohio.

On or about November 10, 1955, Magnetic Springs Foundation executed a promissory note and a second mortgage deed to Marion Contracting Company recorded in Mortgage Record 154 at page 481 for the purpose of paying for extensive remodeling of the principal place of doing business of the Foundation located at Magnetic Springs, Ohio, within Union County.

The mortgage lien for the obligation of the Foundation to Marion Contracting Company has continued ever since November 10, 1955, and as of October 1, 1960 there will be an outstanding balance of $33,546.06 due to the second mortgagee upon the obligation.

On or about January 11, 1960, as a gift from the Incor Hotel, Inc., Ohio corporation number 231375 organized January 5, 1953, a parcel of real estate improved with a large public establishment known as Incor Hotel located in Magnetic Springs was conveyed to Magnetic Springs Hospital Foundation by a deed recorded in Deed Book 203 at page 31 in the office of the Recorder of Union County, Ohio. The Hotel property is more fully described as follows:

> Being all of Lots A. and B. in Magnetic Springs, and bounded on the north by Magnetic Street; on the south by a sixteen and one-half foot alley; on the west by Rose Street; and onthe east by Willsjohn Street. Also the alley sixteen and one-half feet wide between Lots A and B.
>
> For further description of the premises, see a detailed plat of the Village in the office of the Recorder of Union County, Ohio.

With the appearance in open court and a due participation of John D. Barricklow Esquire, Assistant Attorney General, the Court finds that the gift was absolute and without limitation and that the proposed transfer will not violate in any way the terms of the gift.

On January 25, 1960, the trustees of the Magnetic Springs Hospital Foundation subsequently organized a subsidiary corporation not for profit known as Incor Hotel Corp., Ohio corporation number 287528. On March 31, 1960, Magnetic Springs Hospital Foundation conveyed the title to the Incor Hotel building to Incor Hotel Corp. by a deed recorded in Deed Book 203 at page 248 in the office of the Recorder of Union County, Ohio.

The Court received evidence of the restricted and unrestricted resources of the Foundation, its patient load, its needs for growth and its cash requirements all as summarized in the supplemental attached schedules.

The court finds that many contributions are received by the Foundation from donors who insist that they be earmarked for specific purposes and that thereby, the Foundation has in fact no ready fund of cash from which to liquidate the outstanding obligations accumulated in years gone by, of which the lien of the Marion Contracting Corporation is now overdue and is the largest and most immediately pressing.

Marion Contracting Corporation by its answer in open court has offered to fully discharge its claim against the Foundation in exchange for the conveyance of the Hotel property, the bath house and all furnishings and equipment as of August 22, 1960 subject to the outstanding lien for taxes accrued January 1, 1960 and collectible on December 20, 1960 and June 20, 1961 respectively and further subject to whatever liens for personal property taxes may be now outstanding against it thereby so as to discharge Incor Hotel Corp. and The Magnetic Springs Hospital Foundation of whatever personal liability it may have in the circumstances for personal property taxes. It will pay $250 toward the total cost of this proceeding, return the excess of any selling price which it realizes over and above the outstanding balance of the mortgage lien at October 1, 1960 in the amount of $33,546.06, plus its share of the costs of this proceeding, brokers' commissions, its legal fees in this proceeding and to effect the sale plus Federal internal revenue documentary stamp taxes.

The court considered that publication had been made on three successive weeks in the Marysville Evening Journal-Tribune, to-wit, on August 30, September 6 and September 13, and in the Richwood Gazette on September 1, September 8 and September 15; and that these publications have provided ample notice to the community of the sense of this proceeding.

The premises considered, it is ordered and adjudged as follows:

1- The court has jurisdiction over this proceeding by virtue of its general equitable powers and the explicit provisions of Ohio Revised Code 1702.40.

2- The trustees have published ample notice to the community and to all interested persons in general concerning the proposed transaction and has served notice upon the Attorney General of ohio who is a party in this proceeding under the provisions of Ohio Revised Code 109.23 and followsing:

3- The trustees of Incor Hotel Corp. are authorized and directed to forthwith deliver a deed of conveyance to the Marion Contracting Corporation for the hotel and bath house property and a bill of sale for all furnishings and equipment located in both as of August 22, 1960; and are ordered to pay a Federal internal revenue documentary stamp tax of $38.50 as a derivative cost of the conveyance.

4- Marion Contracting Company is ordered immediately to mark paid the promissory note of Magnetic Springs Hospital Foundation and surrender it to counsel for the trustees of the Foundation, to mark paid the outstanding mortgage against the Foundation real estate and are forever enjoined from attempting to assert any further claims against the Foundation or any of its property.

5- The trustees of Magnetic Springs Hospital Foundation are ordered to submit for record the executed release of the mortgage in favor of Marion Contracting Corporation which is recorded in Mortgage Record 154/at page 481 in the office of the Recorder of Union County.

6- The Marion Contracting Corporation is authorized to fully deal with the Incor Hotel property as an absolute owner and is authorized to sell and convey the property for such price under such terms and conditions as it considers to be expedient.

7- The Marion Contracting Corporation shall account in written detail to the Magnetic Springs Hospital Foundation for all expenses incurred in connection with the sale of the Incor Hotel Property; and is required to remit to the Foundation the balance of all proceeds realized by Marion Contracting Corporation in excess of the amount of the mortgage obligation, to-wit, $33,546.06 as of October 1, 1960; and is authorized to withhold from the remittance reasonable expenses, legal fees and broker's commission necessary in connection with this proceeding and the liquidationof the property, together with the cost of repairs and improvements which Marion Contracting Corporation in its sole discretion may deem advisable in order to facilitate the liquidation. The Marion Contracting Corporation shall furnish the Attorney General of Ohio with an accounting of the sale of this property and of the expenses incurred thereby.

8- This court orders its clerk to spread upon its permanent records official recognition of the generosity of Edward C. Jenkins of Delaware, Ohio in having made the original gift of the Incor Hotel property to and for the benefit of Magnetis Springs Hospital Foundation.

9- The trustees of Incor Hotel Corp., Ohio corporation number 287528 are directed to forthwith dissolve the corporation and to execute all the necessary documentsto effect the dissolution and to transfer to Magnetic Springs Hospital Foundation all assets remaining after the completion of its remaining obligations.

ORDER ADMITTING TO PROBATE AND RECORD

Filed November 10, 1960

In the Matter of the Will of
Nettie T. Monroe, deceased

Case No. 18741
Probate Case No. 18336

This matter was certified to the Common Pleas Court, pursuant to R. C. 2101.38, the Probate Judge, the Honorable Robert F. Allen, being a witness on said will.

The matter came on to be heard on the application of A. E. Monroe to admit to probate and record the will of Nettie T. Monroe, deceased, domiciled at the Village of Richwood in said County, heretofore filed in the Probate Court (Case No. 18336).

It is now shown to the satisfaction of the Court that said decedent died leaving Andrew Monroe, surviving spouse, and that the surviving spouse and those persons, who are known to the applicant to be resident of the State of Ohio, who would be entitled to inherit from the decedent under the statutes of descent and distribution if said decedent had died intestate, (excepting any person who would be entitled to inherit from said decedent solely by reason of relationship to a deceased spouse thereof), have been duly served with notice of the filing of said will and of the application to admit it to probate and record in this Court, pursuant to a former order of this Court, or have waived notice and given consent to the probate of said will.

And the subscribing witnesses this day appeared in open Court, and having been duly sworn, testified respectively to the due execution and attestation of said will, which testimony was reduced to writing, was subscribed by them respectively, and was filed herein.

Whereupon the Court finds that the aforesaid instrument of writing is the Will of Nettie T. Monroe, deceased; that it was duly executed and attested; that the said testator, at the time of signing her will, was of full age, of sound mind and memory, and not under any restraint.

Therefore, the Court, being satisfied as to its jurisdiction herein, orders the admitting of said will to probate and record, and that the Clerk deliver to the Probate Court from which they came, the original papers and a certified copy of this judgment entry, and that thereupon the Probate Judge shall cause a record thereof to be made in the proper records of similar business pursuant to R. On the 10th day of November, 1960, this cause came on to be heard upon the oral Motion of the Defendant to withdraw the Motion of the Defendant heretofore filed to make the Plaintiff's Petition more definite and certain. Upon consideration thereof, the Court grants said Motion and this cause was then presented to the Court as an uncontested matter.

The Court finds from the evidence Plaintiff was and is a resident of Union County, Ohio, for at least one year; that service of summons was made upon the Defendant as required by law; that there are no minor children of the parties; that said parties have agreed upon a property settlement.

The Court finds from the evidence that the Defendant has been Guilty of Gross Neglect of Duty toward the Plaintiff and by reason thereof, said Plaintiff is entitled to a Divorce. The Court further finds that the separation agreement heretofore entered into is reasonable and the same is hereby approved and confirmed.

It is therefore, the order of the Court that the marriage contract heretofore existing by and between, Emma Dell Wiley and Charles C. Wiley, be and the same hereby is dissolved and both parties are discharged from the obligations of the same. It is further ordered that the separation agreement be made a part of this decree, and that the costs of this proceeding be paid by the Plaintiff.

Case No. 18702

Filed Dec 8, 1960

DECREE FORECLOSING MORTGAGE ON REAL ESTATE

This cause came on to be heard this 8 day of Dec. 1960 upon the petition and evidence of the plaintiff. The court finds that the defendants, John J. King and Wilma King have been duly served with summons herein as provided by law;the defendant John J. King has been served with summons by publication and the defendant Wilma King has been personally served with summons and said service is hereby approved by the court. Both defendants are in default of answer or demurrer and confess all allegations of said petition to be true, and the court finds said allegations are true.

The court finds that there is due to the plaintiff from the defendants, John J. King and Wilma King, his wife, on the promissory note set forth in the petition the sum of Three Thousand Three Hundred Eighty One Dollars and Ninety Two Cents ($3,381.92) together with interest thereon at the rate of six (6%) per cent per annum from the lst day of August, 1960.

The court finds furtherthat in order to secure said promissory note set forth in the petition of plaintiff the said defendants John J. King and Wilma King, his wife, executed and delivered to the plaintiff their mortgage deed and thereby conveyed to the plaintiff the premises on the petition described to wit:

Situate in the village of New Dover, County of Union, State of Ohio and Bounded and described as follows: Being part of Survey No. 5135 in V.M.S., being part of Cora J. Herriott and Dorothy Herriott original 1.19 acres, being situated in the village of New Dover, Dover Township, Union County, Ohio.
And being further described as follows: Beginning at an iron pin in West side of School Street, said pin being North of North side of State Route No. 36, 168.7'; thence N. 6 deg 30' E. parallel to center line of School Street 53.15' to an iron pin; thence N. 82 deg. 30" W. 167.60' to an iron pin: thence S. 6 deg. 30" W. 53.15' to an iron pin; thence S. 82 deg. 30' E. 167.60' to the point of beginning, containing .204 acres of land, more or less, subject to a ten (10') foot easement on the north side retained by Grantor for ingress and egress.

That said mortgage deed was duly filed for record with the recorder of Union County, Ohio, on the 7th day of June, 1958 and was thereafter recorded in Volume 163 page 549 of mortgage records of Union County, Ohio, and the said mortgage is a good and valid first lien on said premises; that said mortgage deed contained a condition that if said defendants John J. King and Wilma King, his wife, pay said note when it became due together with interest thereon then said mortgage shall become null and void otherwise to remain in full force and effect, and the court finds that said defendants John J. King and Wilma King, his wife, failed to pay said note when it became due and failed to pay said interest thereon when it became due and said mortgage has become absolute and plaintiff is entitled to have the same foreclosed; and that there is due and unpaid thereon said sum of $3,381.92 with interest at 6% per cent from the lst day of August, 1960.

It is therefore ordered, adjudged and decreed that unless the defendants John J. King and Wilma King pay or cause to be paid the costs of this case including the costs for certificate of title and the taxes and assessments now payable thereon, and the amount aforesaid found due the plaintiff within three (3) days after the entry of this decree, that the equity of redemption of defendants in said premises be foreclosed and said premises sold and that an order of sale be issued to the Sheriff of Union County,Ohio, directing him to appraise and sell said premises according to law and the orders of the court and report his proceedings to this court.
