

Resolution Number: 11-0609

Whereas, there are opportunities for public hearings before the Iowa County Planning and Zoning Committee as provided by county ordinances;

Whereas, there are publication, per diem, and administrative costs associated with said hearings;

Whereas, it has historically been the intent of Iowa County to have filing fees offset the costs to the greatest extent possible;

Whereas, the Office of Planning & Development has determined the current public hearing filing fees do not adequately cover the costs;

Now Therefore Be It Resolved that the Iowa County Board of Supervisors do hereby adopt this resolution setting the filing fees for public hearings before the following body as such:

Filing Fees for a hearing before the Iowa County Planning & Zoning Committee:	
Land Use Change or Ordinance Amendment	\$400.00
Conditional Use Permit	\$400.00
Land Use Change with Conditional Use Permit	\$500.00

Dated this 16th day of June 2009.

Respectfully submitted,

ECONOMIC DEVELOPMENT, EXTENSION AND PROPERTY COMMITTEE
