CITY OF KETCHIKAN IS AN EQUAL OPPORTUNITY EMPLOYER

PUBLIC WORKS CONTRACT/GRANTS ADMINISTRATOR

*Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are **not** intended to reflect all duties performed within the job.*

SUMMARY DESCRIPTION

Under direction, performs a variety of contract and grant administration duties within Public Works; performs a full range of varied complex, sensitive, highly responsible, and confidential functions of a general, legal or specialized nature in support of the Public Works Department with only occasional instruction or assistance; exercise judgment and initiative, relieve assigned staff of clearly defined and delegated administrative or technical detail; and assist the Public Works Director with special programs, projects, and research.

The Public Works/Engineering Department is responsible for the overall coordination, supervision, and administration of the delivery of all City Public Works and Engineering services. The Public Works Contract/Grants Administrator must be well informed to provide a comprehensive source of information and assistance on City government activities and to support the Public Works Director in the task of providing the administration of the delivery of services. The Public Works Contract/Grants Administrator must perform these duties in a manner that reflects positively on the City and the Public Works Department. He/she is responsible for maintaining a level of professional expertise and image that promotes efficient use of the resources available.

REPRESENTATIVE DUTIES

The following duties are typical for this classification. Incumbents may not perform all of the listed duties and/or may be required to perform additional or different duties from those set forth below to address business needs and changing business practices.

1. Performs a variety of specialized contract and grant administration duties; including writing, administrating and finalizing contracts.
2. Performs a wide range of varied, complex, sensitive, highly responsible, legal, and confidential office administrative, and routine programmatic functions in support of assigned programs, division, and/or department; relieves supervisor of administrative work including contract review and construction, grant review and construction, investigating and answering complaints and providing assistance in resolving operational and administrative problems.
3. Serves as liaison between the general public, contractors, city staff, and various other outside groups and agencies; provides general and specialized information and assistance regarding assigned function that may require the use of legal knowledge, judgment, tact, and sensitivity and the interpretation of policies, rules, and procedures as appropriate.
4. Utilizes various computer applications, drafts and/or types, word processes, formats, edits, revises, and prints contract/grant documents, and any related documents, including other specialized and technical materials from rough drafts, dictation, modified standard formats, and brief verbal instructions.
5. Prepares a variety of engineering reports, studies, and technical documentation; maintains accurate records of project, including contracts, grants and budgets.
6. Oversees the collection, compilation, and analysis of information from various sources on a variety of specialized topics related to contracts/grant; prepares reports that present and interpret data, identifies alternatives, and makes and justifies recommendations.

7. Participates in the development and implementation of goals, objectives, policies, and priorities for assigned programs and services; identifies resource needs; recommends and implements policies and procedures.
8. Assists in the development and administration of the annual Public Works division budget.
9. Prepares special reports and performs special projects that may require researching, gathering, and organizing information from a variety of sources; assists the director with special projects as assigned; researches information as requested.
10. Responds to questions and inquiries from the general public, developers, contractors, engineering professionals and city staff regarding contracts and grants.
11. Coordinates with state and federal agencies in security grants, permits, and variances, reviews procedures for compliance with state and federal agency codes and requirements.
12. As assigned, maintains compliance with federal and/or state agencies. Collects and analyzes data, prepares and reviews technical reports; coordinates with consultants and contractors.
13. Prepares technical specifications and procurement documents for the purchase of equipment and facilities and administers contracts.
14. Places orders for materials or supplies including negotiations with vendors and contractors; evaluates and recommends approval of payment to consultants or contracts.
15. Performs related duties as required.

QUALIFICATIONS

The following generally describes the knowledge and ability required to enter the job and/or be learned within a short period of time in order to successfully perform the assigned duties.

Knowledge of:

Contracts and contract administration.

Grants and grant administration.

Functions of public agencies including the role of an elected Council and appointed boards and commissions.

Organization, operation, and services of the City and of outside agencies as necessary to assume assigned responsibilities.

Basic principles and practices of supervision and training.
