## 1,000 Books Before Kindergarten

1,000 Books Before Kindergarten is a push to read aloud to small children. Experts believe that kids need to hear 1,000 stories before they’re ready to read on their own. This program encourages parents and caregivers to spend time reading to their little people, celebrates their accomplishments, and offers support every step of the way. Sign up at the Sturgis Public Library!

## November Artist of the Month: Bill Cissell

Bill is a Sturgis resident and current editor of the Sturgis Chronicle. Photography has been a part of his life since he got his first Kodak Brownie. His basic photography is taken from much of the Black Hills. He then started looking at what he could do with a standard landscape or water shot using the Photoshop Elements program. He cannot tell you how he arrived at some of his images. It is not because he doesn't want to, it is because he didn't keep track of each item that led to the final product.

The Library will be closed on Monday, November 12 in observance of Veteran's Day and Thursday and Friday, November 22nd and 23rd for the Thanksgiving holiday.

## Curbside Book Pickup

Can't find a place to park? Have limited mobility? Kids in car seats? Or just in a hurry? We can help!

1. Place holds online or call us to place holds.
2. We will let you know when items are ready.
3. When you arrive at the library call us from your car and we'll bring your items out to you!
