The show is about a reunion of past performers of the 1940's "Weismann's Follies". The reunion takes place in a crumbling Broadway theatre where they initially performed, which is now scheduled for demolition. The focus is on two couples attending the reunion, whose wives were former showgirls. These couples are very unhappy in their marriages. The drama includes a husband having an affair with a young woman, and a wife who is in love with her friend's husband, and a self-absorbed husband and an emotionally abandoned wife. There is plenty of drama!! Some songs you'll remember: "Broadway Baby", "I'm Still Here", "Could I Leave You" and "Losing My Mind".
