The Board was forwarded several thank you letters.

10. Traffic Authority Business

The Board reviewed the LTA report. The following three report items were discussed.

1) Captain Rich Valenti of Storms Engine Company requests permission to hold a boot drive on Sunday, May 10, 2015. The boot drive will be held between 0800-1300 hours at the following intersection locations:

- Bridge Street @ Main Street
- Seymour Ave. @ Atwater Ave.
- Derby Ave. @ Main Street

Fire personnel will man each of the above intersections with the exception of Derby Ave @ Main Street. Fire personnel will stand only in the northbound lane of Derby Avenue. Captain Valenti expects 25 participants. SGT Boulton recommends that the LTA approve all three locations for Storm's Engine boot drive.

Commissioner DeGennaro motioned to approve the request from Storms to hold a boot drive on Sunday, May 9th (note: corrected date) with the stipulation that they forward the requisite insurance coverage to SGT Boulton prior to the event. Commissioner Bottone seconded and the motion carried.

2) Lieutenant Charles Stankye of Paugassett H & L Company requests permission to hold a boot drive on May 23, 2015. The boot drive would be held between 0900-1600 hours at the following intersection:

- Route 34 just east of RT115
- Lieutenant Stankye expects 20 participants to be present.

SGT Boulton recommends that the LTA approve the above intersection for Paugassett's H & L boot drive.

Commissioner DeGennaro motioned to approve the request from Paugassett to hold a boot drive on May 23th with the stipulation that they forward the requisite insurance coverage to SGT Boulton prior to the event. Commissioner Bottone seconded and the motion carried.

3) A compliant was received by resident Phil Martino of 24 Prairie Ave regarding an ongoing parking issue. Martino reports vehicles from a neighbor's house are parking near his driveway making it difficult for him to exit / enter. A check of CAD history indicates no call history prior to 8 Feb 15, and all complaints ending by 16 Mar 15. During this time three parking complaints have been received. Of the three complaints received, only one was found to have a violation. Martino's primary complaint is line of sight issues, however, his own fence and landscaping present significant line of sight issues rather than parked vehicles do. SGT Boulton recommends no further action be taken in this matter other than to respond to complaints as needed and evaluate enforcement action at that time.

The Commissioners agreed with SGT Boulton's recommendation and no further action was taken.

The Board reviewed a previous request from PCRC regarding a bicycle event they are holding on May 31, 2015. *Commissioner DeGennaro motioned to approve the event, Commissioner Mastrianni seconded and the motion carried.*

Commission DeGennaro advised the Board that there have been parking issues on Fairview Terrace. He has spoken with Alderman Sill and the Chief regarding raising the parking ticket fines. Chief Narowski will forward the issue to the aldermen sub-committee for evaluation.
