WHEREAS, the Energy Intervenor / Energy Assistant position was forty (40) hours per week, October through May, and twenty (20) hours per week from June through September with a review being done before December 31, 1998 to consider the on-going need for the additional listed hours in Resolution 8-1197.

WHEREAS, the Social Services Board has reviewed the position and has determined that there is not an on-going need to maintain the above cited hours in Resolution 8-1197 due to the decreased numbers of applicants applying for the energy assistance programs and the discontinued grant monies for the summer energy assistance funds.

In addition, that such need for the above-cited schedule be reviewed by the Social Services Board before December 31, 1999.

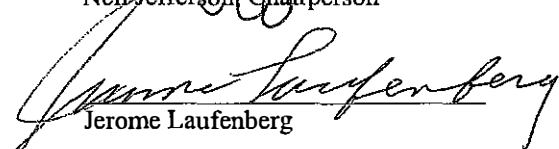

WHEREAS, the Iowa County Committee on Salary and Personnel has upheld the Social Services Board recommendation to maintain hours of no more than forty (40) hours and no less than twenty (20) hours per week from January 1, 1999 through December 31, 1999, with such need being reviewed on or before December 31, 1999.

NOW, THEREFORE BE IT RESOLVED, that the Iowa County Committee on Salary and Personnel does hereby recommend that the Energy Intervenor/Energy Assistant work no more than forty (40) hours and no less than twenty (20) hours per week from January 1, 1999 through December 31, 1999 with a review being done by the Social Services Board to consider the on-going need of the above schedule of hours.
